Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of the clone of Devil Gundam Omega and he began absorbing them and assimilated all of Devil Gundam Omega's power and all the powers of The Dark Gundam, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone and he also sucked out all the energy remaining in her soul and the clone faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Erase Card and Lincoln absorbed the clone of Devil Gundam Omega

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: (Two girls' voices) Aw, we missed out on the fight.

Then, we saw two girls appear: one was a beautiful girl who was tall at 9'0" in height, she has the body of a goddess and large breasts, long yellow hair, blue eyes, massive yellow angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, yellow sleeveless strapless top, yellow skirt with Gem-Knight Tourmaline, white bridal gloves, yellow knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Tourmaline, and she has a light greatsword.

And the other was a beautiful girl who was tall at 9'0" in height, she has the body of a goddess and large breasts, long blue hair, blue eyes, massive yellow angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, blue sleeveless strapless top, blue skirt with Gem-Knight Zirconia, white bridal gloves, yellow knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Zirconia, she has a light greatsword, and with them are the fifteen girls.

Lincoln: (GASPS) Teresa Tourmaline, Avatar and Gene-Slammer of Gem-Knight Tourmaline and Zarya Zirconia, Avatar and Gene-Slammer of Gem-Knight Zirconia.

Zarya Zirconia: That's right, and we got them away from the clone of Devil Gundam Omega and The Dark Erase Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: But, we took care of The Dark Float Card when I sucked out its powers and absorbed the clones. (To Teresa Tourmaline and Zarya Zirconia) And it's so good to see you again, Teresa and Zarya.

Teresa Tourmaline: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Teresa Tourmaline and Zarya Zirconia had their hands on Lincoln's massive hairy pecs, and they proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Teresa Tourmaline and Zarya Zirconia were done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Teresa Tourmaline and Zarya Zirconia: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Teresa Tourmaline and Zarya Zirconia's waists and hugged them, and Teresa Tourmaline and Zarya Zirconia were very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when they saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Teresa Tourmaline: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 50'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new.

Zarya Zirconia: (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, the first girl isTeresa Tourmaline, Avatar and Gene-Slammer of Gem-Knight Tourmaline, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of tourmaline gems and crystals. She's known as The Tourmaline Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Teresa Tourmaline came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of tourmaline gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of tourmaline gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Zarya Kendrick, Gene-Slammer of Steelswarm Hercules and leader of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Teresa's parents and her little sister, Tanya, in cold blood, and she swore to kill Zarya Kendrick and make sure she's sent to The Black Abyss forever!

Eman Reynolds: And the second girl is Zarya Zirconia, Avatar and Gene-Slammer of Gem-Knight Zirconia, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of zircon gems and crystals. She's known as The Zirconia Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Teresa and Zarya.

Lincoln with his massive muscular arms still wrapped around Teresa Tourmaline and Zarya Zirconia's waists leaned his head down to the right sides of their trapezius, and one by one, he slowly bit them and fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive

and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from their right trapezius and the marks sealed up and Lincoln kissed the spot where he bit them.

Zarya Zirconia: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, two Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Teresa Tourmaline and Zarya Zirconia with tourmaline and zircon crystals on the gold lightning bolts and tourmaline and zircon links and jade beads from their merged Crystal Necklace of The Buddhas and Jade Necklaces of Shangdi along with two gold-accented Elemental Thunderbird Chokers of Eternal Love on her neck and two rainbow Thunderbird wedding rings on their left pinkies.

Teresa Tourmaline: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Teresa Tourmaline and Zarya Zirconia.

Teresa Tourmaline and Zarya Zirconia had a smile on their faces and tears streaming down their cheeks as Lincoln still had his massive muscular arms wrapped around Teresa Tourmaline and Zarya Zirconia's waists, and he leaned down to her face and kissed her on the lips, and with Tanya Topaz's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Teresa Tourmaline and Zarya Zirconia had an atomic red blush on they faces, hearts in their eyes, their noses were really gushing out blood, and their hearts were pounding like a loud drum.

Zarya Zirconia: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The fifteen girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the fifteen girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the fifteen girls are Carolina, Silky, Yumi, Aurora, Muse, Orellia, Kheshig, Orangeade, Taylor, Black Lilith, Fenrir, Marie, Azaz, Hirume, and Mnemosyne from Last Origin.

Lincoln: Oh whoa, it's Carolina, Silky, Yumi, Aurora, Muse, Orellia, Kheshig, Orangeade, Taylor, Black Lilith, Fenrir, Marie, Azaz, Hirume, and Mnemosyne from Last Origin.

Nicole: Uh oh, Travis and Red were right telling the boys to run and hide, they're sexy girls!

Lincoln: That makes them easy targets for someone who wants to hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Carolina: Yes, we're okay, thanks to you.

Then, when Carolina and the other fourteen girls saw who it was that saved them from The Dark Erase Card and the clone of Devil Gundam Omega, their faces turned atomic red and their noses gushed out blood upon seeing the 50'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun with four gold wolf heads: two on the left and right and two on top and the bottom in the center behind his head and large gold Yata no Kagami mirror with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun with four gold wolf heads: two on the left and right and two on top and the bottom and four large orbiting gold Yata no Kagami mirrors on each corner with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec and rainbow sun and moon and rainbow flame patterns and rings appear on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Powerful Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Descendant of King Arthur of Camelot, Perfect

Carolina: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Fenrir: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Carolina, Silky, Yumi, Aurora, Muse, Orellia, Kheshig, Orangeade, Taylor, Black Lilith, Fenrir, Marie, Azaz, Hirume, and Mnemosyne with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long pink hair, she was dressed in purple harem clothes, and she has a magic lamp with her.

Lincoln: (GASPS) Mystica Genimagicaira, Queen of The Genimagicairans of Planet Genimagicaira.

Nico: The last living Genimagicairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, everyone, this is Mystica Genimagicaira, Queen of The Genimagicairans of Planet Genimagicaira, , she's Lincoln's Guardian Angel from Planet Genimagicaira, a planet of genies and magic in The Forbidden Zone and Shantae's older sister and Lori's classmate in Music, she was The Queen of The Genimagicairans who ruled the planet of Genimagicaira and she's also far more powerful than her own people: in addition to being a natural born fighter, having immense power over magic, the powers of the genies times infinity, and the ability to grow even stronger, but she was also born with angel wings, immense powers over magic, the powers of the genies times infinity, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Mystica Genimagicaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of magic, the powers of the genies times infinity, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of magic, the powers of the genies times infinity, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Genimagicairans, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did, but she knew that it was part of a vision her people had: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of their male Genimagicairans imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix. Lincoln made her an awesome magic greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them taken down and destroyed with the power of Genimagicaira.

Me: Whoa, I had no idea she was also Shantae's older sister.

Nicole: And a Genimagicairan Queen. Shanan had her mind blown because of it, she hadn't known about Genimagicaira until Ebonwu Lincoln told us.

Mystica Genimagicaira: And I knew Lincoln absorbed the souls of the male Chilirairans, our planet's core and planet itself, and our planet's Sun to preserve their legacy.

Shanan: As foretold by the vision your people had along with the other planets of The Forbidden Zone.

Mystica Genimagicaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Mystica Genimagicaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Mystica Genimagicaira with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura

exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Mystica Genimagicaira: That's my special gift to him: Genimagicaira's Blessing of The Desert Genie, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 60'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Mystica Genimagicaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Genimagicairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Erase Card of all its powers and absorbed the clone of Devil Gundam Omega after we took her down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Teresa Tourmaline and Zarya Zirconia saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Teresa Tourmaline: My God, I was right that Lincoln's really grown into a 60'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever.

Zarya Zirconia: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Zarya Zirconia: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Teresa Tourmaline: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Lincoln got into The Simulator and it activated, and he found himself in Bubblaine, and we saw it on the big screen.

Lincoln: Ah, sunny Bubblaine.

Me: I hope you're gonna fight one of the villains in there like we did.

Alexander Avalon: (Sensed it) Afraid not, looks like Alecto Slytherin's sent Prometheus A.K.A The Will of Honkai and The Honkai God along with Herrscher of the Logic, Herrscher of the Void, Herrscher of the Thunder, Herrscher of the Wind, Herrscher of the Corruption, Herrscher of the Death, Herrscher the Dominion, Herrscher of the Ocean, Herrscher of the Flame, Herrscher of the Void, Herrscher of the Toxin, Herrscher of the Restriction, and Herrscher of the Metal, along with the Pseudo-Herrschers: Yae Sakura of Corruption, Aphora of Wind, Bella of Death, Agata of Flames, Claire of Darkness, Houraiji Kyuushou of Void, Coroy of Madness, Anilla of Nightmare, and Shigure Kira of the Unknown, the Artificial Herrschers: Supreme Herrscher, Herrscher of the Blood, Herrscher of the Wisdom, Aisha Lopes, and Kallen Kaslana.

Nico: That snake!

Lincoln: I already know what to do: absorb them and assimilate their powers.

Nico: Hope you're in for one immense power surge.

Lincoln headed to the beach.

Lincoln also attacked them with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, tail swipes from his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were brutal, and he let his massive white wolf with massive white angel wings companion also attacked them too with incredible fury and he fired intense fire and lightning blasts at them and they explode with fiery and intense power.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of The Herrschers and he began absorbing them and assimilated The Honkai God's Omniscience, Omnipotence, Omnipresence, Immortality, Invincibility, Telepathy, Concept manipulation, Honkai Manipulation, Creation of gods, and Omnilingualism and the Herrschers' Godly powers, Immortality, Dimensional travel, Ability to control all elements of the universe, Brainwashing, Pure immortality, Cosmic influence, Flight, Shapeshifting, and Possession, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of The Honkai God and the Herrschers and he also sucked out all the energy remaining in their souls and they were all sent to The Black Abyss and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

Then, Lincoln saw armies of Alecto's dark witches and dark wizards appear, and Lincoln really WENT WILD ON THEM AS HE TORE THEM APART: HE RIPPED THEM TO SHREDS AND WHEN HE WAS DONE, HE LET OUT THE LOUDEST AND MOST DOMINANT WOLF ROAR AND HOWL THAT ECHOED THROUGHOUT BUBBLAINE AND WE HEARD IT IN HERE AS WELL!

OUR JAWS DROPPED TO THE FLOOR!

CLANG!

Me: HO-LY...!

Nico: DAMN...!

Lincoln used his telekinetic powers to close them, and then he exited The Simulator and powered down.

Lincoln: Guys, if you keep this up, you're gonna get flies in your mouth one of these days.

Lincoln continued working out.

Luna: Next time, we'll go after Packing Day Lynn in The Simulator, we're gonna get some payback on that snow monster for every last Packing Day nightmare we had to suffer through.

Lana: And with Lincoln's massive godly superhuman strength, he'll turn her into mulch.

Me: Or all of Royal Woods into a massive mess!

Lanaia: I've hated Packing Day ever since. Whenever Patchy declares it a Packing Day, Lynn goes Full Beast Mode lurking outside waiting to pummel everyone with snowballs, no one was safe, especially when she let out those monstrous belches! It was like the sound of death in the air!

Me: Especially when we caught the stench of her sweaty pits.

Lanaia: That was also another sign, and when Lincoln told me of how you took down Dark Lynn and forced that animal out, I knew she was freed.

Lincoln: But, not for much longer, that last bit of Dark Lynn was still in her, and when she came out, she was really weak.

Lori: Ugh, that monster was an absolute pig. I can't wait to see how you trounce her.

Lana: She was an animal who had to be put down for good. We all got bruises on our arms thanks to her apology punches.

Luan: We had to deal with her bad manners and lack of discipline, she was worse than Charles when we first got him and started training him.

We got a shower, and then, Lincoln, Freja (Overwatch 2), Waylay, Mel, Ambessa, Atzi, Muty (TLPS), Sandra le Blanc, Shiina Kokoro, and Odessa Evensong are heading to Emerald Coast, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 60'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry

and accessories, and he had his weapons holstered in case of trouble.

And Freja (Overwatch 2), Waylay, Mel, Ambessa, Atzi, Muty (TLPS), Sandra le Blanc, Shiina Kokoro, and Odessa Evensong and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Freja (Overwatch 2), Waylay, Mel, Ambessa, Atzi, Muty (TLPS), Sandra le Blanc, Shiina Kokoro, and Odessa Evensong had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Odessa Evensong: Wow, we're here in Emerald Coast, it's so beautiful.

Lincoln: You said it, Odessa, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Freja (Overwatch 2), Waylay, Mel, Ambessa, Atzi, Muty (TLPS), Sandra le Blanc, Shiina Kokoro, and Odessa Evensong and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Freja (Overwatch 2), Waylay, Mel, Ambessa, Atzi, Muty (TLPS), Sandra le Blanc, Shiina Kokoro, and Odessa Evensong and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Freja (Overwatch 2), Waylay, Mel, Ambessa, Atzi, Muty (TLPS), Sandra le Blanc, Shiina Kokoro, and Odessa Evensong and the rest of Lincoln's harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Freja (Overwatch 2), Waylay, Mel, Ambessa, Atzi, Muty (TLPS), Sandra le Blanc, Shiina Kokoro, and Odessa Evensong and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clones of Mega Volcano, Arsonlord, Mega Blizzard, Hyperfrigid, Mega Earthquake, Darkalanche, Mega Tornado, and Kaiserphoon.

Anna Anyanova: Uh oh, is that...?!

Lincoln: The clones of Mega Volcano, Arsonlord, Mega Blizzard, Hyperfrigid, Mega Earthquake, Darkalanche, Mega Tornado, and Kaiserphoon.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clones of Mega Volcano, Arsonlord, Mega Blizzard, Hyperfrigid, Mega Earthquake, Darkalanche, Mega

Tornado, and Kaiserphoon and he began absorbing them and assimilating Mega Volcano, Arsonlord, Mega Blizzard, Hyperfrigid, Mega Earthquake, Darkalanche, Mega Tornado, and Kaiserphoon's powers of wind, ice, earth, lava, and fire, and power to destroy entire planets, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones, and Lincoln sucked out every last bit of energy from the clones' soul and the clones faded and Lincoln let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Freja (Overwatch 2), Waylay, Mel, Ambessa, Atzi, Muty (TLPS), Sandra le Blanc, Shiina Kokoro, and Odessa Evensong and the rest of Lincoln's harem and he hugged them in his abnormally massive and powerful muscular arms, and Freja (Overwatch 2), Waylay, Mel, Ambessa, Atzi, Muty (TLPS), Sandra le Blanc, Shiina Kokoro, and Odessa Evensong and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Freja (Overwatch 2), Waylay, Mel, Ambessa, Atzi, Muty (TLPS), Sandra le Blanc, Shiina Kokoro, and Odessa Evensong with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbirds Choker of Eternal Love on their necks.

Lily the Mermaid: And now, Freja, Waylay, Mel, Ambessa, Atzi, Muty (TLPS), Sandra le Blanc, Shiina Kokoro, and Odessa Evensong are in your harem, Linky.

Freja (Overwatch 2), Waylay, Mel, Ambessa, Atzi, Muty (TLPS), Sandra le Blanc, Shiina Kokoro, and Odessa Evensong showed the marks Lincoln made on the right sides of their trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Alecto Slytherin sent the clones of Mega Volcano, Arsonlord, Mega Blizzard, Hyperfrigid, Mega Earthquake, Darkalanche, Mega Tornado, and Kaiserphoon after us.

WE GASPED!

Nico: The hypothetical Akumas of the Titans?! That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into their chests, and I absorbed them and assimilated their powers of wind, ice, earth, lava, and, fire, and power to destroy entire planets. Then, I sucked out every bit of energy from their souls and the clones faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Another awesome Skylanders Adventure.

Nico: Who's next?

Me: Chill Bill and the Evil Water Minions are next and May, Mizore, Izzy Moonbow, Pipp Petals, Thumpback, Flip Wreck, Echo, Lob Star, Launch Octopus and Dive Man are up.

May: Awesome!

Qin: Where are we going?

Nico: Phoenix Sanctuary next.

Me: COOL! This I got to see.

We went into the Simulator and it activated and we were at the Phoenix Sanctuary!

The Phoenix Psanctuary is the fourth chapter in Skylanders: Trap Team. This picturesque wildlife preserve is home to many different kinds of birds, including the Phoenix Chicken. The Phoenix Psanctuary also contains Boingo Nuts, which grow vine bridges when planted in specific spots. The Skylanders arrive in the sanctuary with Flynn and Tessa in order to protect the Phoenix Chicken from Chef Pepper Jack.

We were on awe.

Me: Wow! Look at this really cool!

Xenia: Amazing!

May: I'm actually perfect for this

Mizore: Me too.

Qin: This will be cool!

Xenia: I agree there.

Rarity: This will be fun darlings.

We went to find Chill Bill and we did.

We saw him in the middle of a circle arena! We faced CHILL BILL!

Chill Bill: Well hey there team!

Me: Chill Bill!

May: Is it cold in here or is it just me?

Chill Bill: Nice line.

Then the EVIL WATER MINIONS APPEARED!

Evil Ice Yeti: (Dark Voice) ARMED AND DANGEROUS!

Evil Crab King: (Dark Voice) BRACE FOR THE MACE!

Evil Water Dragon: (Dark Gurgling Voice) RIDE THE LIGHTNING!

Evil Amphibious Gillman: (Dark Voice) FEAR THE FISH!

Qin: This is gonna be good!

Me: Lets bring the pain!

Thumpback: HAIL TO THE WHALE!

Flip Wreck: MAKING WAVES!

Echo: LETS MAKE SOME NOISE! (MUSIC PLAYS)

Lob-Star: STAR LIGHT! STAR FIGHT!

We were ready!

Chill Bill: Let's see who's colder!

Me: I am fire and you are ice.

I flared up my fire aura!

I fired waves of fire and he fired waves of ice and the blasts collided and steam came out!

Izzy Moonbow: "I sparkle like the stars as the Legacy of Pinkie Pie, 'cause I'm always super glittery. When my cutie mark comes to life, watch this brilliant creativity!"

Izzy's Cutie Mark glowed powerfully!

Pipp stood there with her wings spread.

Pipp Petals: "I'm a stylish pop star princess and the Legacy of Rarity. My voice makes me strong. When my cutie mark comes to life, confidence is my song!"

Her Cutie Mark glowed.

They fired balloons and music notes and blasted Chill Bill and the minions down.

May fired waves of ice and blasted them! Mizore fired waves of ice and blasted them too!

Chill Bill: I was talking to May and Mizore!

Me: When you deal with ice you face fire too.

May: And we have COLD Fire!

May and Mizore flared up cold fire auras!

Echo fired music energy.

Lily the Mermaid: Lets show the sirens song!

Echo and Lily: SIREN SONG BOMB!

They fired water balls and it sang with divine singing and rock music. Then it blasted them and exploded!

Me: YEAH!

Moondancer: WOW! That was awesome!

Chill Bill fired ice at May and Mizore but they fired back.

The blasts collided and a massive crystal wall of ice formed!

May: WHOA! That is cold!

Mizore: No kidding there!

Evil Water Dragon fired waves of electrified ooze and Katara used her waterbending and splashed him back.

We fired waves of energy and blasted them.

Me: YEAH! Come on guys! Lets end this!

May, Mizore, Izzy Moonbow, Pipp Petals, Thumpback, Flip Wreck, Echo, Lob Star, Launch Octopus and Dive Man: MAELSTROM TORPEDO BLAST OF WATER!

They fired waves of intense water and they blasted them and they were knocked down!

CHILL BILL AND THE EVIL WATER MINIONS DEFEATED!

Me: OH YEAH!

Mizore: We know what's next.

Rarity: Indeed we do!

She held up 5 traps! And 5 blue vortexes appeared and sucked them in.

Chill Bill: Remember me...AS A HEROOOOOOO!"

He got sucked into a trap and was locked in it!

Chill Bill: "HEY! What's going on? It's kind of like I am now the one frozen! I do not appreciate this irony! You can't do this to me! I'm Chill Bill, freezer of faces and a very important on-air personality."

CHILL BILL AND THE EVIL WATER MINIONS TRAPED!

Rarity: Well you darlings are going to have to learn how to be good from now on.

Chill Bill: "No prob, I can roll with anything. That's why they call me Chill Bill. That, and all the freezing I do."

Me: Good.

Qin: That is for sure.

Nico: Good to know.

We left the simulator. We added the Phoenix Sanctuary to the Gotham Royal York Zoo and almost instantly it was a hit and people loved it

---

In the park, we were there for some fun.

Teressa and Timothea came out in their jumpsuits. Teressa's was grey and Timothea's was brown. Timothea was eating a big bowl of earthworms and centipedes. Covered in Dragonfly dip.

Lori: (to Timothea) You literally forgot that yesterday.

Timothea: (Eating) Sorry about that.

Timon: You sure love eating bugs like we do.

Pumbaa: I'll say!

Timothea: I sure do. (Eating)

Hymeno got sick bad.

Me: Uh oh.

But then a ferocious roar! OUT CAME DEERRECKON!

WE GASPED!

Me: Oh man! Lets turn him into SMOKED VENISON!

I kicked him in his face!

Nico: GEEZ! This is one nasty looking deer!

Laney got out a 12 Gauge Shotgun!

Laney: I'm having smoked deer for dinner!

Lily: Me too!

I fired energy blasts and blasted him.

Samurai Jack: Hikaru, remember when we first met?

Hikaru: I sure do. J.D. told us all about how you guys were the Brave 12 and that was amazing!

Luna: It sure was dudes!

Lori: Time to bring the fire!

Lori held her hands out and floated and then in a massive ball of fire she turned into VOLCANA LORI!

She was ready to burn!

Lori fired waves of fire and blasted Deerreckon!

Volcana: Bambi, calm down!

But all he did was ROAR IN HER FACE!

Volcana: Bad breath!

She fired waves of fire and blasted him!

Me: This is one REALLY OUT OF CONTROL deer!

Xenia: No kidding there!

She fired arrows and blasted him!

I jumped as he tried to slash me with his antlers!

I slashed his antlers off!

SLASH!

He roared in agony!

Me: I can make those into an amazing Antler Chandelier.

Nicole: This is one Akuma that is DEFINITELY going into the Book of Vile Darkness!

Qin: Yeah no kidding!

Marina: We also told you how the Brave 12 took Aku down

Hikaru: You sure did and that was so awesome!

Fu: Yeah it sure was.

Qin: Everyone had fun on that.

Eli: Bro even introduced you to all the Brave 12.

Hikaru: He sure did and that was amazing!

Ashi: Yep it sure was.

I fired waves of lightning and blasted Deerreckon all over.

Me: I can't believe Bambi was turned into this because of his mother being killed!

Offroad: Someone needs a time out!

Me: No kidding!

He went at us and we dodged all his strikes.

But then...

KRABANG!

LANEY BLASTED THROUGH HIS BRAIN! THEN...

KRABANG!

SHE BLASTED HIM IN HIS CHEST AND KILLED HIM!

We sent his spirit into the book of Vile Darkness!

Me: WHOA! NICE shooting Laney.

Laney: Thanks!

Luna: I even took down Doug

Hikaru: That was cool.

Xenia: It sure was.

I came back and I was sweating.

Me: WHEW!

Laney: That was a very VOLATILE one.

Poromon: It sure was.

Nico: Look at what it did

We saw most of the park in shambles and many cars were destroyed and bloody corpses of people all over.

Me: GOOD GOD!

Qin: What a mess!

I snapped my fingers and fixed it all up.

Me: There.

Lola: Much better.

Nico: First time we dealt with an Akuma during something like this.

Me: Especially if it's based on an upcoming movie.

Nico: I hope it has insurance!

Me: Nico I fixed it all up.

Qin: Yeah.

Nico: Sorry.

But then...

SPLASH!

Nico got splashed with water!

Nico: (SPITS) HEY!

Maria: Wasn't me!

Me: WHOA LOOK!

We saw a Mega Lugia!

Me: Mega Lugia!

It was over in the Park Lake.

Nico: Where did that come from?

Me: Must be one of Dark Gale's work.

Stacy Storious: Lets see.

She used telepathy and gasped!

Stacy Storious: WHOA! It's our teammate Vierra Shindai!

Ryoka and Reika: Our sister!?

Me: It looks like it!

Stacy Storious: We better help her!

We went over.

Stacy Storious: Vierra calmm down. It's me Stacy.

She used Aeroblast!

She fired a massive and intensely powerful beam of energy from her mouth and I fired a massive blast and the blasts collided and exploded with incredible power!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

We braced ourselves from the blast and it was intensely powerful!

Nico WHOA!

Qin: THAT WAS POWERFUL!

Xenia: No kidding!

Me: WHOA! The Mega Version of Lugia packs over 100 times the power! It would have obliterated Lawrence and his ship into nothing!

She used Aeroblast!

She fired a massive and intensely powerful beam of energy from her mouth and I fired a massive blast and the blasts collided and exploded with incredible power!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

We braced ourselves from the blast and it was intensely powerful!

Nico WHOA!

Qin: THAT WAS POWERFUL!

Xenia: No kidding!

Me: WHOA! The Mega Version of Lugia packs over 100 times the power! It would have obliterated Lawrence and his ship into nothing!

Misty: I know!

Nico: NO SHIT!

Qin: WOW!

Me: Okay then.

Me and Stacy fired energy blasts and blasted her down.

I snapped my fingers and she was a girl with blue hair and blue eyes and had blue angel wings and had the Durendal symbol and a mermaid on her forehead and arm.

We wrapped her in a blanket and brought her over.

Me: Whoa! That was intense!

Horsea: I would be dead if that hit me!

She woke up.

Vierra Shindai: (Groans) What hit me?

Stacy Storious: Are you okay Vierra?

Vierra: Stacy! I think so.

Me: You were turned into a Mega Lugia by Dark Gale.

Vierra: Oh man! I was fighting the Kirigirisu Megid when it happened.

Me: I remember seeing that one!

Megan: Me too. That was a tough one.

Poromon: Your rider name?

Vierra: I don't have a Rider form.

Stacy Storious: We help the riders out in battling their enemies.

Vierra: Yeah. (See's Zocks) Hey aren't you Zocks Goldtsuiker?

Zocks: That's me.

Then..

POW!

She punched Zocks square in his face and knocked him down!

Vierra: THAT WAS FOR STEALING MY SISTERS RIDE BOOK!

Me: WHOA! Nice one!

Flint growled and me and Nico held her!

Zocks: Okay. I deserve that.

Ymir: Why?

Me: There was a team up with the Zenkaigers and The Saber Riders back in 2020 and Zocks swiped Reika's

Wonder Ride Book and thought it was a great treasure.

Zocks: He's right.

Kaito: We weren't part of that adventure back then.

Magine: Yeah we were busy back then.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue dress and a water sword.

Vierra: I look amazing.

Me: You sure do.

Flint: You guys can let me go now.

Me: Oh sorry. But Flint don't kill her. You know Zocks had that coming for doing that to Reika.

Flint: You're right.

We went back to the estate.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever.

Lincoln: We don't have long before our mission starts,so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Then the computer activated.

The computer's screen showed Lego Luthor calling us.

Lego Luthor: Hello, Team Loud Phoenix Storm. I hope I didn't catch you all at a bad time.

Nico: Not at all. We actually finished taking down Bambi's Akuma.

Me: Yeah.

Lego Luthor: Good. Because I might need your help with something.

Shego: Why not ask the Justice League of your world? You guys might be back to your battles of good and evil. But you guys are now on more friendly terms.

Lego Luthor: (sighs) The Justice League from my world are gone.

Nico: Say what?!

Me: Uh oh. What happened?

Lego Luthor: How do I know this? A group called the Justice Syndicate took their place. But they're really the Crime Syndicate. Reverse Flash, Heatwave, Captain Cold, Merlyn, Mirror Master, and Killer Frost learned about this from STAR Labs. But Killer Frost was the only one to escape while the rest were arrested by the Crime Syndicate. She, Deadshot, Captain Boomerang, and Copperhead are en route to Poison Ivy's place where Harley is. I'm sending you the coordinates now.

Nico: Got it!

Lego Luthor: There's one other concerning thing. Albedo's former teammates in Team Buktu are helping the Crime Syndicate.

WE GASPED IN SHOCK!

Me: So Team Buktu has made their move!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Lego Deathstorm, and he's causing trouble in the Lego DC World. When we saw it, we knew it meant trouble.

Lincoln, Me, and Nico: Uh oh, we got trouble!

Eli: Trouble in the Lego DC World.

Lincoln: Yep.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Lego Deathstorm, and he's causing trouble in the Lego DC World.

EVERYONE GASPED!

Volcana: The Lego version of Deathstorm? Hmm, something smells fishy about this.

Me: I agree, Lego Lex Luthor called us earlier and told us something was going on, and we have a feeling already.

Lincoln: Team Buktu is making its move. Perfect.

Me: Yeah we already got the memo on that.

Lincoln: I'll tell you guys about my attack plan and you'll see my new curse in action.

Nico: Uh oh, I can tell this means Team Buktu is literally going to be up shit creek without a paddle. Alright, then, let's get going and head to the Lego DC world.

Lincoln: Team Buktu, consider your lives at an end. Whatever you have planned, your plans are about to be brought to an end.

The previous group came.

Mysterio: Can me, Electro, Hydro Man, Scorpion, Vulture, Grizzly, Living Laser, Griffin, Jack O Lantern and Boomerang go with you guys?

Nico: Yes you all can come with us.

Qin: Team Buktu is in the Lego World.

Mysterio: I had a feeling it was time for them to show up!

Electro: Me too.

Me: Yep.

Xiong Ming: (On the radio) J.D. this is Xiong Ming.

Me: Reading you loud and clear Xiong.

Xiong Ming: We have just captured the last of the Uchiha Coup conspirators and brought them to the Leaf.

Me: Excellent. I'll be there shortly.

Nico: That was perfect timing.

Me: Be right back guys. Got to tell Lady Hokage to stand by with our plan.

Nico: Right.

I teleported to the Leaf.

I came back 10 minutes later.

Me: Lady Tsunade said we're good to go. We just need to capture the last Evil Sasuke and then the Execution of the 150th Millennium can begin.

Nico: Great!

Kevin Levin: Nico, which Gene Slammer do you think you'll meet next?

Nico: Wall of Blood next.

Me: GRUESOME!

Qin: Nice!

Me: Also guys we haven't battled the Prime universe version of Deathstorm yet.

Nico: We sure haven't. We forgot all about that.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Otoma-Raga, the Mother Goddess, and one of the main antagonists in the The King of Fighters franchise, and she's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got big trouble!

Me: HOLY SHIT! Was that?!

Lincoln: Otoma-Raga, the Mother Goddess, and one of the main antagonists in the The King of Fighters franchise, and she's coming to destroy us.

Nicole: After what happened to Verse, I'm not surprised.

Ellie Mirror: We'll make sure Otoma-Raga is vanquished for good.

Lincoln: When I absorb her and assimilate all her godly powers and abilities.

Nico: You said a mouthful. Alright, team, let's go, it's time to head to the Lego DC world.

Lincoln: Whatever Team Buktu has planned, they just made a huge mistake in pissing us off, they're gonna regret this, and once we get done with Lego Deathstorm, you're next, Otoma-Raga.

Sina Shunoros: You made a huge mistake coming for us, Otoma-Raga, this is unforgiveable, it's time we set things straight once and for all.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to the Lego DC world to take down Lego Deathstorm, and once we get done, Ellie Mirror and Lincoln are going to destroy Otoma-Raga and send her to The Black Abyss after Lincoln absorbs her.

We were off.

We arrived.

Me: We're here.

Scorpion: Let's call Larxene.

Me: Good idea.

Larxene came in a dark corridor.

Larxene: Ready to strike.

Lincoln: Okay, before we go after Lego Deathstorm, I've got my attack plan set up.

Lincoln pulls up a hologram of the Lego DC world.

Lincoln: From what I found out, the Lego Crime Syndicate is causing havoc, so we'll be sparing them since they'll be members of The M.O.E., but I'll have tracers put on them, I made them completely heat proof and magic proof and element proof, and also, they can go invisible so they can't be detected.

We saw the Lego Crime Syndicate were highlighted in bright red. Then, several blood red dots appeared pointing to our actual main targets.

Lincoln: But, they are not the main enemy: our main enemies are none other than the defamatory Team Buktu, the false heroes, who are in actuality, fucking bastards with nothing but crimes to their names, and Darkseid, New God and demonic ruler of the war torn planet Apokalips.

Then, more red dots appeared.

Eli: And those additional red dots?

Lincoln: I was about to get to them. But, in addition, we also got the additional trouble of Alecto Slytherin, the racist descendant of Salazar Slytherin, and Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora, the last five of the ten conspirators who helped Dartz in unleashing the Orichalcos 10,000 years ago. We're gonna have our hands full with only the Lego Crime Syndicate, Team Buktu, and Darkseid. We can't have Alecto Slytherin, Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora showing up to cause additional trouble as well.

Suddenly, Lincoln had a vision, and it's not good: it appears Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora have betrayed Alecto Slytherin and are now striking out on their own and seek to avenge the deaths of Logan Leviathan, George Geh, Daniel Dexia, Adrian Aristeros, and Shiloh Shunoros.

Lincoln: Oh crud, now we got bigger trouble, it appears Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora have betrayed Alecto Slytherin and are now striking out on their own and seek to avenge the deaths of Logan Leviathan, George Geh, Daniel Dexia, Adrian Aristeros, and Shiloh Shunoros.

WE GASPED!

Maria: Those foul-mouthed derogatory classless no-good lowlife pieces of shit! If those pigs think they're gonna get away with this, they've got another thing coming.

Lincoln: I agree completely! Our first target is Lego Deathstorm, we're gonna put a tracer on him and let him escape. But, we are going to have him and the others put into The M.O.E. after we take care of Team Buktu and Darkseid, but, I got a special curse to put on Team Buktu to make sure they suffer, and since Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora are now going on their own, that'll make things easier for me to suck out their excessive negative energy and hatred along with their powers over the other Orichalcos Duel Monsters along with sucking out their souls and draining them of energy before I send them to The Black Abyss. But, we also got to keep Alecto Slytherin out.

Elizabeth Gryffindor: Leave that to us.

Elizabeth Gryffindor, Selene Slytherin, Helena Hufflepuff, and Renee Ravenclaw used their magic and trapped Alecto inside a cage and when he saw it and couldn't break out, we heard him scream out the worst kinds of obscenities there was, and they were absolutely derogatory!

Me: OH MY FUCKING GOD! SOMEBODY GET ME A GIANT BAR OF SOAP! I'M GONNA SHOVE IT RIGHT DOWN THAT SNAKE'S THROAT!

Maria: OH MY GOD! THAT IS THE MOST DISGUSTING AND DEROGATORY SET OF WORDS I HAVE EVER HEARD! HE'S

JUST AS MUCH OF A NO-CLASS LOWLIFE AS THOSE NO-CLASS LOWLIFE BROTHERS OF THE DOOM RIDERS!

Lincoln: Even I couldn't stand that kind of language! YUCK!

Nico: I like this plan of yours already, Lincoln. We're going to trace all of Team Buktu to know where they are going and how, and when they make their move...!

Me: We take those Buktu fuckers out!

Lincoln: Exactly. Scott's part in this almost led me to wanting to kill myself even though I was born with immortality and invincibility, and for that, I'm gonna make absolutely sure he regrets every single moment of his miserable life, along with those other cretins. And now, for my curse.

Then, Lincoln made the map disappear, and we watched.

Lincoln: So, you Team Buktu shitheads think you can get away with trying to smear our good names again? Well, it's time for you to see that karma is a bitch, and your actions have consequences: deadly and fatal ones.

DIVINE HEAVENLY MUSIC PLAYS

Suddenly, Lincoln levitated off the ground and headed right up into the skies and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and he was suddenly surrounded by a white and golden yellow energy aura and light and heavenly lights shining down from the Heavens, and not the midnight black energy aura with darkness when he uses his other curses.

Me: Huh? What's this?!

Nico: Wait, isn't Lincoln usually surrounded by a midnight black energy aura with darkness and the sound of Organ music plays?

Anna Anyanova: Normally, that's true, but this is...! (GASPS) Oh man, this is one of his divine curses, these are the holy versions of the dark curses he inflicts on villains, and these curses are more powerful than the dark curses because the divine curses are even more powerful and deadlier on the guilty!

Eli: Meaning it's like God's punishment coming for them!

WE GASPED!

Lincoln: (Singing Divinely)(Divine Heavenly Godly Voice) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be, The future should be filled with magic, Dreams and wishes brought to life, But the days ahead are dark and tragic, No time for hope when all is strife, Whatever might have been, All the dreams that ponies share, Because of you, Team Buktu, Now the future is a cold nightmare!

Nico and I had chills running down our spines!

Me: (Thinking) (SHUDDERS) Divine or not, that song still sends chills down our spines!

Nico: (Thinking) Me too!

Then, Lincoln fired beams of golden yellow and white energy beams from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and they found and hit their targets: Tim Buktu, Evil Sasuke, Scott, Evil Jimmy Neutron, and Iron Monger. Then, through a one-way viewing mirror, we saw The Scales of Vengeance appear on both sides of them, but then, we saw a black flame appear on the left scale representing their guilt, and it started to tip. But, that's not all, then, we saw the flames get bigger and we felt they were having the energy sucked out of them. The viewing mirror closed.

Me: (GULPS) Lincoln, what was that?

Lincoln landed in front of us.

Lincoln: That was my new curse, NEMESIS' DEATH JUDGEMENT OF THE DAMNED, it's a special curse that I created only for those who would dare to slander Team Loud Phoenix Storm and make them look bad, and this curse is one of the deadliest of all curses, because The Scales of Vengeance will appear surrounding them, and for each act of slander and defamation they commit against us, The Scales of Vengeance will begin to tip to the left representing Guilty, but here's the catch: a black flame will appear on both scales because of the amount of sins they'd committed and because they showed no remorse, that makes the black flame grow stronger. But, here's the deadly part of the curse, the black flame will start to suck out their energy and start draining them of their life forces, and the Monitor Orbs on their foreheads will start to strain themselves trying to replenish their energy and restore their life forces, and once they are defeated and the scale on the left representing the guilty and all their sins falls to the floor, then the black flame will grow even stronger and drain them completely dry of their life force and energy making the flame grow bigger and stronger until they are reduced to being a desiccated mummified corpse drained of their lifeforce, and I will then absorb the flame into my body thus absorbing the drained life forces and energy.

WE GASPED IN SHOCK AND MANY OF US SCREAMED IN FRIGHT!

Me: OH MAN!

Nico: (GULPS) That's one of the most frightening curses ever!

Lincoln: Yep, but the ones who are going to die are none other than Scott, Evil Jimmy Neutron, and Evil Sasuke. But for Obadiah Stane A.K.A. Iron Monger, we'll have him sent to The M.O.E. But, as for that idiot, Tim Buktu, even though his stupidity did reduce Anti-Monitor's military, he's still not getting out of this, and I've got a special punishment in store for him: he's going straight to Lynn's Table to not only be humiliation fodder, but he'll be the forced busboy of Lynn's Table taking orders from some of the more...difficult customers at the table with no breaks and no chances to escape, and I got a curse in store for him to make sure he behaves himself because if he doesn't, his life will be ended for good.

Me: YIKES!

Eli: Oh man...!

Lincoln: Yep. (Deep Sapphire Eyes turn Red) Better start praying, Buktu fuckers, not that will help you because nothing's going to help you, not even Darkseid. Your stupid stunt left me with stress and trauma two years ago and I almost wanted to kill myself, but you didn't realize the fact that I'm immortal and invincible! Now, I will see to it that I claim vengeance against your worthless hides!

WE GASPED! TEAM BUKTU, YOU ROYALLY FUCKED YOURSELVES THIS TIME!

Me: Oh God! Scott, Evil Jimmy, Evil Sasuke, and Tim Buktu just royally fucked themselves big time!

Nico: The fury of The Reincarnation of Amaterasu, The Descendant of The Mighty King Arthur, and Champion of Hinon and The Sun has been unleashed once again!

Me: Whoa. Nice thinking buddy.

Just then, we heard the sounds of fighting coming from Lego Poison Ivy's place

Youngblood: You guys hear that?

Harley Quinn: Sounds like a fight going on in Red's place here.

Nico: Let's check it out after Pied Piper, Black Spider, and Atrocitus join us too.

Me: Okay.

They arrived.

Atrocitus: We are ready.

Pied Piper: We sure are.

We went in to see the Lego versions of Deadshot, Copperhead, Captain Boomerang, and Killer Frost fighting Lego Poison Ivy, with Lego Harley being kept at a safe distance thanks to some vines.

Living Laser: Lego Ivy probably didn't want Lego Harley to get hurt

Harley Quinn: She sure does care about me.

Poison Ivy: That is for sure.

Me: Just like in our world that is one thing that never changes here.

Qin: Yeah.

Nico: Should we stop this?

Luan: We should and I have a fun and GASsy entrance!

We went at them.

Lego Harley: You won't hurt her!

Then a whoopee cushion appeared and landed.

Lego Killer Frost: What the?

But then...

LOUD MASSIVE AND EXPLOSIVELY POWERFUL FIERY FART!

Out of the flames of that fart came us and we punched Lego Deadshot, Copperhead, Captain Boomerang, and Killer Frost and bashed them down!

Me: WHEW! Someone REALLY cut the cheese in here!

Lego Catwoman: Team Loud Phoenix Storm!?

Me: In the fiery feathers Selena Kyle.

Lego Catwoman: That was funny. But cool.

Lego Catwoman jumped in too.

Lego Catwoman: What is going on?

Lego Captain Boomerang: (Australian Accent) Well, we just came in 'ere, and this Sheila went all-

Lego Catwoman: Save it! Ivy, you okay? Harley, did any of these fools tell you why we're here?

Lego Captain Boomerang: To take yah to the preas! We're gonna expose those new heroes!

Lego Harley Quinn: Wait, you believe me?

Lego Killer Frost: Yes. Of course. We found out those fakers are actually called the Crime Syndicate!

Me: Those fakers are our enemies Team Buktu.

Lego Captain Boomerang: Wait you mean those bloaks that caused you nippers grief back in 2022?

Me: That's them.

Albedo: My old teammates.

Lego Copperhead: So those were the people with the Crime Syndicate

Me: That's right Nathan.

Lego Killer Frost: Who are they?

Me: Well their leader is Tim Buktu, like the city Timbuktu in the Central African Republic.

Ben: But he's one of my enemies.

Qin: There's Scott, one of the Total Drama Sore Losers.

Lincoln: Me and my Guardian Angels have some choice words for him and then we're going to kill him.

Me: There's an Evil Sasuke here.

Lego Killer Frost: Evil Sasuke?

Me: An evil version of Sasuke Uchiha that hates my guts with a massive vengeance and also calls me a motherfucking cur.

Lego Killer Frost: NASTY!

Me: Yeah. Also there's Ironmonger.

Iron Man: One of my enemies.

Jimmy Neutron: And an evil version of me. He looks like me but his hair looks like devil horns.

Lego Copperhead: I see.

Nico: Now, why were you guys fighting?

Lego Deadshot: We went came here to calmly tell Ivy about what was going on. But Boomer here provoked her by stepping on some plants!

Lego Captain Boomerang: It was an accident!

Me: Now guys it was an accident.

Lilja: (Icelandic Accent) All of Pamela's plants are amazing.

She gave a giant venus flytrap a steak and it ate it.

Lego Poison Ivy: Who's the kid?

Fluttershy: Oh that's my daughter Lilja. I adopted her last year.

Me: Long story on that.

Lego Poison Ivy: She sure is cute and knows all about how to take care of plants like mine.

Nico: She has a true heart of gold.

Just then, two fireballs knock Lego Harley and Lego Copperhead down, causing Lego Harley to drop her box

Lego Deathstorm and Lego Grid flew in

Lego Deathstrom: We've been looking for you, clown! Ah, thanks for doing the hard work. (Grabs Lego Harley)

Me: Deathstorm! And Victor Stone A.K.A. Grid!

Lego Grid: That's right.

Lego Deathstorm: The famous Team Loud Phoenix Storm! Nice to see you all here.

Me: Let her go!

Lego Deathstorm: NEVER!

I teleported and kicked him! But he got away.

They then flew away

RD Lucy: That's not good

Lego Captain Boomerang: Well ain't that just a dingo's dinner!

Lego Deathstorm: Deathstorm to Ultraman... We've got the witness, bringing her to you. Over.

Lego Deadshot: We need to get her back!

Me: Don't worry.

Lego Harley woke up.

Lego Harley: What? OW!

Me: I put a shadow clone in her place. They are in for a nasty surprise when we face them.

Lego Harley: But the clone has my phone!

Lego Deadshot: We still need to follow them! That phone has the proof we need.

Me: That's part of a plan I made just now. It'll lead us to Deathstorm.

Nico: You really think exposing them will be that simple?

Lego Deadshot: Ok. Maybe it won't. But we still have to try!

Me: Remember you guys have me with the memory projection power?

Lego Deadshot: You can do that now? Awesome! Your version of Lex Luthor is really screwed.

Lego Deathstorm: HEY! Wait a minute!

We saw Deathstorm and Grid flying back to us

Lego Catwoman: Go! We'll hold them off.

Lego Killer Frost: Hope you've got a plan!

Lego Harley Quinn: I got a video on this phone that'll show the world who those phony creeps REALLY are!

Me: Awesome!

Nico: Next stop, the Rooftop Gala

I Teleported and grabbed the phone from the clone and then teleported back

Lego Harley: Great idea, Team Loud Buddies! That's the perfect place to announce it.

I detonated the clone.

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMMMM!

Me: It was a bomb decoy.

Nico: Clever.

We went there while Lego Catwoman and Lego Killer Frost held the two Crime Syndicate goons off

Griffin: If anyone wants to hop on my back, they can!

Lego Catwoman and Lego Deadshot did.

We went to the Rooftop Gala

Lego Harley: Alright! Let's get to that big TV an' show the world what those "Crime Bozos" are REALLY all about!

Lego Deadshot: Try and keep a low profile. There's still lots of security around.

Lego Poison Ivy: Ha! I'd like to see them and try and stop us! Let's go.

RD Clyde: With pleasure,

We were off.

Lego Deathstorm will be hurt for an hour. So that gives us lots of time.

Lego Captain Boomerang: (to Boomerang) So you use boomerangs too, huh?

Boomerang: (Australian Accent) That's right mate and it's great.

Qin: It sure is.

We got to the rooftop gala

Lego Deadshot: Heads up, guys! Incoming!

Boomerang: Well, fuck!

Police Officer: This is the Police! Stay where you are!

Lego Harley Quinn: Uh-oh! Looks like someone told 'em where we was headed!

Lego Poison Ivy: Nothing we can't hanlde, right?

Me: Stand down officers! They are with us and we're resolving issues going on here.

Officer: Team Loud Phoenix Storm!

Me: That's right.

Nico: (to the police Officers) Listen, can you guys pretend to be unconscious? Might as well give the Crime Syndicate what they want.

Me: We have our reasons.

They looked at each other and nodded and then fainted.

Me: Wow that was easy

Lego Deadshot: Okay, let's see if we can find a way to reach that elevator.

Lego Poison Ivy: Sure but what's all this stuff?

Lego Harley Quinn: Ohmigosh! I know this place! It's the set they use for that new TV show! The one about the scientist who swaps bodies with a dog...

Poison Ivy: Sounds right up your alley, Harley.

Lego Deadshot: Okay, okay. Let's try to stay on track until we're out of danger. Besides, I still need to catch up on last week's episode

Me: I agree.

Lego Captain Boomerang: Now, all we have to do is board the elevator, present the foorage, and we'll be done. What can possibly go wrong now?

Lego Copperhead: (facepalms) I wish you didn't just ask that

Me: Yeah.

Lola: Deathstorm is down for another 45 minutes.

Qin: Good.

Lego Copperhead: Unless someone else shook him awake.

Lego Captain Boomerang: Seriously, what can possibly go wrong now?

Nico: Yep.

Lincoln: Yep. The next akuma is coming and she is hot! Literally! Her name is Countess Scorched Earth. The Hypothetical Akuma of Volcana and she is a DEADLY force of intense fire and flames and heat! She has intense power over all things fire. She was made because of Lex Luthor intending to use her power over fire as a deadly weapon and vowed to kill him no matter what and burn him with the intense power of fire times 100,000,000,000,000

WE GASPED!

He showed a sketch of her and she was a spirit made of pure fire!

Me: WHOA!

The Lego DC Villains looked at us like we were crazy.

Lego Harley:...right.

Smithers: You don't believe us, do you?

Lego Poison Ivy: You have to admit it sounds farfetched when you say it out loud.

Lego Deadshot: Maybe it was Deathstrom you sensed.

Lego Captain Boomerang: (laughs) Or maybe the so called Akuma's under your bed!

Lego Copperhead: Ok. Let's recap events so far. The Crime Syndicate have taken control of this world, Team Buktu's helping them, and you're more worried about imaginary Akumas right now. Am I missing anything?

Me: Oh I don't know. Maybe... (Points to something) HER!

They looked and they saw her! COUNTESS SCORCHED EARTH!

LEGO COPPERHEAD AND CAPTAIN BOOMERANG SCREAMED LIKE LITTLE GIRLS!

Me: Believe us now?

Lego Copperhead: Okay we believe you!

She landed.

Countess Scorched Earth: Well well well. Look what we have here.

Jack O Lantern: Volcana? Is that you?

Lego Deadshot: (aims guns at her) Well, you got up earlier then expected, Deathstorm.

Countess Scorched Earth: Oh I'm not that pinhead.

She fired blasts of fire and melted his guns.

Countess Scorched Earth: Also yes it's me still.

Volcana: Wow you look amazingly hot. Literally.

Countess Scorched Earth: I know.

Lego Deadshot got spare guns.

Lego Deadshot: Good thing I carry spares.

Me: We've done this on a daily basis. It's pretty much mandatory for us. Been that way ever since last year.

Lego Deadshot: I see.

Larxene: You need to calm down.

Countess Scorched Earth: Not until Lex Luthor is dead.

Me: Get in line. I already called dibs on Lex Luthor. Besides I have the one power to use to get his crimes leaked to the public.

Countess Scorched Earth: Really? Well then.

She fired waves of intense fire and we absorbed it.

I fired waves of water and blasted her.

Larxene fired waves of lightning and electrocuted her.

Countess Scorched Earth: My turn.

SHE FIRED A MASSIVE BLAST OF FIRE AND WE ABSORBED IT AND GOT A MASSIVE BOOST!

I fired waves of water and knocked her out!

Lego Deadshot: Ok. Looks like you guys weren't crazy after all.

Me: We've been called Crazy all the time and seen and did lots of things.

Disk Wars Deadpool: Trust me, my fellow assassin. After so many chapters of this, we're never wrong about Akumas.

Lego Deadshot: (Confused) Huh?

Jamesdean5842: He means that things have always been like this in all chapters we did in our adventures made by us.

Lego Deadshot: Oh I see.

Me: That was Author me. He made all this.

Nico: Yep.

Grizzly: Ok, do you guys wanna do our entrance right now?

Nico: Sure. And if we can't expose the Crime Syndicate today, we should at least scan Deathstorm's memories for later use.

Me: Good idea.

We flew out, and we saw Lego Deathstorm trashing the city, but if that wasn't bad enough, we just saw those derogatory classless pieces of dog shit, Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora, and they're causing havoc and trying to kill Lego Deathstorm and all the people by using The Seal of The Orichalcos to suck out their souls!

Nico: Those pieces of shit! (To us) I'm talking about Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora.

Everyone: Oh, right.

Me: We got to get in there and send those derogatory classless piles of shit to The Black Abyss, they're gonna throw a monkey wrench in Lincoln's plan!

Lincoln: I refuse to let those derogatory classless piles of crud ruin my plan.

Lincoln: Okay.

Lincoln fired blasts of light that hit Lego Deathstorm along with Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora and that set Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora off as they got so pissed off, they started swearing and cursing! But, when they said something so horrendous, we covered our ears and mouths!

Me: OH MY GOD! THAT'S DISGUSTING!

Nico: OH MY GOD! THAT IS SO GROSS!

Maria: Classless, no-good, pieces of trash! Can somebody please tear them apart before we wind up sawing their balls off and shoving them down their throats?!

Suddenly, the spirits of the DC Heroes appeared and they attacked Lego Deathstorm, Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and landed, and it pissed off Lego Deathstorm, but it royally pissed off Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora.

Nico: Hello, you derogatory, classless, no-good, outdated piles of dog shit!

Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora growled angrily at us with fury and their red eyes were glowing with absolute hatred!

Ethan Mirror: YOU MOTHERFUCKING MONKEY BUTT!

Me: You kiss your mother with that mouth or do you use it to wipe her ass?!

Lincoln: J.D..., (Points to The Doom Raiders)

Me: Oops, sorry.

The Doom Raiders: None taken.

Lorelai Leviathan: You got some nerve showing up here even after we killed you derogatory, classless, no-good, outdated piles of dog shit 10,000 years ago after you helped Dartz unleash the horrors of The Orichalcos.

Ethan Mirror: And we showed no remorse, you stupid bitch! This pathetic world deserves to be destroyed and all the souls of mankind deserve to be devoured by The Great Leviathan!

Lincoln: You...shut up, Ethan.

Lynn: And since Lincoln got rid of Logan Leviathan, George Geh, Daniel Dexia, Adrian Aristeros, and Shiloh Shunoros, you guys are next.

Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora: FUCK YOU, BITCH!

Lori: You know, it's literally no surprise that heartless attitude you and your friends had towards your sisters and all of mankind that you ten bastards got killed by Lorelai and her friends 10,000 years ago, and she was right to do so, you ten were cold-blooded, blackhearted, hate-filled bastards who have no morals, no respect, and no sense of decency.

WE GASPED AT THE DEROGATORY WORDS THEY USED ON LORI: WHAT A BUNCH OF NO-CLASS LOWLIVES!

Me: YOU PIECES OF SHIT!

POW!

Lincoln punched them in the face.

Lincoln: Okay, that's it, time to die, Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora.

Lincoln fired a blast of Orichalcos Darkness at Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora and it hit them, and then, Lincoln began sucking out all of Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora' excessive negative energy and hatred along with all of Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora's powers of The Orichalcos and their powers of Orichalcos Mirror, Orichalcos Malevolence, Orichalcos Gigas, and Orichalcos Kyutora, and it flowed into Lincoln as his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln sucked out Ethan Mirror, Easton Mirror, Michael Malevolence, Gabriel Gigas, and Micah Kyutora's souls and he sucked out all the energy in their souls and he sent them to The Black Abyss and this time for good.

Lincoln: And good riddance, you derogatory classless pieces of trash.

Ah yes, taking you down.

Lego Harley Quinn: Now we'll show 'em! (to the audience) Good evening, ladies and germs! Listen up! The Justice Syndicate are a bunch of crooks! They're not heroes at all, and I can prove it. People of Metropolis... Prepare to the astonished, apalled and angered!

But when Lego Harley showed the contents of her phone, all it showed was the crime spree she and Lego Joker did a few days ago.

Lego Harley: (on the footage) We just stole some neato stuff previously procured by Wayne Tech. Mistah J and I love a good a-robbin'. Taking from all those suckers who are too honest to steal!

Lego Harley: Huh? That's not the video!

Squidward: Deathstorm must've deleted the video!

Ultraman arrived with the rest of the Crime Syndicate. Including Deathstorm, who just woke up 5 minutes ago.

Lego Ultraman: Just what do you think you're doing, Miss?

Lego Harley Quinn: You! You an' your team are no-good, imposter copy-cats!

Ultraman: No, Miss Quinn. We're the good guys, you're the villains! Putting all these good people at danger with your chaos and disorder. Why, I bet all this was just a distraction to steal from the fine folk?

Guy: Hey, my watch is missing?!

Woman: Oh my, they stole my necklace!

Guy 2: Urgh, my phone!

Guy 3: Booooo!

Guy: How dare she besmirch the good name of the Justice Syndicate?

Lego Johnny Quick, who stole said things, gave Lego Atomica a high five.

Lego Harley Quinn: Holy-frame-a-roly! Where's Mistah J when ya need him?|

Lego Deathstorm: (to us) You guys got a choice. Join us or be arrested with the rest of the bad guys.

Lincoln: (eyes twitching) You want us to be the bad guys? Fine. WE'RE THE BAD GUYS! (fires lightning at them)

Nico: (to Me) It might be better this way. Gives us time to get new evidence.

Me: Nico remember?

I teleported and grabbed Lego Deathstorm's head and projected all his memories into everyone.

Guy 1: WHAT THE JUSTICE SYNDICATE IS FAKE!

Guy 2: THOSE ROTTEN FAKES!

Guy 3: BOOOOO!

Guy 4: HOW DARE THEY BESMIRCH THE GOOD NAME OF THE JUSTICE LEAGUE?

Lego Ultraman: Oh, you mean the Monitor Orbs that made us do that stuff?

He showed the Monitor Orbs. Unknown to them, they were ones that ran out of power days ago. The People nodded in understanding.

Nico: Ok. Maybe they'll believe that right now! But the seeds of doubt have already been planted!

Lego Ultraman: We'll see. Deathstorm?

Lego Deathstorm: Right!

The Crime Syndicate teleported away as Deathstorm cracked his knuckles.

Lego Deathstorm: Time to feel the heat!

Vulture: (to the nearby people) I'll fly you all out of here while this fight's happening. While I'm doing so, you all have a choice to make. Believe us or the Crime Syndicate!

Nico: (to me telepathically) They might have done damage control this time. But now, the people are going to doubt their intentions.

Me: (To Nico telepathically) Give it time.

The people new we were right.

Man: WE BELIEVE TEAM LOUD PHOENIX STORM!

Man 2: YEAH! THEY ARE BETTER THAN THE JUSTICE SYNDICATE!

They agreed!

Black Spider: Amorpho, you should probably morph into someone to help me with this first strike.

Amorpho: No need to tell me twice.

As Black Spider and Amorpho charged at Lego Deathstorm, Lego Lois Lane approached us.

Lego Lois Lane: Hi. Team Loud Phoenix Storm? I'm Lois Lane. Can I ask you a few questions?

Nico: Sure. You can ask those of us not fighting right now.

Me: Certainly Ms. Lane. But try not to get caught in the crossfire.

I fired waves of fire and blasted Lego Deathstorm!

Me: You know Deathstorm, we never faced the Prime Universe version of you.

Black Spider charged at Lego Deathstorm.

Lego Lois Lane: Is it true? The Crime Syndicate are actually criminals?

Nico: Yes. It's true. How many believe us?

Lego Lois Lane: 25%.

It was rising fast.

It got to 45%

Me: 45% now. Off to a good start.

Nico: Not bad. But we need to make that go up. I got a job for you. We're gonna send you evidence of the Crime Syndicate's shady dealings with Team Buktu every day of this. And when it's time to expose them, you give this to the Perry White of this world.

Amorpho turned into a random newspaper reporter with black hair and blue eyes and blue clothes and a press hat.

Amorpho: Reporter Alvin A. Morpho at your service.

Me: Clever name.

Black Spider dodged Lego Deathstorm's blasts as Volcana fired her own flames at him.

Black Spider jumped and kicked him in the back of his head.

Volcana fired more waves of fire and blasted him all over.

I fired waves of lightning.

Me: YEAH! (Sees something on Lincoln) Wait Lincoln.

I made a clone and it went to Lincoln.

Me 2: Hold still.

It pulled off a transmitter on his neck!

Lincoln: (Groans) What happened?

Me 2: This was on you.

Lincoln saw it!

Anna Anyanova: That's an insanity transmitter!

Me 2: It must've been Wertz's backup plan in case his plan on me failed!

Lincoln: Oh man!

Me: It must've been set to activate when the video plan failed.

Lincoln: Maybe.

I crushed the transmitter!

Hydro Man: Time to put you out! (to Lego Captain Boomerang) It'll be safe to throw your boomerangs at him after that.

He fired waves water and drenched Lego Deathstorm and steam came off him.

Lego Captain Boomerang bashed him all over the place with his boomerangs!

Nebula: (to Lego Copperhead) Shall we?

Lego Copperhead: After you.

They both charged at him.

Nebula jumped and fired a barrage of lasers and blasted him all over.

Lego Copperhead blasted him with poison from his mouth and burned him.

Terresa Arachnos fired energy blasts and poison and burned him.

Timothea Timon: How do you like that you mook!

Electro: Let's do this!

Pied Piper: You read my mind!

They both charged at him

Electro fired waves of lightning and electrocuted him. Pied Piper played a flute tune and blasted him all over.

I used my water powers and made the illusion of water all over and Lego Deathstorm then felt something. THEN HE DOUBLED OVER WANTING TO GO TO THE BATHROOM!

Lego Deathstorm: OH DEAR GOD! NOW I GOT TO GO TO THE BATHROOM! I SHOULDN'T HAVE HAD ALL THOSE

GLASSES OF LEMONADE BEFORE THE FIGHT!

Nico: (sighs) Go ahead.

Lego Deathstorm then went to the bathroom.

UNZIPS FLY

Lego Deathstorm: AHHH!

Me: When you got to go, you gotta go!

Lego Lois Lane: So, what do you want to call this campaign against the Crime Syndicate and Team Buktu?

Nico: How about the Phoenix Resistance?

Me: Ooh nice.

Lego Lois: I like it.

He came out relieved.

Me: Feel better?

Lego Deathstorm: Much better.

Gigantamax Moltres charged at him and blasted him with intense fire!

Me: Yeah!

Lana bashed him on the head with a stop sign!

KRABLANG!

She then fired ice blasts and froze him.

Suddenly, the magic circle appeared in the skies as the spirits of the Clow Cards appeared. Then, he went after Lego Deathstorm and he fired extremely powerful blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels at him, and he whacked him on the head with his staff and used the powers of The Clow Cards and mangled him.

I went after Lego Deathstorm, and I fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, white, golden yellow, and blue heavenly flames, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals at Lego Deathstorm, and they exploded with incredible power as they hit him!

I also attacked him with my massive greatsword, and I mixed up my attacks with left hand punches, kicks, and whips from my 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and I let Fenrir attack him too.

Lego Deathstorm lost it and charged at me and fired blasts of fire at me, but I blocked his fireball attacks with my massive greatsword, and to our surprise, my massive greatsword's infinitely sharp and indestructible blade absorbed the fire blasts and it flowed into me!

Then, I also went wild on him by slashing her hard with my gold-armored dragon claws leaving scars on him. Then, I held out my left hand and fired ten massive balls of fire at Lego Deathstorm, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, I formed a massive blue fireball in my left hand and I threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at Lego Deathstorm with silver bullets from his guns and he blasted them with black and red, white, golden yellow, and blue energy blasts, stars, aura energy, white, golden yellow, and blue heavenly flames, divine darkness, blood, vampire bats, phoenixes, and angels, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at Lego Deathstorm as he was riddled with bullets as we all heard Caleb's wicked and insane laughter as he continued to shoot at Lego Deathstorm with darkness and malice. Caleb landed as the barrier came down.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF LEGO DEATHSTORM TO NO END! NOW, THE BATTLE TO TAKE DOWN LEGO DEATHSTORM AND PISS TEAM BUKTU OFF WAS ON!

Alecto Slytherin: No! No! I WILL NOT LET THIS HAPPEN!

Alecto Slytherin from his cage in the shadows tried to break out, but Lincoln also added in a spell that kept that piece of shit from breaking out as he got electrocuted!

Alecto Slytherin: (ENRAGED SCREAM) DAMN YOU ALL, TEAM LOUD PHOENIX STORM! I HOPE YOU, DARKSEID, AND TEAM BUKTU GET KILLED BY MY CLONES OF THE HYPOTHETICAL AKUMAS, YOU FUCKING MURDERERS! SAME WITH YOU AND THE OTHER VILLAINS, ANTI-MONITOR

It wasn't just us he threatened, but he also threatened Team Buktu, Darkseid, Anti-Monitor, and the other villains as well. We responded with these words.

Everyone on TLPS and The MOE: Oh, go jump off a cliff, you fucked-up snake!

WE HEARD HIM SCREAM OUT OBSCENITIES AND EXPLICIT DEATH THREATS AND PROFANITY LIKE A WATERFALL! WHAT A TOXIC WASTE DUMP! WHAT AN UNADULTERATED DUMPSTER FIRE OF TOXICITY! WHAT AN UNHINGED PSYCHOPATHIC MONSTER!

Lincoln, Volcana, Nico, and I and the rest of us went after Lego Deathstorm and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Lego Deathstorm, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly

superhuman strength, and this really pissed Lego Deathstorm off even more.

Suddenly, Lincoln's massive white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his massive white angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind him and a massive halo of gold energy with intricate designs formed above his head with intricate designs.

And my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large rainbow angel wings underneath my enormous rainbow angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind me and a halo of gold energy with intricate designs formed above my head with intricate designs, and they formed into a purifying field that hits Lego Deathstorm and we all found ourselves not only in Heaven, but also, in space.

Nico: Never gets old!

Mudkip: Now I'm part of the bandwagon!

Qin: You sure are!

Mysterio summoned Heartless robots. He summoned Fire Core Robots!

Me: Fire Core Robots! Nice choice.

Yusei: I agree.

Mysterio; Thanks

Lego Deadshot fired at the chandelier above him

BANG!

It broke it off and then...

KRASMASH!

It crashed onto Lego Deathstorm!

Me: (LAUGHS) That was funny! That happened to the Three Stooges all the time!

Moe Howard: Yeah those were the days.

Nico: Yeah! Oh!

Nico grabbed Lego Deathstorm and shoved his face in his butt!

Nico: FIRE IN THE HOLE!

Then...

MASSIVELY EXPLOSIVE AND ULTRA SUPER NASTY HORRIBLE LOUD FART!

MASSIVE AND INTENSELY POWERFUL FIERY EXPLOSION!

WE LAUGHED AT THAT!

Nico: Sorry I ate a bunch of Nuclear hot spicy bean cheese burritos covered in J.D.'s hot sauce for lunch.

Lego Deadshot: I know that seemed painful. But in fights like these, we have to use the area to our advantage!

Me: He's right on that. And we also are known for causing all kinds of pranks and fun.

Lego Deadshot: That is true,

Lego Deathstorm: I heard.

Then Vypra, Loki, Deadwood, Magma, Oculous, Black Lance, Samon Shakekisutanchin, Ryugu Tamatebacco, Villamax and Whiger came.

Nico: Vypra, Loki, Deadwood, Magma, Oculous, Black Lance, Samon Shakekisutanchin, Ryugu Tamatebacco, Villamax and Whiger.

Vypra: Funny gags there.

Lego Deathstorm: Looks like I'm joining you guys soon.

He sat down and then...

LOUD NASTY HORRIBLE FART!

Lego Deathstorm: WHOA! Excuse me!

Vypra pulled out a whoopee cushion!

WE LAUGHED HYSTERICALLY!

Vypra: Couldn't resist.

Lego Deathstorm: (Sarcastically) Ha ha ha very funny.

Luan: Didn't know you had a pranking side to you Vypra.

Vypra: I just like having fun.

Loki: So, all we have to do is find more evidence of the Crime Syndicate's dealings with Team Buktu. Shouldn't be too hard.

Lego Deathstorm: Good luck finding said evidence!

Deadwood: Challenge accepted.

Me: Always up for some fun.

Magma: (to Nico) We heard you fought evil versions of the Superfriends Legion of Doom.

Nico: We sure did.

Villamax: (to Wes) You should take care of that Mudkip

Wes: I will.

Smokescreen of Dino Charge came.

Me: Smokescreen. Up for another round?

Smokescreen: You bet I am.

Me: Sweet!

Maria: Oh before I forget. (TURNS DIAL) JAKKU SCAVENGE FORCE!

She summoned Unkar Plutt, K, Z and L, Jormungandr, Palladium, Gasmist Swimmer, Flea Mutant and Toxic Puffer.

Maria: I didn't want to forget.

NIco: I suggest you don't fart here! Deathstorm's flammable!

Me: Yeah it's true. Still funny though.

Smokescreen: I can see that. But all those pranks were really funny!

Qin: They sure were!

Varie: Yep.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway

Luan Loud, Gorillamon, Tony Jones, Black Vulcan (Superfriends), Dazzler, Luz, Lightning Lass, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, William and Shego VS Vypra, May Kanker, Chumbot, Tranceferer, Asmodeus (Gokaiger), Evil Tim, Grand Witch Grandiene and Universe 666 Queen of Hearts (Theme including Gorillamon) - The next rescue was rescuing Isabella's sister and battle an evil version of the Superfriends Legion of Doom on the planet Lunradias

---

Vypra was first.

Vypra: (to Luan) The next rescue was rescuing Isabella's sister. And Nico battled an evil version of the Superfriends Legion of Doom on the planet Lunradias.

Luan: Yeah this was a really amazing battle! We had an amazing battle against them. Like how the Powerpuff Girls did it, we bashed their faces in and beat them all like it was no problem.

Gorillamon: That was so awesome!

Tony Jone: It sure was! I still can't believe they got the Powerpuff Girls name wrong back then! The Powderpuff Girls! How stupid is that!

Vypra: That is pretty dumb! And I heard that J.D. used Superfriends Lex Luthor's words against him too.

Twilight Sparkle: He sure did! He said there's a K in the word Kill and he said to have us kill them all!

Stellar Sparkle: Yeah that was really awesome!

Harmony Sparkle: Yeah it was!

Starshine Sparkle: I agree there and it was fun.

Spyro: We showed no mercy on them and J.D. threw a ball of fire and incinerated Scarecrow there.

Vypra: (LAUGHS) Like how to set a Scarecrow on fire.

Luan: Yeah! That one sure drew Straw to doom! (LAUGHS) Get it?

They laughed!

Vypra: That was a good one! Lets do it!

Luan used Vypra's Sentai Ring and got her sword and they clashed! Sparks flew all over the place and it was intense! Then they fired waves of light and magic and smashed them down.

---

Loki was next.

Loki (to May): The Anothers were the gene-slammers of Lancephorynchus and Icebergodon. Nico, Brainstorm's team, Trapdoor Crab's team, and the others did good battling them.

May: Boy they sure did! Everyone had fun on that one. We also met the gene-slammers of Mega Copperajah and Mega Dewgong. They were Zoey Hidari who was Kamen Rider Elephant and Aurora Hidari who was Kamen Rider Aurora.

Loki: WHOA! That is awesome!

May: It was! Also we met the next underground monster. Her name was Terresa Arachnos and she comes from a family of Spider Scientists.

Loki: WHOA! What kind of creature was she turned into?

May: Shanan said she was turned into what's called a Latrodecean Vampwidow. They are bloodthirsty Arachne spider aliens from the distant alien planet of Latrodeces and they are VERY VOLATILE and dangerous creatures that also have a DEADLY poisonous bite that is strong enough to kill over 500,000 people.

THEY GASPED!

Loki: WHOA! That is lethal!

May: I know! Also they are deadly fighters too. They also spit highly corrosive poison that is strong enough to dissolve even the strongest of metal. It burned down 40 trees instantly!

Loki: WHOA! That would not feel good on your skin!

Gradius: Yeah it would dissolve your entire arm off!

Kwame: But it was good we cured her.

Sunset Shimmer: It sure was!

Firestorm Shimmer: No kidding there. I'm just glad that she was cured too.

Sunset Shimmer (G5): So are we.

Pipsqueak: (British Accent) I know and that was cool.

Chalcanthite Aurora: (British Accent) That is for sure.

Sunburn; You got that right.

Loki: That is intense! Lets do it!

May used Loki's ring and fired waves of lightning and blasted him all over. Then they fired waves of fire and ice and smashed them down.

---

Deadwood was next.

Deadwood (to Jonny): I heard Lincoln's rescue was in Saudi Arabia. He battled a clone of Devil Gundam Omega and the Dark Erase Card.

Johnny 2X4: He sure did and this was a clone of Allenby's Akuma! She was made because of the Atrocities of Ulube and not only vowed to kill him but also to destroy the Earth! COMPLETELY!

THEY GASPED IN SHOCK!

Deadwood: Oh man! That is intense! Ulube REALLY Crossed far beyond the Moral Event Horizon with his crimes.

Pantha: Yeah no kidding there!

Wynn: Yeah that was nuts!

Applejack: Eli hates that monster Ulube just as much as Jared does.

Emily Douglas: He has no honor!

Apple Star: No he doesn't!

Wolf Moon Bloom: I agree there! He got what he deserved.

Apple Bloom: Big time!

Flashwing: Yeah that was nuts!

Deadwood: No kidding there! Lets do it!

Johnny used Deadwood's ring and fired acorns and energy and they fired waves of earth, rock, mud, boulders, meteors, lava, crystal, dust and apples and smashed them down.

Koji: May, Mizore, Izzy Moonbow, Pipp Petals, Thumpback, Flip Wreck, Echo, Lob Star, Launch Octopus and Dive Man and they went after Chill Bill and the Evil Water Minions. It was cool.

Steelix: We faced them in the Phoenix Sanctuary and J.D. loved that place because it was like a giant birdhouse and bird nursery for Phoenixes.

Ziggy Grover: It sure was awesome.

Magma: WOW! That sounds like an interesting place.

Rarity: Oh it was absolutely magnificent darlings. Everyone got to meet the phoenixes there and they were pretty. Even Princess Celestia thought it was beautiful because of how she loves her Phoenix, Philomena.

Erica Tala: Yeah and it was amazing too. It's also the reason why J.D. picked the symbol for the team because it represents fire, immortality, reincarnation, resurrection, renewal and rebirth. Out of the ashes comes good in a new life of fire.

Magma: That is true!

Sapphire Ocean: We had the Phoenix Sanctuary moved to the Gotham Royal York Zoo after that and everyone loves seeing it. It got very popular in just a few hours.

Rarity (G5): It most certainly did.

Dioptase Angel Belle: Yeah and Rarity trapped Chill Bill and the Evil Water Minions in Water Traps.

Sweetie Belle: That was awesome!

Gill Grunt: It sure was.

Magma: WOW! You guys had a lot of fun on that one! Lets do it!

Koji used Magma's ring and fired waves of lava and blasted him and then they fired waves of water, ice, jewels and lightning and smashed them down.

Oculous (to Tommy): You guys were battling the Akuma of Bambi. He looked like THE ONE FROM BAMBI THE RECKONING!

Tommy Himi: HOLY CRUD THAT WAS SCARY! He was a REALLY OUT OF CONTROL one! He just appeared out of nowhere and we were shocked to see that it was Bambi who was turned into an exact carbon copy of the real thing from the upcoming movie for it! That was awful! He was made because of hunters killing his mother and he vowed to destroy all humans to get revenge on all the people for killing his mother!

THEY GASPED!

Oculous: Oh man! I know how much murder destroys lives but this is Vengeance on a whole new level! He wants to kill everyone!

Ultimate Cannonbolt: Yeah and it was during Luna, Samurai Jack, Marina and Hikaru's bonding time too! This version of Bambi was completely out of control! He was destroying cars and killing people left and right!

Luna Lovegood: (British Accent) He was savage and bloodthirsty as the Blood and Honey versions of Pooh and friends!

Mascos: (Offscreen) LOOK AT IT!

Rainbow Dash: Even Bambi couldn't believe he would turn into this! He was sad because of that! We had to put that Akuma in the Book of Vile Darkness to get him to calm down! I would hate to imagine if there were monsters like that for many of the Disney Characters and others! Also we met a Mega Lugia gene-slammer. Her name was Vierra Shindai and she is really awesome! She is Ryoga and Reika's sister and is amazing with the powers of time.

Comet Thunder: No kidding! That was intense!

Sprite Thunder: It sure was! We were amazed ourselves.

---

Samon Shakekisutanchin was next.

Samon Shakekisutanchin (to Power Pack): Lego Deathstorm is first for this. He and Lego Grid brought Lego Harley to

Lego Ultraman earlier.

Zero G: They sure did and it was really awesome. Lego Lex Luthor called us earlier and told us something was going on.

Lightspeed: Yeah and we have a feeling that Team Buktu is making its move. J.D. told Lady Tsunade to stand by for the apprehension of the last Evil Sasuke. Nico's friends brought all the Uchiha responsible for their little rebellion and told her to wait.

Sirenoid: But yeah we're facing Lego Deathstorm first and he is really intense.

Metamorpho: I agree there.

Pinkie Pie: We're excited for this. But we're not putting some of the members of the Lego Villains here into the M.O.E. Yet.

Maud Pie: (Monotonously) We're putting tracers on them to track them.

Citrine Pie: Yeah we sure are!

Pinkie Pie (G5): Lincoln said it's all part of his plan.

Ryugu Tamatebacco was next.

Ryugu Tamatebacco (to Mera): Volcana's Akuma is a spirit made of pure fire! What can she do?

Mera: Well her name is Countess Scorched Earth and she is a REALLY DANGEROUS FORCE of fire. She is a DEADLY force of intense fire and flames and heat! She has intense power over all things fire. She was made because of Lex Luthor intending to use her power over fire as a deadly weapon and vowed to kill him no matter what and burn him with the intense power of fire times 100,000,000,000,000!

They gasped in shock!

Trick Shot: WHOA MAN! That is brutal! I don't blame her one bit for wanting to burn Lex Luthor to death like that.

Blaziken: Me neither! J.D. said it was because of a project he did for that called Project Firestorm. It was intended to use Volcana as a weapon of fire to destroy the Justice League and Superman!

Ryugu Tamatebacco: That's insane! That's like what they tried to do with Charlie McGee!

Ms. Spell: Yeah no kidding except on a much worse level! I have a feeling that Project Firestorm was funded by Lex Luthor and she was going to be used as a weapon of war.

Ryugu Tamatebacco: It's highly possible. I don't know what her parents were thinking selling her off like that but they should have been careful about that!

Starlight Glimmer: I agree there! Claire Selton is a human being that was given awesome power and she is also a great hero too!

Moonlight Glimmer: Yeah that is right! And Argent helped her realize that she can be something great for the good of humanity.

Starlight Glimmer (G5): And she has been on the path of redemption before the team even started.

Cozy Glow: I agree there!

Raven Bishop: You got that right!

Hex: Yeah no kidding there!

Ryugu Tamatebacco: We're going to have to find out more about this Project Firestorm and disband it ASAP. Lets do it!

Mera used Ryugu's ring and fired an energy Oarfish blast and they fired waves of energy, bones, blood, ghosts, skulls, tombstones, lightning, magic and stars and smashed them down.

Wes Collins, Lt. Surge, Edwayl Mauroriane, Sarah Gilgamesh, Ingenica, Kassia, Anaitis, Princess Celestia, Dawn Eclipse, Princess Celestia (G5), King Solar, Solar Eclipsa, Amber Morning, Light Skylanders, Amorpho and Ember VS Villamax, Garble, Dwarfstar, Psycho Yellow, Piecemeal, Garbage Mouth, Whiger and Dagnino (Theme including Lt. Villamax: (to Wes) Lego Deathstorm is just number 1. There's probably going to be 11 more for this series of adventures.

Wes: I have that feeling too. This is gonna be a really amazing adventure.

Lt. Surge: I agree there myself. We're in for a wild ride.

Edwayl: (Breton Accent) Aye and this will be good lads.

Princess Celestia: We're really excited for this.

Dawn Eclipse: Whatever Team Buktu has planned we're ready for them. But Lincoln used an amazing and terrible curse on them. It was called NEMESIS' DEATH JUDGEMENT OF THE DAMNED, it's a special curse that he created only for those who would dare to slander Team Loud Phoenix Storm and make them look bad, and this curse is one of the deadliest of all curses, because The Scales of Vengeance will appear surrounding them, and for each act of slander and defamation they commit against us, The Scales of

Vengeance will begin to tip to the left representing Guilty, but here's the catch: a black flame will appear on both scales because of the amount of sins they'd committed and because they showed no remorse, that makes the black flame grow stronger. But, here's the deadly part of the curse, the black flame will start to suck out their energy and start draining them of their life forces, and the Monitor Orbs on their foreheads will start to strain themselves trying to replenish their energy and restore their life forces, and once they are defeated and the scale on the left representing the guilty and all their sins falls to the floor, then the black flame will grow even stronger and drain them completely dry of their life force and energy making the flame grow bigger and stronger until they are reduced to being a desiccated mummified corpse drained of their lifeforce, and Lincoln will then absorb the flame into my body thus absorbing the drained life forces and energy.

THEY GASPED AND SCREAMED LIKE LITTLE GIRLS!

Villamax: THAT IS SCARY!

Princess Celestia (G5): Yeah it sure is! But it'll be awesome to see in action!

King Solar: Lincoln is REALLY prepared for this.

Solar Eclipsa: Yeah no kidding there! That is intense!

Amber Morning: You got that right!

Spotlight: I agree there!

Villamax: Holy crud! Lincoln is REALLY prepared for this! Lets do it!

Wes used the ring of Villamax and blasted him with red energy blasts. They fired waves of energy and light and blasted them all over and knocked them down.

---

Whiger was next,

Whiger: (to Dante) We're going to trace all of Team Buktu to know where they are going and how. I hope the tracer for Deathstorm doesn't get melted.

Dante Vale: Don't worry, Lincoln took all the precautions for it. Lincoln made them completely heat proof and magic proof and element proof. Also they can go invisible so they can't be detected.

Wall of Fire agreed too.

Konan: Yes and we're ready for this too.

Princess Luna: Team Buktu is not going to slander our good name ever again. That's what lead to Lincoln almost wanting to kill himself because of all that!

Dusk Eclipse: I agree there! Scott had some involvement in it too.

Princess Luna (G5): Yeah that is for sure!

Moondust: But this time we're ready for them.

Snowdrop: Scott is going to pay for it all.

Gari: They all will.

Blackout: Yep.

Whiger: I agree there. Lets do it!

Dante used the ring of Whiger and fired Tiger Blasts and they they fired waves of darkness and blasted them down.

Apple Bloom: We sure had a really fun time on that!

Numbuh 1: It was really fun.

Numbuh 362: That was one of the most fun ever.

Prohyas: You got that right!

Vembre: (British Accent) We all had a good time on that.

Zange: It sure was fun.

Witchy Simone:Yeah it was!

Frozen Fright: Good! Lets do it!

They fired waves of energy and blasted him down.

Lincoln: But, we're ready for more, and with my curse on Team Buktu, those slanderers are gonna pay big time. Now, there's one last thing to do and one last loose end to tie up: Otoma-Raga.

We then turned our attention to Otoma-Raga who's still trying to get out, but couldn't.

Time to die, you evil goddess.

Lincoln, Ellie Mirror, Nico, and I went after Otoma-Raga, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Otoma-Raga, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Ellie Mirror did the same by firing black and red, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Ellie Mirror, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Otoma-Raga even more angrier than ever.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Otoma-Raga and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Otoma-Raga and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 60'9" massive, wide, double-edged gold blade of his massive greatsword.

Then, when Lincoln was done and the stingers changed back, nothing was left of Otoma-Raga and he also sucked out all the energy remaining in her soul and Otoma-Raga was sent to The Black Abyss and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and Ellie Mirror's new body, clothes, weapons, jewelry, Third Eye, 100 massive and long black wolf tails, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded red gems behind the gold rings behind her head, one-hundred large black and red planets orbiting around her legs, one-hundred smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and red planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Ellie Mirror: It's over for you, Otoma-Raga, and to this we say good riddance. Thanks for helping me get rid of Otoma-Raga, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Ellie.

Me and Nico: Our pleasure, Ellie.

Suddenly, Ellie Mirror wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ellie Mirror's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Ellie Mirror sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Ellie Mirror: And that's it for my brother's contingency plan, and he and those other cronies are now dead and gone forever.

Me: That's for sure, and that's pissed Alecto Slytherin of even more. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage appear: it was the crest of the Laval Duel Monsters with a phoenix and in the crest is Laval Judgement Lord.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Laval Judgement Lord.

Selene Arcangela: I knew it was them: The Volcanic Laval Masters of Courage.

Me: Whoa! And who are they?

Anna Anyanova: They're a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned.

Nico: Yikes! If anyone crossed them, they were going to get burned.

Me: In a big way, but man, they really are powerful! So, Lincoln, who's the first we're meeting tomorrow?

Lincoln: That would be Adara Vulcania, Avatar and Gene-Slammer of Laval Judgement Lord.

Anna Anyanova: I knew it was her, and you guys are going to love meeting her. Adara Vulcania, Avatar and Gene-Slammer of Laval Judgement Lord, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Judgement Lord. She's The Volcanic Lava Judgement Master and the leader of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Adara Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Judgement Lord, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Judgement Lord, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Adara Vulcania hates Lori with a burning passion, and she swore if she ever saw Lincoln in a bad condition because of her, she was gonna burn that psychopathic control freak bitch big time and she even got back at Lori by shoving Low-Cal Bean Chips down her throat, but she added in chili powder into them, and Lori wound up getting her mouth burned big time!

Nico: She did what to Lori?! Oh man!

Me: Oh, I remember that all too well, and it's bad enough Lori eats those things, but putting in chili powder as well, that's a recipe for disaster!

Lori: But, they are so...!

WE GROWLED AT LORI WHO GOT EMBARRASSED!

Nicholette Torrington: That's why Lincoln imposed a lifetime ban on those things and he also had measures taken to make sure you didn't try to sneak any of them into The World Tree Estate, Lori!

Lola: That's right, not to mention we had to keep an eye on you whenever we did some shopping at the supermarket.

Lincoln: Lola's right.

Lanaia: I always knew about that little problem Lori had, and that you put in that lifetime ban on those Low Cal Bean Chips, Lincoln. Honestly, I should've done that years ago before I left for college.

Me: I see.

Lincoln: Nice going! You let him escape!

Larxene: (smirks) Precisely. I LET him escape.

Larxene held up a tracking device that had Lego Deathstorm's face on it.

Lincoln: Oh right I forgot about that.

Oculous: I get it. You put a tracer on him.

Black Lance: That way, we can track their every move.

Lincoln: So, all we have to do is repeat this several times? Better hope you guys don't blow it.

Lincolm then stormed off.

Lego Poison Ivy: Is Lincoln okay?

Ryugu Tamatebacco: He'll be fine. It's just that Team Buktu brings back bad memories for Lincoln.

Villamax: But not bad working with us!

Lego Deadshot: Thanks! Should we expect more of this?

Whiger: You should.

Samon Shakekisutanchin: I'll make salmon for dinner!

Laney: That'll be perfect with the venison steaks we're having.

Nico: Yep. Great job everyone. I'll talk to Lincoln about this later.

Volcana: (To the viewers) Well another awesome saga is underway.

Me: Yep.

We went back to the estate.

We returned home and had an amazing dinner, and hours later, night fell on the city, and Lincoln's harem and

Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, we defeated Lego Deathstorm and Linky put that tracer on him.

Anna Anyanova: Now, we can go after one of Team Buktu's members tomorrow, and with Linky's curse on them, we'll see it in action.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in an orange speedo and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Erase Card, but tomorrow, I got a feeling we're going to take on the dark version of The Glow Card, this thing caused a lot of trouble for Sakura, but we're ready for it.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on, and so was the big war against Team Buktu and Darkseid, and we'll make sure those monsters pay for their crimes with their lives.

DC SUPERVILLAINS PART 2

Part 2 - Arkham Asylum

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a pink planet of magic and genies in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters and had incredible superhuman strength, but had immense powers over protein rich steaks and meats, fire, flames, and the ability to grow even stronger and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and they imprisoned themselves inside a well where their souls remain imprisoned to this day, but they had a vision: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of their male warrior angels imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix.

Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Steakariana, a planet of meat in The Forbidden Zone that was inhabited by powerful warrior angels called The Steakarians, the males were not only natural born fighters, but had immense superhuman strength, immense powers over protein-rich steaks and meats, fire, and flames, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Steakarians, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: Whoa! A planet of protein rich steaks and meats, now, this is something I got to check out!

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Steakariana once inhabited by The Steakarians, but were defeated by The Infernairans eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun is infinite-times hotter and brighter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city with magic and power.

Lincoln landed on the planet and his rainbow energy aura exploded as he grew stronger.

Lincoln: Wow! So, this is Planet Steakariana, this is so awesome!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Steakariana and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a pink gem surrounded by genies and angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of red souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Steakariana.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Steakariana then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their immense superhuman strength, immense powers over protein-rich steaks and meats, fire, and flames, and the ability to grow even stronger, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and red aura with steaks surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their immense superhuman strength, immense powers over protein-rich steaks and meats, fire, and flames, and the ability to grow even stronger and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Steakariana, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at more than 999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Steakariana itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Steakariana's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Steakariana have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger and he went Full Heat Nirvana.

Then, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Uh oh, looks like someone's now really REALLY aroused.

Then, he kissed all of them passionately on the lips, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate?! (Realizes what happened) You're in Full Heat Nirvana and you're now even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then.

It was 1:11 AM and I was asleep. But I was having a REALLY TERRIBLE NIGHTMARE!

In my dream I was seeing how Princess Luna became so resentful of Celestia her own sister. I saw a malevolent spirit go into Luna and it made her into Nightmare Moon

Luna:

Beata Maria (Blessed Mary)

You know I am a righteous man

Of my virtue I am justly proud

Priests:

(Et tibi Pater (And to you, Father))

Luna:

Beata Maria

You know I'm so much purer than

The common, vulgar, weak, licentious crowd

Priests:

(Quia peccavi nimis (That I have sinned))

Luna:

Then tell me, Maria

Why I see her dancing there

Why her smoldering eyes still scorch my soul

(She felt as if Celestia was mocking her very existence and tormenting her)

Priests:

(Cogitatione (In thought))

Luna:

I feel her, I see her

The sun caught in her raven hair

Is blazing in me out of all control

(JEALOUSY WAS MAKING HER A DEMON)

Priests:

(Verbo et opere (In word and deed))

Luna:

Like fire

Hellfire

This fire in my skin

This burning

Desire

Is turning me to sin

It's not my fault

(Mea culpa (My fault))

I'm not to blame

(Mea culpa (My fault))

It is the gypsy girl

The witch who set this flame

(Mea maxima culpa (My greatest fault))

It's not my fault

(Mea culpa (My fault))

If in God's plan

(Mea culpa (My fault))

He made the devil so much stronger than a man

(Mea maxima culpa (My greatest fault))

Protect me, Maria

Don't let the siren cast her spell

Don't let her fire sear my flesh and bone

Destroy Celestia

And let her taste the fires of Hell!

Or else let her be mine and mine alone

(She promised to either kill her own sister or banish her from Equestria for all eternity in disgrace and destroy everything she did)

Guard: Princess Luna, Celestia has escaped.

Luna: What?

Guard: She's nowhere in the cathedral.

She's gone.

Luna: But how? I... Never mind. Get out, you idiot! I'll find her! I'll find her if I have to destroy all of Equestria!

Hellfire

Dark fire

Now gypsy, it's your turn

Choose me or

Your pyre

Be mine or you will burn

(THUNDER CRASHES AND LIGHTNING STRIKES)

(Kyrie Eleison (Lord have mercy))

God have mercy on her

(Kyrie Eleison (Lord have mercy))

God have mercy on me

(Kyrie Eleison (Lord have mercy))

But she will be mine

Or she will burn!

(INTENSE THUNDER CRASHES AND LIGHTNING STRIKES)

I HAD INTENSE WAVES OF FEAR SURGE DOWN MY SPINE AS I SAW PRINCESS LUNA GOING TO KILL HER OWN SISTER AND END HER REIGN SO THE NIGHT CAN LAST FOR ETERNITY!

I then woke up and screamed in fright!

Me: (SCREAM IN FRIGHT!) (HYPERVENTILATING!)

Varie: J.D.!

Celica: Honey!

Ymir: Oh my god! Are you alright!?

Me: (Crying) Princess Luna! I saw a malevolent spirit go inside her and it made her that!

Ymir: Tell us what happened!

Me: (Sniffles) Okay.

I did so.

They gasped!

Varie: Maybe that dream was trying to tell you who did it.

Me: Hmm. Let me see here.

I used my powers and looked around my memories of the dream and saw where the spirit came from! It was from a hooded cloaked figure that had piercing red eyes and I saw a familiar cutie mark on her!

Me: (GASP) (GROWLS) OPALINE ARCANA! She made Luna into Nightmare Moon!

THEY GASPED IN SHOCK AND HORROR!

Adagio Dazzle: That monster!

Sonata Dusk: The very monster that turned us into the Sirens made Luna into Nightmare Moon!

THEY WERE SHOCKED AND ENRAGED!

Aria Blaze: When Princess Luna and Princess Celestia hear about this they are going to be MASSIVELY INFURIATED to the point where the sun and moon explode!

Me: Whoa that's a little too intense.

Aria Blaze: You're right.

We went back to sleep.

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another one The Infernairans terrorized! Damn.

J.D. 2: Oh man, I remember Steakariana, it was an awesome planet of protein-rich steaks and meats and fire.

Nicole: (DROOLS) Oh man, that's awesome!

Lincoln's hands glowed red and our breakfasts glowed, and it made them even more stronger than ever, especially when we took a bite.

Nico: WOW! That's so awesome! You literally made our breakfast even more stronger than ever, Lincoln, awesome!

Lincoln: Now, if only there were a planet of spinach and veggies.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) Oh, that'll no doubt be a possibility, Lincoln, especially with the dreams you've been having.

I was at the table and really tired and sleepy.

Me: (YAWNS)

Nico: You look really tired J.D. Are you okay?

Ymir: J.D. had a REALLY horrible nightmare.

Nico: Oh man. What was it about?

Me: I saw who it was that turned Princess Luna into Nightmare Moon eons ago.

THEY GASPED!

Nico: Wait I thought it was a nightmare spirit that did it.

Me: Yes but I saw who it was that summoned it.

Nico: Oh.

I told them everything and how it was Opaline Arcana that did it!

THEY GASPED IN UTTER SHOCK AND HORROR AND DISBELIEF!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Eli: ARE YOU FUCKING SERIOUS!?

Lincoln: OPALINE WAS BEHIND IT!?

Twilight Sparkle: THAT MONSTER MADE PRINCESS LUNA INTO NIGHTMARE MOON!?

Qin: UNBELIEVABLE!

Lola: And because of her Celestia banished her own sister to the moon for over 1,000 years!? THAT IS ABSOLUTELY PURE EVIL!

Princess Celestia and Luna appeared and they had looks of utter shock and horror and rage and disbelief on their faces.

Princess Celestia: Is it all true J.D.?

Princess Luna: Did she do that to me?

Me: I wish it weren't. But everything I saw was ALL true.

Natilee showed her sketch the proof of it was ALL right there.

Me: UH OH!

Nico: HIT THE DIRT EVERYONE!

WE DUCKED AND COVERED!

Princess Celestia and Luna's faces then contorted with absolute rage and fury and then...

THEY ROARED IN EXTREME AND INTENSELY EXPLOSIVELY POWERFUL FURY!

IT WAS A ROAR THAT WAS SO EXPLOSIVELY LOUD THAT STORM CLOUDS OF INTENSE POWER APPEARED WITH LIGHTNING STRIKING EVERYWHERE! THE GROUND SHOOK INTENSELY VIOLENTLY AND BUILDINGS AND MOUNTAINS AND CLIFFS SHATTERED INTO DUST! TORNADOES OF WATER WENT UP INTO THE SKY! GLASS SHATTERED EVERYWHERE!

WE COVERED OUR EARS!

Goku: MAN THAT IS LOUD!

Vegeta: WILL SOMEONE SHUT THEM UP!

They calmed down!

Princess Celestia: (IN INTENSE RAGE AND FURY) YOU MADE ME HURT MY SISTER OPALINE!

Princess Luna: WE WILL NEVER FORGIVE YOU FOR THIS! FOR EVERYTHING YOU DID TO ME AND TIA!

WE GULPED! When the prophecy comes, Opaline Arcana is really going to feel their wrath

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was a young girl by the name of Liliana Hyrule, and she's in Hyrule fighting Ganondorf.

Lincoln: (Gasps) She's there, we found her!

Me: Who's her?

Anna Anyanova: That's Liliana Hyrule, Keyblade Knight of Hyrule, she's Lincoln's Guardian Angel from Hyrule, and she's a deadly and powerful force of nature. She's The Keyblade Knight of Hyrule and she's a powerful master of the powers of the Triforce and beyond and she's also Princess Zelda's twin sister. Liliana Hyrule moved came to Royal Woods and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, she taught Lincoln everything she knows and how to master all the powers of the Triforce and beyond, and over time, Lincoln gained all the powers of the Triforce and beyond, and she also helped him really bulk up big time in muscle and she knew he was a True Alpha Werewolf-Vampire-Cyborg Hybrid and more than once, Lincoln came home covered in kisses with his tails wagging. Lincoln made her an awesome Keyblade, and she kissed him on the lips, and as a result, when he comes of age, he promised he'll marry her along with the rest of his harem, and she hated Ganondorf for everything he had done and swore to make him pay for his crimes!

WE GASPED!

Nico: WHOA!

Me: She's really powerful, especially if she's giving Ganondorf quite the thrashing. But, we need to head over there and give her another helping hand.

Lincoln: You said it, and we're not going to kill him, we're sending him to The M.O.E., after all, he is part of The Super Smash Bros. roster. Alright, let's finish breakfast and head to Hyrule.

Nico: Right.

We finished breakfast, and we headed to Hyrule to help Moonlight Raven unlock her Rainbow Power and take down Ganondorf and send him to The M.O.E.

Me: (YAWNS) This will be awesome.

Qin: It sure will.

Xenia: I just can't believe Opaline did that.

Camie: She really crossed it big time.

Ymir: She sure did.

Laney: I know.

Nico: Big Chill, I want to thank you, Darkness Ice Monster, and your teams for coming.

BIg Chill: Always up for this Nico and it will be fun.

Me: I agree.

Mega Articuno: You got that right.

Nico: That's a good choice

Qin: It sure is.

Lola: Yeah! Man yesterday was crazy.

Me: Lego Deathstorm was just the first.

Nico: I know.

Volcana: He was no much for my flames.

Me: Nope.

Qin: Intense.

Me: Yep.

Lincoln: I'll say!

Nico: Does anyone else feel weird playing the part of the bad guys for this?

Me: Not at all.

Volcana: Nico this is a world in Lego where the bad guys are the heroes in some way.

Nicole: Claire is right.

Me: Yeah weird but strange.

Laney: We've seen worlds like this before.

Nico: You're right. This shouldn't come as a surprise for us. And Lincoln, I forgot to tell you my plan. We're going to face Team Buktu on Johnny 2X4's big day and battle all the members all at once and kill them then.

Lincoln: Oh I get it! Kill them all in one fell swoop on then. I understand.

Nico: Except for Iron Monger. He goes into the MOE.

Lincoln: I understand. But honestly. (smirks) The idea of being bad is starting to sound a lot of fun.

Nico immediately got nervous after hearing this. But he pushed it to the side for now.

Me: Lincoln I know that tone. Don't even think for a second that you plan on doing this. Not after everything we went through. Think about what you did for everyone.

Lincoln: (Gasp) I'm sorry guys.

Me: It's okay buddy. Team Buktu did so rough stuff to you. Just let it go and move on.

Lincoln: But being the bad guys is the only option to counter the Lego Crime Syndicate and Team Buktu. You guys understand, right? If they want to be heroes, then we'll just have to ruin them by being villains.

Me: I understand Lincoln. So far we are working to gather evidence against them.

Lincoln: Yes?

Me: And our plan is working smoothly. We just need to get information from one of them and we'll turn the tide in our favor.

Xenia: And that opportunity will present itself.

Misty Tredwell: Being villains won't be too hard. After all, a few of us are in the Masters of Evil.

Me: You're right. But we'll ONLY be villains in the Lego World.

Nico: Fair enough.

Me: Besides we don't want to make people fear us,

Camie: Yeah.

Lincoln: You're right.

Me: Lincoln just let what happened in the past with Team Buktu go.

Nico: We're already pushing it by being on the side of evil while the Crime Syndicate and Team Buktu are acting like they're heroes on the side of good. If the other remaining Lego Heroes try to fight us during this mess, then we'll defend ourselves. But we're not going to become the kind of monsters that Crocker and Burns are. Once this is all done, our parts as bad guys will be over and we'll be back to being heroes.

Lincoln: Good plan. I understand.

Me: Good.

I yawned.

Nico: Man that nightmare really took it out of you.

Me: (YAWN) I know. I didn't sleep at all.

Horsea: Was it about Team Buktu?

Me: No. I found out that Opaline Arcana was responsible for making Princess Luna into Nightmare Moon which lead Celestia into banishing her to the moon for over 1,000 years.

Lola: Yeah.

Me: (YAWNS)

Eddy: Good to know. Honestly, Dark Chase Young being behind most bad things has gotten old by now.

Nico: I know. But J.D. you need to get some shuteye. You go back to the estate and rest.

Me: Okay. I'll let my contingency plan take over.

I teleported back and went to get some rest.

My contingency plan kicked in and a clone of me took over for me.

Me: There we go.

Nico: (telepathically) And don't worry. I'll make sure Lincoln stays true to himself. But I don't blame him for being angry.

Me: (Telepathically) I know Nico.

Princess Luna: I just can't believe it.

Me: I know Princess.

Then in a swirl of darkness, Nightmare Moon separated from her!

Me: Nightmare Moon!

Nightmare Moon: Is everything you said true?

Me: Yes it is.

Nightmare Moon: Opaline you monster. You made me into a monster. I want to redeem myself.

Princess Luna: Can we trust you?

Nightmare Moon: We are one in the same after all.

Lincoln: She does have a point.

Princess Luna: Okay.

Maria: Great! We'll give you a shot.

Cole: And guys she is telling the truth.

Me: Thanks Cole. Opaline has 2,000 years worth of Retribution coming to her when the prophecy comes.

Twilight Sparkle: Yes she sure does.

Lincoln: We're here. Alright, guys, we're here for one action-packed adventure, we're here in Hyrule to help Moonlight Raven unlock her Rainbow Power and take down Ganondorf and send him to The M.O.E.

We had all of TLPS and The MOE with us.

Thing heard a Pokemon cry

Thing: Look guys!

We saw an Onix!

Me: Whoa an Onix!

Brock: Just like the one I had before it evolved.

Camie: Wow!

Onix: I agree there.

Thing gave it apples.

Onix: Thank you.

He ate them.

Thing: You're welcome. Want to come with me?

Onix: I would be honored.

Me: Sweet!

Poromon: YAY!

Human Torch: I knew that would be yours. You're both rock heads.

But he got nervous when Onix towered over him with a glare.

Me: Knock it off Onix.

Onix: Sorry.

But then Quarry appeared!?

Me: WHOA!

Qin: Wait is that Quarry?

Me: No this one is smaller.

Shanan: Another Manitouan Cave Hopper? Wow!

Sydney: This one is smaller.

2003 Mikey: This isn't too bad. We've dealt with Sydney's Quarry form before. Should be easy.

2003 Mikey was proven wrong as Quarry B pounced on his head, making him scream like a little girl,

Ed: Is it my turn to jump on your head?

Eddy: Ed shut up and smash her!

Ed: Oh yeah.

Ed turned into Edzilla

Edzilla: ED SMASH!

He tried punching Quarry B but she jumped out of the way and he punched 2003 Mikey instead.

KRASMASH!

Edzilla went after her.

2003 Mikey groaned.

Sydney: Should I join in?

Me: Lets go for it.

We went at her and blasted her all over.

She fired acid spit.

Me: WATCH OUT!

We dodged it and it burned the ground.

I formed chakra chains ad held her down.

Sydney: So that's what it feels like to be on the receiving end of that.

Me: Yep.

We held her down and I pulled out a vial and injected her.

She reverted back and was a girl with brown hair and purple eyes.

We wrapped her in a blanket and brought her over.

Edzilla: ED IS STRONGEST THERE IS!

Me: Yeah!

I saw her.

Me: She is only around 14 to 16. Shredder you monster.

Nico: Sydney, are you and her related?

Sydney: Not at all.

She woke up.

Girl: (Groans) What happened?

Me: Are you okay?

Girl: I think so. What happened?

Me: Well it's an ugly story. What's your name?

Tessa Ellingston: I'm Tessa Ellingston.

Me: (GASP) Your family is a famous family of mystics and you have amazing power over the elements and the mystical.

Tessa Ellingston: That's right.

Sydney: Do you remember me?

Tessa Ellingston: How can I not Sydney. It's good to see you again.

Sydney: You too.

Me: The Utrom Shredder did this to you. But the High Mage is dead. Long nasty story you don't want to know.

Tessa Ellingston: Actually in my consciousness I saw everything. I was amazed that Anti-Monitor and Tim Buktu and Leader could do that and it was well deserving.

Me: Never underestimate the powers of the mystical

Nico: What's the last thing you remember?

Tessa Ellingston: Well I was going to the store for some groceries and then I was knocked out by a punch to my face and everything went black after that.

Me: Shredder's footsoldiers.

Tessa Ellingston: I knew it was them.

She felt her breasts.

Tessa Ellingston: It really worked. I'm human again.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue clothes.

Tessa Ellingston: I look amazing.

Me: You sure do.

Nico: I was fine with Leader experimenting on the High Mage. But who knows what could've happened if the vampire zombies made their way to us?

Me: Some things are best left unsaid.

Qin: Yep.

But then...

COINS JINGLE!

I was buried in a huge pile of gold coins!

I popped my head out.

Me: What the?

I looked at the coins. They were solid gold American Eagle coins!

Me: American Eagle Coins? These are worth a fortune!

Nico: WHOA! What the? Is there a draft?

Nico looked and saw his pants down!

Nico: (SCREAMS)

May Blushed.

Nico: OKAY WHO IS THE WISEASS!?

Laney helped me out.

Me: Look!

We saw a Mega Dachsbun and a Mega Greninja and they were laughing at us!?

Me: A Mega Dachsbun and Mega Greninja!? Whoa!

Nico: I didn't see it coming!

Me: Mega Greninja is the fastest ever Pokemon.

Nico: Pull my pants down will ya!? (GROWLS)

Philip: Lets see.

He used telepathy and gasped!

Philip: Oh man! It's my sister Monet and you guys are gonna be shocked about this. The Mega Greninja is Ankhstarena Daido and she is Katsumi Daido's twin sister!

WE GASPED IN SHOCK!

Nico: SAY WHAT!?

Nico opened his mouth wide and I caught his skeleton before it fell out.

Shanan: Wait Ankhstarena? I've heard of that name before.

Qin: Really?

Me: Wow! Lets go help them.

We went over.

Philip: It's okay girls. It's us Philip and Shotaro.

Mega Greninja used Water Shuriken.

I countered with Thunderstorm Shuriken made of lightning!

NUMEROUS LIGHTNING STRIKES AND WATER BLASTS!

Me: Yeah!

Qin: WHOA! Fast!

I fired a blast of fire but Mega Dachsbun used Well Baked Body and blocked it.

Me: Whoa! That is one perfectly well baked pokemon.

Poliwag licked her.

Me: Poliwag we're going to start thinking you're a Pokemon Cannibal if you do that.

Poliwag: EW! Sorry. I couldn't help it. She tasted and smelled like buttered toast.

Ed: BUTTERED TOAST!

Eddy: You just had to get him started Poliwag.

I fired waves of energy and blasted them down.

I snapped my fingers and they reverted back. They were both girls with yellow hair and golden eyes and one has yellow wings and the other with Rainbow wings and they had Mega Dachsbun and Mega Greninja on their foreheads. They had the Money Gaia Memory Symbol and the Eternal Gaia Memory Symbols with the W Symbol on their arms.

We wrapped them in blankets and brought them over.

Me: That was fun.

They woke up.

Monet Hidari: (Groans) What happened?

Ankhstarena Daido: I feel like I got slapped around by the Violence Dopant.

Philip: You girls okay?

Monet Hidari: (GASP) Philip, Shotaro!

Ankhstarena Daido: Guys!

They hugged them.

Ankhstarena Daido: We're glad you're okay.

Me: You both were turned into Mega Dachsbun and Mega Greninja by Dark Gale.

Monet Hidari: Oh man! I was fighting the Terror Dopant!

Me: That was a frightening one.

Ankhstarena Daido: And I was fighting my brother!

Nuju: That is quite a coincidence! I fought him on my day 2 years ago.

Shanan: Wait now I remember! Ankhstarena, that was the name of an Immortal princess from the planet Houvo and who was a Benevolent and good princess that was a powerful master of the forces of the universe and the elements and lived for 13.7 billion years and had been around since the universe was created by the Big Bang.

All of us: WOW!

Qin: That's incredible!

Me: WHOA!

Big Chill: I've heard legends about her! She was known all over the universe as one of the kindest and most amazing and compassionate forces around.

Me: Incredible!

Ankhstarena Daido: She was also my past life! I am her reincarnation and have all her powers.

Shanan: Whoa! She died 2,000 years ago. It's amazing you would be reincarnated.

Nuju: As Katsumi's sister. Incredible!

Nico: (to Big Chill) How did you hear Legends about her?

Big Chill: My kind the Necrofriggians have known many stories about her. She would come to my home planet Kylmyss and give us food and shelter. She also went to many planets known far and wide. But after she died we thought that we would never hear from her again. She started fading from memory.

Me: Well now she is back as Katsumi's sister.

Ankhstarena Daido: Yeah I sure am.

Poromon: What are your Kamen Rider Names?

Monet HIdari: I am known as Kamen Rider Money. I can make anyone filthy rich. Even someone like Mr. Krabs.

She buried him in huge piles of gold bars.

Mr. Krabs: (LAUGHS) That is something I would love because of how I loved money.

Me: Too true.

Lily: Yeah that is right up your alley Mr. Krabs.

Ankhstarena Daido: And I am known as Kamen Rider Eternal.

Me: Whoa! 2 Kamen Rider Eternals. One is good and the other is evil.

Nuju: Shocking.

Rarity: Lets get you some new clothes darlings.

The fashion brigade gave them new yellow clothes and a gold sword and a star sword and their Double Belts.

Ankhstarena Daido: We look amazing.

Monet Hidari: We sure do.

Nico: I consider the High Mage being an experiment cruel irony

Me: Yeah no kidding. Funny how Karma works that way.

Xenia: Yeah.

Me: We're not done yet though. We got a job to do.

Lincoln: (Sensed for Ganondorf) AHA! Got them, I just spotted Ganondorf, he's 20 yards away.

But, then...!

Tyler Maxwell and Alexander Maxwell: (ENERGY AURAS FLARE UP) GANONDORF! YOUR HEAD IS OURS!

TYLER MAXWELL AND ALEXANDER MAXWELL CHARGED OUT!

Caleb Maxwell: Tyler, Alexander, get back here! (GROWLS) Those two...! PINHEADS!

Me: Those stupid fools! They are going to get themselves killed!

CALEB MAXWELL ALREADY ENRAGED CHARGED OUT AND RAN AFTER THEM!

Sun Shang Xiang: We better go after them before Team Buktu tries something really evil.

We were stunned at what Sun Shang Xiang said.

Lincoln: I think I know, eight years ago, I saved Lord Sun Jian from getting killed by Huang Zu in Jing Province, and knowing Team Buktu, they would do something that evil.

Nico: Oh no, if what you and Shang Xiang said is indeed true, then we'd better get going and fast!

We then took off and hurried to stop Ganondorf and meet up with Lilliana Hyrule, and get rid of one of Team Buktu's traps!

We were flying in the air, and we spotted Lilliana Hyrule fighting Ganondorf, and we saw Tyler Maxwell and Alexander Maxwell heading right for him with Caleb Maxwell following them to stop them, but as they approach, we saw armies of Parademons appear!

Nico: SHIT! PARADEMONS!

Lincoln: Oh crud.

Lincoln fired blasts of red energy that hit the armies of Parademons and he sucked them all dry of energy and all their powers and he grew stronger, and when he was done, the Parademon armies were left as desiccated mummified corpses drained of life.

Me: Good! I'm glad he is gone.

Me: You think you can destroy us? I don't think so.

Qin: Yeah!

Xenia: We destroyed you before and killed one of you.

Camie: You should consider yourself lucky we're letting you live because you are part of the Super Smash Brothers Roster.

Lincoln: Just like me!

Ganondorf: I forgot all about that young Lincoln. You've become quite the formidable adversary.

Lincoln: Indeed I have.

Ganondorf: I also heard that you fulfilled the prophecy that cleansed the entire universe of Dark Chase Young and you also avenged your family. You have my congratulations.

Lincoln: Thank you.

Lilliana Hyrule: I heard all about that Linky! I'm so proud of you!

Suddenly, Lincoln was surrounded by an immense golden yellow aura with sunlight and light and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use The Atavism of The White Wolf of Amaterasu again!

Lincoln: (Speaking in Japanese) 太陽の光と天界に呼びかけ、この恐ろしい悪の忌まわしい存在を倒し、永遠の破滅の地へと送り届けます。祝福された者の魂が蘇り、地獄の民に永遠の罰を与え、彼らを永遠に冥界の闇へと送る强力な狼の姿をとりますように。私の歌が天界の審判をもたらし、この忌まわしい存在を永遠の安息の地へと送り届けますように。(I call upon the light of day and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and formed into white wolves with glowing golden yellow markings and they ran at Ganondorf and attacked him with fierce fury.

Ymir: YEAH! Wait Lincoln was added to the Super Smash Brothers Roster from what I heard.

Luan got out her Sentai Ring and she fired waves of light and comedy gags and blasted Ganondorf all over.

Luan: Yeah that SHINES up the night! (LAUGHS) Get it?

We laughed hysterically!

Me: (LAUGHS) Good one!

Ganondorf: I heard you all have a new big bad.

Me: Yes we do. He appeared 6 months ago. It's Anti-Monitor and he revived many of our big bad enemies and we're killing them again.

Nico: And made worse because of Wertz' Insanity Transmitter! That goddamn psychopathic insane douchebag!

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at Ganondorf with silver bullets from his guns and he blasted him with black and red, white, golden yellow, and blue energy blasts, stars, aura energy, white, golden yellow, and blue heavenly flames, divine darkness, blood, vampire bats, phoenixes, and angels, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at Ganondorf as he got hit and we all heard Caleb's wicked and insane laughter as he shot at Ganondorf with darkness and malice. Caleb landed as the barrier came down.

Ganondorf: You! You! I will kill you all! DO YOU HEAR ME, YOU FREAKS?!

Nico: Oh, that's a good one. Look who's talking. Caleb, do it.

That was the signal: Caleb Maxwell finally lost it and he let out a horrendous string of curse words and foul language at Ganondorf, and it was absolutely horrific, and, it spread to The Keyblade Graveyard and to Anti-Monitor's HQ along with the world where Team Buktu was at, and when Anti-Monitor and his minions heard it, they all screamed in utter horror and their ears were bleeding like crazy!

TRIFORCE ELEMENTAL MAGIC PRISON!

Suddenly, The Tri-Force symbol appeared behind Lincoln and he fired a blast of gold energy that hit Ganondorf and imprisoned him in a powerful magic prison and it sent him to The M.O.E. via a flash of light. We cheered as we holstered our weapons and powered down.

Nico: Phew, that was an intense fight with Ganondorf, and I didn't expect you to pull Wertz out of The Warp and Alecto Slytherin out of his prison in the shadows and trash them in the same way J.D. trashed Cinder Fall and many of our other scumbag villains, Lincoln! Yeesh!

Lincoln: When this all came out, I snapped and unleashed the full extent of my ultimate power, and really trashed them.

We then looked at the massive and intense raging inferno of epic proportions still here in the area!

Me: Damn, when you go all out, you really meant it just like me, Lincoln.

Lincoln: I better absorb the flames immediately.

Lincoln flew into the middle of the massive and intense raging inferno of epic proportions and then, he proceeded to suck in the massive and intense raging inferno of epic proportions, lava bombs, embers, fire tornadoes, and raging lightning into his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power as he gained another astronomical power boost and grew even more stronger, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large

gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

When Lincoln was done sucking in and absorbing the entire massive intense raging inferno of epic proportions, lava bombs, embers, fire tornadoes, and raging lightning into his body, his rainbow, white, golden yellow, and blue energy aura with mythological animals, animals, and elemental forces looked like a raging inferno and he pounded his chest like a gorilla.

Lincoln: WHOA! That was so intense! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) And I'm still continuing to get even stronger and more powerful than ever. Now that I'm finally freed of those dark memories of Team Buktu and Wertz's Insanity Transmitter was destroyed, now I can really let loose on those Team Buktu shitheads.

Nico: Wait, hang on, Lincoln. I know you want to kill the members of Team Buktu separately, but I have an idea: for Jonny 2x4's big day, we're gonna face Tim Buktu, but we'll also face Evil Jimmy, Scott, Evil Sasuke, and Iron Monger as well.

Lincoln: Okay, but what about separately?

Me: Here's where it gets good, separately, we're gonna have Jonny act like a total pest during that time while we deal with his buddies.

Ed, Edd, and Eddy: SAY WHAT?!

ED, EDD, AND EDDY OPENED THEIR MOUTHS WIDE OPEN AND THEIR SKELETONS CAME OUT AND DID WILD TAKES BEFORE THEY WENT BACK IN!

Lincoln: (LAUGHS) Okay, now that was funny, and a good idea, but I still got a lot of pent up anger.

Then, Lincoln's Elemental Thunderbird Necklace of Eternal Love reacted as the rainbow crystal links glowed and purified his anger and turned it into energy and power that made Lincoln grow stronger.

Me: WHOA! Your necklace...!

Lincoln: (GASPS) I forgot about that, My Elemental Thunderbird Necklace of Eternal Love, Jade Necklace of Shangdi, and Crystal Necklace of The Buddha have the power to remove anger and stress and turn it into power and energy. Now, I feel even more better than ever. And I got something as well for Operation: Pest Mayhem.

Lincoln got out a can of Anchovy Paste.

Me: Is that the Anchovy Paste the Eds used?

Lincoln: Yep. I had to keep it away from Lana, after what she did in eating Chum, I don't want her to eat Anchovy Paste, or we were gonna be smelling fish breath! And I thought Lana's bucket of fish heads was gross. BLECH! I still remembered when Luan dumped it on my head for her podcast, I had to get the slime out of my hair and body with twenty-five baths! I also had to throw all my clothes including my underwear in the hamper.

Nico: Oh man...! Luan, seriously?! EW!

Me: I actually remember that. That was nasty!

Eli: Didn't you also have other fresh clothes?

Lori: That was until Luan's other prank got them covered in fish guts and oil including his underwear, and he had to stay in his room because he was...in the nude.

Poromon: Wait, as in butt naked with no clothes on and...!

Anna Anyanova: Poromon, don't you dare finish that sentence!

Nicole: Aw I was gonna say that!

Nico: Geez, that's just like what happened to me with that rotten teacher of mine.

Lily the Mermaid: I was really upset that Luan did that to Linky, that was really immature of her.

Of course, Lincoln's Guardian Angels blushed profusely including Paige, Girl Jordan, and Lily the Mermaid when they saw Lincoln butt naked that day, including Lincoln.

Lori: It was on the weekend that happened four years ago. I was literally so mad at Luan, so I called Anna and the others and told them what Luan did. (Smirks Slyly) But, when they saw Lincoln butt naked and au natural, they went blushing like crazy and The Roshansa Sisters and most of Lincoln's Guardian Angels who are voluptuous babes almost had...!

BLANG!

CALEB MAXWELL BASHED HER ON THE HEAD WITH A MALLET!

Luna: Nice save.

Nicole: I would have done the same thing.

Lanaia: Watch yourself, Lori, or I'm gonna shove a bar of soap down your throat. And I was so disgusted at Luan for those pranks! (GROWLS).

Lincoln: Luan got in huge trouble for that, and she had to do all of my laundry for a month to get the fish head smell out of my clothes and I was confined to my room because I was butt naked. Luan went too far that time. (To Lilliana Hyrule) And now that we're back together, Lilliana.

Suddenly, Lincoln pinned Lilliana Hyrule to the ground and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large

gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Lilliana Hyrule with rainbow gems on the gold lightning bolts and rainbow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Samus: Just like old times

Zelda: You said it.

Qin: Yep.

Camie: And we won.

Onix: We sure did.

Qin: Yep.

Nico: Nice job Onix.

Onix: Thanks Nico. That was fun.

Poromon: want some beer?

Onix: Oh no thanks. I can't drink anything. I'm a rock pokemon and rock doesn't sit well with it.

Poromon: Okay good point.

Me: Yeah.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Onix: Nice try though pipsqueak.

Poliwag: HEY!

Poromon: We're doing fencing later.

Me: Fencing!? Cool!

Applejack: Are y'all building fences?

Me: (LAUGHS) Applejack it's not about building picket fences. It's about swordfighting.

I showed her.

Me: They practice the art of swordfighting in fencing.

Sunset Shimmer: One time Applejack brought in a real picket fence to our fencing club in Canterlot High and she thought it was for that.

Nico: Really?

Sunset Shimmer: Look.

She pulled out all the pictures of the clubs they went to.

Rainbow Dash: I was part of a lot of sports clubs.

Applejack: I had a lot of farming clubs.

They showed us the clubs they were in

Rainbow Dash was in the chess club.

Applejack was in RPG Fantasy Roleplaying club.

Rainbow Dash was in Fluttershy's knitting club which was cute.

Applejack was in the fencing club with a literal picket fence which was funny.

Rainow Dash was in the science club and she had burns on her all over.

Applejack was in the band club with a triangle.

Rainbow Dash was in the art club even though she did her best.

Applejack was in the cheerleading club and she was strong enough to lift them with ease.

Rainbow Dash was in the baking club and her pie was burned to a crisp.

Applejack was in the drama club.

Rainbow Dash was in the Rap and Breakdancing club.

Applejack was in the mathematics club.

Rainbow Dash was in the funny comedy wig club which was silly and cool.

They joined every club in the school.

Me: Boy you girls really joined all the clubs in the school.

Qin: You sure did.

Applejack: Yeah we got a little carried away on that one.

Me: I can tell.

Rarity: I told them it's not a competition.

Me: I can tell they wanted to get part of the action.

Rainbow Dash: Yeah. Baking, Art and Science are not my things.

Me: I can tell. You did try your hardest in those though.

Rainbow Dash: Thanks.

Applejack: And I understand what it means now in fencing.

Me: Yeah fencing is what got me to using my sword and it's how I learned the basics of it.

Nico: Wow.

Me: Yep. But I did it more daring and fought without the armor. Sakura Knudson: I remember. Bro took in everything about that and learned all about how to overcome the obstacles like that no problem.

Me: Fencing was pretty much a walk in the park for me.

Xenia: I see.

Nico: Oh Big Chill. What do you like to do in your free time?

Big Chill: I like teaching how we Necrofriggians do all the things we do in school. It's a big job but it's cool for the biology classes.

Me: Are Ben's Necrofriggian Kids there with you?

Big Chill: They sure are.

Me: Wow!

Ymir: Ben has kids?

Me: Necrofriggian kids. He had a little incident with Big Chill.

Ben: I had no idea it was even happening to me.

Kevin: Big Chill's species the Necrofriggians lay eggs once every 80 years.

Me: Yeah and they emerge as blue bubbles and form into babies.

Julie Yamamoto: Me and Gwen and Kevin saw it firsthand and it was cute.

Horsea: Some call that the Mango Idiot incident.

Me: Do they really?

Horsea: Yeah it's silly but it's true.

Nico: (Whispers to me) You don't want to find out why it's named that.

Me: (Whispers to Nico) Oh I think I understand.

Nico:...now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and The Anothers are coming.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is The Avatar of The Glow Clow Card and the other, whoa, is the Keyblade Knight of Bluestar.

Lincoln: The world of One Piece? (Smirks) Uh oh, if it's her, Luffy and the others are in for a reunion like no other.

LORI, LYNN, LOLA, LISA, AND LUAN SCREAMED IN HORROR!

Me: Oh boy...!

Nico: (To Lincoln) Did they do something to piss them off?

Lincoln: Afraid so, and I'm gonna be upgrading the weights in my gym in my room and our gym in The World Tree Estate along with increasing the reps of my workouts.

Nico: Well, with how much stronger you've been getting along with getting taller, buffer, and more beefier in muscle, I was about to say.

Me: (GULP) So Big Chill, Mega Articuno, Dewgong, Cryogonal, Glaceon and Ducklett are up and we're facing Another Darkness Ice Monster (Dragonball), Driblee, Mr. Frosty (Nightmare in Dreamland), Crystal King, Snowflake Obsidian and Water Galboros EX.

Qin: Yep.

?: (Female Voice) Lincoln Loud...?

Lincoln: Who's there?

Suddenly, we saw someone appear: it was a beautiful girl with long golden yellow hair, golden yellow eyes, and dressed in yellow clothes with massive rainbow angel wings. It was Princess Ankhstarena, the immortal benevolent good princess from the planet Houvo.

Ankhstarena Daido: (GASPS) My previous reincarnation, Princess Ankhstarena.

Me: Wow...!

Big Chill: Princess Ankhstarena, you've returned. But, how? You died 2,000 years ago.

Princess Ankhstarena: Yes, I did, but I came here to all of you and came to Lincoln to tell you of how I died, this wasn't from Dark Chase Young's doing, this was all the doing of Lucifer, he killed me 2,000 years ago. After he fell from Heaven and God's grace, he transformed into The Ruler of Hell, and he swore to destroy God and Heaven and all good for eternity, and after he caused Adam and Eve's fall from grace and The Garden of Eden fell to ruin, he went after and murdered me in cold blood, and he put a curse on me that prevented my resurrection, so that was why I was reincarnated and reborn as Ankhstarena Daido.

WE GASPED IN HORROR! AND WE WERE PISSED OFF!

Me: Lucifer, you evil monster!

Nico: Lucifer really went too far, when we go after him, God's wrath and justice will befall The Prince of Lies and The Ruler of Hell!

Lincoln: He will pay for what he's done. But, why did you call out to me?

Princess Ankhstarena: I knew of your deeds in battle and your reputation has spread, but more to the point, I also wish to heal your heart and mind after what I just saw, and since you also have the immense powers of God, Heaven, The Archangels, and The Angels ever since you started out, you're the only one who can help me.

Lincoln was stunned.

Lincoln: Princess Ankhstarena..., okay, I understand.

Suddenly, Lincoln hugged Princess Ankhstarena, and then, he leaned down to her face and he kissed her. But, then, we saw her glow with incredible light coming off her, and we saw heavenly lights shine down from Heaven as angelic choirs sang. Then, as the light faded, we saw it for ourselves: Princess Ankhstarena was resurrected, restored to life, and she was also freed from Lucifer's curse that kept her from being resurrected.

Princess Ankhstarena: You've done it, Champion of Heaven. You've freed me from Lucifer's curse.

Lincoln: Yes, I did.

Me: Wow.

Suddenly, Lincoln pinned Princess Ankhstarena to the ground and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Princess Ankhstarena with rainbow gems on the gold lightning bolts and rainbow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Ankhstarena Daido: And now, she's part of Lincoln's harem.

Lincoln: Yes, and I also have a huge task, and that's to make sure Lucifer pays for what he did to her and to all those innocent people for eons since his fall from grace after The War In Heaven.

Me: So now it's time to make the Devil pay. But later down the road.

Lincoln: Yep.

We saw Another Driblee, Mr. Frosty (Nightmare in Dreamland), Crystal King, Snowflake Obsidian and Water Galboros EX!

Nico: There they are!

We saw Another Driblee, Mr. Frosty (Nightmare in Dreamland), Crystal King, Snowflake Obsidian and Water Galboros EX!

Lincoln: And Galena Glow! Wow!

Galena Glow: Good to see you again Lincoln!

Cerria Cerberus: And I see you have my sisters with you. Hey girls.

Fiona, Farah and Fi: Hey sis!

Me: WHOA!

Nico: YIKES!

Galena Glow: I know.

Poromon: That's cold!

Me: Yeah! By the way girls are the rest of the Anothers friendly or hostile?

Galena Glow: 1 is friendly and the other is hostile. But you are not going to like who the Another Scarlett is.

Me: Uh oh.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Nico: And your friend?

Another Scarlett: (In a manly voice) Buenos dias J.D.!

Me: Alejandro! Why am I not surprised!

He reverted back and it was ALEJANDRO! He was badly beaten up thanks to Brittney's curse.

Me: WHOA! Brittney's curse did a number on you. But I would say good to see you again Alejandro but I would be lying.

Alejandro: You ruined my life J.D.!

Me: No you brought all that on yourself! Your selfishness and pride did you in. Karma did the rest.

Duncan: You are my target for my day to shine anyway!

Me: Really Duncan?

Duncan: Yeah I just had a feeling. So lets send him to the Warp till then.

Me: I was planning to send him to the Xaikora Prison till then so he can be with his precious unattractive girlfriend Heather but okay.

Nico: That works! Do it.

Me: Okay.

Kaito: (gets out Flashman gear) Did Swartz promise you anything?

Zocks: (Gets out Changeman gear) Because we can grant it instead.

They got weapons of said teams.

Luciana Luffy: No he didn't. I used my steam powers and I ran.

Me: Whoa clever smokescreen. What about you Ale-Jerk-dro? Revenge on me for ruining you?

Alejandro: YES! BECAUSE YOU SENT HEATHER TO PRISON!

Me: Well newsflash she deserved it! But you can join her in the Xaikora Prison so you can kiss and make out all you want!

Sougo: (gets out Flashman Ridewatch) At least you can be happy until then. You two can even share a cell.

Geiz: (Gets out Changeman Ridewatch) But I was honestly expecting Eva

Sougo got RedFlashArmor while Geiz got ChangeDragonArmor.

Alejandro: Oh she'll be around. Just to kick Bridgette's butt!

Me: Not if we kill her first! She's not worth it though. But after all the Sore Losers are in the Xaikora prison, minus Scott, we got something nasty in store for you all.

Alejandro: What is it?

Me: (Smirks sadistically) Oh we don't want to ruin the surprise.

We separated them.

Nico: (Gets out Darkness Ice Monster's ridewatch) Is it cold out here or is it just me?

May: (Gets out Mr. Frosty's ridewatch) Catch this ice block!

Universe 666 May: (Gets out Crystal King's ridewatch) This will be cold!

Maria: (Gets out Snowflake Obsidian's ridewatch) This will hurt.

Lincoln: (Gets out Water Galboros EX's ridewatch) I'm going to make you guys all wet!

Mega Articuno: (Gets out Driblee's ridewatch) I'll soak and freeze you!

We fired waves of ice and water with Darkness Ice Monster (Dragonball), Driblee, Mr. Frosty (Nightmare in Dreamland), Crystal King, Snowflake Obsidian and Water Galboros EX's powers and smashed them down!

Me: YEAH!

Poromon: (to Alejandro) You're going to jail for a long time!

Poliwag: Lets show him our cuteness!

Mascots: YEAH!

The mascots then gave Alejandro the BIGGEST NUMBER OF PUPPY EYES EVER!

Alejandro: (GASP) NO IT'S SO CUTE! CAN'T STAND IT! IT'S TOO CUTE!

Rarity: My goodness they are trying to use their adorableness on him!

HE WAS ON FIRE FROM TOO MUCH CUTENESS!

Rainbow Dash: IT'S TOO CUTE!

Pinkie Pie: OH I CAN'T HANDLE THE CUTENESS!

Their cuteness was too much for him!

Alejandro: NO! CUTENESS OVERLOAD!

MASSIVE FIERY EXPLOSION!

HE EXPLODED AND WAS LAUNCHED AND HE WENT THROUGH A PORTAL TO THE XAIKORA PRISON!

Poromon: I guess he didn't like that

Me: No he didn't! Never underestimate the cuteness of the mascots!

Then Brain Gremlin, Terabiter, Kamen Rider Eld, Siomaneking, Abunger and Smilodon Dopant came!

Me: WHOA!

Qin: WOW!

Me: Wait the Brain Gremlin from Gremlins in 1984!? That movie scared the living shit out of me back when I was younger!

Sakura Knudson: Me too! I couldn't sleep for a month!

Brain Gremlin: Yep that's right!

Me: Thank goodness I'm not afraid anymore!

Nico: But nice team!

Brain Gremlin: Thanks!

Me: (GASP) Kamen Rider Eld! That means Glion is our main target of the Gotchard Series!

Kamen Rider Eld: That's right!

Me: I'm going to really kill him good!

Nico: Let's make a note of that

Me: But Gotchard is not finished yet. It still has another month and a half to go.

Kamen Rider Eld: I know.

Qin: Okay.

Brittney: Yeah!

Qin: Yep.

Then...

KRASPLASH!

A massive wall of blood exploded out of the ground! It was Wall of Blood from MTG!

Me: WHOA! Wall of Blood!

Qin: YUCK!

Wall of Blood: (In a girls voice) Gross huh?

Nico: Xhallia Blood!? Whoa!

She reverted back.

Xhallia Blood: Good to see you again Nico. I got this.

She fired waves of blood and drenched the Anothers and melted them and I picked up the Ridewatches and purified them.

Me: YEAH!

Nico: Nice job.

Xhallia Blood: Thanks! That was fun!

Me: It sure was. Are you related to Jason Blood A.K.A. Etrigan?

Xhallia Blood: No I don't have any relations to him. Good guess though.

Me: Oh.

Mega Articuno: Do you have any good memories of Nico?

Xhallia Blood: I sure do. When me and Nico found a bunch of Blood Bank Robbers who were vampires and I killed them by sucking out all of their blood and infusing it with mine.

Me: Whoa!

Lucy Loud: Wicked.

Xhallia Blood: Yeah I'm a vampire and I use their blood.

Me: Wow!

Qin: Cool!

Nico: Yep.

Nico hugged her.

Nico: I've missed you.

Xhallia Blood: Same here.

We went back home. In my room, I was sleeping.

Me: (Snoring)

We had all of TLPS and The MOE with us.

Lincoln: Ah, we're here in China, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're here to take down the clone of DarkSun who has The Dark Glow Card in her hands, and once I suck out the powers of The Dark Glow Card, I'm going to absorb the clone of DarkSun.

Big Chill: But, something tells me it's not going to be easy.

Lincoln: No, it's not, it's in the hands of the clone of DarkSun, the Hypothetical Akuma of Sailor Sun and she's a master of light and fire and energy. She was made because of Chaos turning her into the monster she was going to unleash. Now she is going to destroy her for revenge.

Lincoln got out his sketchbook and we saw her: she was The Sun with a golden yellow fiery aura but with a scary face!

Eli: Looks like you're gonna enjoy absorbing her, Lincoln.

Now, where in China is she?

Lincoln: I believe I know where she is located.

We went to the location: Zhao Yun's childhood home in Chang Shan.

Zhao Yun: So, she was right here in Chang Shan, interesting.

We got a move-on, and then, we spotted our target: the clone of DarkSun who has The Dark Glow Card and she's fighting Zhao Yun's childhood friend, Lei Bin.

Zhao Yun: There is the clone of DarkSun, and my childhood friend, Lei Bin.

Lincoln: Let's give him a hand.

Lincoln fired an energy blast that hit her that forced The Dark Glow Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Erase Card and he began sucking out all its powers of glowing light and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf

ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Glow Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Glow Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Glow Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of DarkSun.

The clone of DarkSun fired blasts of fire, light, and energy, but Lincoln absorbed them and it made him stronger.

Lincoln: Nice try. Alright, let's get her.

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone and he also sucked out all the energy remaining in her soul and the clone faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Glow Card and Lincoln absorbed the clone of DarkSun.

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card, and we got out of there before Dong Zhuo found out along with Huang Zu and Yuan Shu.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 9'0" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Laval Judgement Lord on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Laval Judgement Lord on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Laval Judgement Lord, and she has a fire greatsword, and with her are the five girls.

Lincoln: (GASPS) Adara Vulcania, Avatar and Gene-Slammer of Laval Judgement Lord.

Adara Vulcania: That's right, and we got them away from the clone of DarkSun and The Dark Glow Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: We took care of The Dark Glow Card when I sucked out its powers and absorbed the clone of DarkSun and we did it all and got out of there before our other enemies found out. (To Adara Vulcania) And it's so good to see you again, Adara.

Adara Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Adara Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Adara Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he

had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Adara Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Adara Vulcania's waists and hugged her, and Adara Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Adara Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 60'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner

behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Adara Vulcania, Avatar and Gene-Slammer of Laval Judgement Lord, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Judgement Lord. She's The Volcanic Lava Judgement Master and the leader of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Adara Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Judgement Lord, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Judgement Lord, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Adara Vulcania hates Lori with a burning passion, and she swore if she ever saw Lincoln in a bad condition because of her, she was gonna burn that psychopathic control freak bitch big time and she even got back at Lori by shoving Low-Cal Bean Chips down her throat, but she added in chili powder into them, and Lori wound up getting her mouth burned big time!

Nico: Lincoln told us of what you did in dumping hot chili powder into Lori's Low-Cal Bean Chips and shoving them in her mouth. VOMIT!

Me: I don't like them either, I'd prefer chips that have flavor and don't cause you-know-what, Lori.

Lori: How many times do I have to tell you?! IT WAS MY SHOE!

Lincoln's Guardian Angels, Loud Kids, Parents, and Family: NO ONE'S BUYING IT FOR A SECOND, LORI!

Adara Vulcania: Ugh, she just keeps denying it, huh?

Lincoln: It's been that way for years, she always finds a way to deny it, but we know better, and I also have documented evidence so that way, Lori doesn't try to worm her way out.

Lanaia: You have no idea how much Lincoln had to document, I tried it before, but Lori always burns the journals! Thanks a lot, Lori! Those journals were brought with my money on my part-time job and you burned them to hide the evidence of your crimes!

Me: Wait, Lori did that? No wonder I smelled burning paper.

Lincoln: Lori tried to hide her crimes by doing that, but instead, Lori got in trouble, she had to get Lanaia new journals and Lanaia electrocuted Lori and warned her that if she ever did this again, she would tell Bobby everything about Lori's misdeeds, but I told her not to do it. I knew how much of a dangerous risk that was, but it had to be done, and now that you're here, Adara.

Suddenly, Lincoln with his massive muscular arms still wrapped around Adara Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Adara Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Adara Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Adara Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Adara Vulcania.

Adara Vulcania had a smile on their faces and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Adara Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Adara Vulcania's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Adara Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Adara Vulcania: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The five girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem.

Adara Vulcania: I was about to say that three of the girls are old friends of Lincoln's future wives, Zhen Ji, Cai Wenji, Wang Yi, Sun Shang Xiang, Lian Shi, Xiao Qiao, Yue Ying, Xing Cai, Bao Sanniang, Xiahou Ji, Wang Yuanji, Zhang Chunhua, Xin Xiangying, Diao Chan, and Lu Lingqi, and the Warriors of The Three Kingdoms. And they're not going to listen.

Nicole: Nope.

When Lincoln saw the five girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the five girls are Beauty Yu and Xi Wangmu from Dynasty Warriors: Strikeforce 2, Lixia from Dynasty Warriors: Godseekers, and Ichika Kishimojin and Fuyo from Black Torch.

Lincoln: Oh, no wonder, it's Lady Yu and Xi Wangmu from Dynasty Warriors: Strikeforce 2, Lixia from Dynasty Warriors: Godseekers, and Ichika Kishimojin and Fuyo from Black Torch.

Nicole: Oh man, three more girls whom you'd met in China in the Dynasty Warriors franchise, I can guess you killed Shi Huangdi when he came back from the dead and separated Chiyou from Lixia and killed him.

Lincoln: That's right, I made sure Shi Huangdi and Chiyou paid for all of their crimes, and after we destroyed Galactus last year, not only did J.D. banish Bill Cypher to The Black Abyss, but I also made sure to banish Shi Huangdi, the one whom The Three Kingdoms warriors faced and Chiyou to The Black Abyss. Are you girls okay?

Xi Wangmu: Yes, we are okay thanks to you.

Then, when Xi Wangmu and the other four girls saw who it was that saved them from The Dark Glow Card and the clone of DarkSun, their faces turned atomic red and their noses gushed out blood upon seeing the 60'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and Xi Wangmu: (Gasps) It's you..., Lincoln Loud.

Lixia: The young man who came to China all those years ago.

Beauty Yu: And brought an end to Shi Huangdi and Chiyou and healed our hearts.

Lincoln: It is good to see you three once again. (To Ichika Kishimojin and Fuyo) And it's a pleasure to meet you two, Ichika and Fuyo.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and

999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ichika Kishimojin: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Beauty Yu, Xi Wangmu, Lixia, Ichika Kishimojin, and Fuyo with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long brown hair, blue eyes, she was dressed in a brown two-piece bikini, she has massive fire-colored angel wings, and a fire greatsword.

Lincoln: (GASPS) Stella Steakariana, Queen of The Steakarians of Planet Steakariana.

Nico: The last living Steakarian. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, everyone, this is Stella Steakariana, Queen of The Steakarians of Planet Steakariana, she's Lincoln's Guardian Angel from the planet Steakariana in The Forbidden Zone, a planet of protein rich steaks and meats. She was the Queen of The Steakarians, who ruled the planet of Steakariana and she's also far more powerful than her own people: in addition to being a natural born fighter and having immense power over protein rich steaks and meats, fire, flames, superhuman strength, and the ability to grow even stronger, but she was also born with angel wings, superhuman strength, immense power over protein rich steaks and meats, fire, flames, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and Stella left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Stella Steakariana came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers over protein rich steaks and meats, superhuman strength, fire, flames, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, omnipotent power and the immense powers over protein rich steaks and meats, fire, flames, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Steakarians, and he was already born with immortality and invincibility and his vampire powers grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them burned on a barbeque grill!

Stella Steakariana: And I knew Lincoln absorbed the souls of the male Chilirairans, our planet's core and planet itself, and our planet's Sun to preserve their legacy.

Shanan: As foretold by the vision your people had along with the other planets of The Forbidden Zone.

Stella Steakariana: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Stella Steakariana to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Stella Steakariana with brown gems on the gold lightning bolts and brown crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Stella Steakariana: That's my special gift to him: Steakariana's Blessing of Fiery Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 60'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Stella Steakariana: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Steakarians both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Adara Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Adara Vulcania: My God, I was right that Lincoln's really grown into a 60'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Adara, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Adara Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really

huge, really strong, and really powerful wolf man we know today.

Adara Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Bluey Heeler: Are...are you going to be okay, Lincoln?

Lincoln: I will be now, Bluey.

Princess Ankhstarena: Now that I'm back, I intend to do just that by healing Lincoln's heart if we are to get rid of Team Buktu and Darkseid. I have the power to heal someone's heart that went through trauma and pain.

Princess Ankhstarena's hands glowed white with golden yellow energy.

Me: It's like The Holy Hands of Virtue, but it's extremely more powerful and potent.

Big Chill: I know what that is! That's...!

Big Chill and Ankhstarena Daido: The Holy Hands of Houvo!

Lincoln: Holy Hands of Houvo?

Lincoln put the heavy weights down that generated a powerful thud!

Ankhstarena Daido: It's a powerful technique that I and Princess Ankhstarena have, but unlike with The Holy Hands of Virtue that removes Satanic slimes and gets rid of Satanic curses, The Holy Hands of Houvo helps in healing the most damaged of hearts that was brought on by trauma and pain. You avenged your family by getting rid of Dark Chase Young, but the trauma and pain of what you went through still remained, and with what's been happening due to Team Buktu, your pain and trauma are really hurting your heart even more.

Then, Princess Ankhstarena placed her hands on Lincoln's pecs, and then, Lincoln felt it happen as The Holy Hands of Houvo worked their magic and his deep sapphire eyes turned golden yellow, and then, we saw it through a viewing mirror he made: all of the darkness that's surrounding Lincoln's heart, mind, and soul: the culmination of the mental wounds that Lincoln had been inflicted with by Dark Chase Young's evil schemes, all of the pain he'd suffered from due to his enemies, and finally, Team Buktu's evil.

Nico: Geez...!

Then, we saw pure light heading right for Lincoln's heart, mind, and soul, and in an instant, the light destroyed all of the darkness surrounding Lincoln's heart, mind, and soul. Suddenly, we saw a beam of darkness escape from Lincoln's Third Eye: the culmination of all of the mental wounds Lincoln had been inflicted with by Dark Chase Young's evil schemes, the pain inflicted on him by his enemies, and Team Buktu's evil.

Nico: Oh man! That's...!

Princess Ankhstarena: The culmination of all of the mental wounds that Lincoln had been inflicted with by Dark Chase Young's evil schemes, the pain inflicted on him by his enemies, and finally, Team Buktu's evil, my technique purged all of that out of Lincoln.

Then, Lincoln's Third Eye fired a massive blast of light and energy which hit the culmination of all of the mental wounds that he'd been inflicted with by Dark Chase Young's evil schemes, all of the pain he'd been hit with by his enemies, and finally, Team Buktu's evil, and it completely destroyed it for all eternity, and banished it to The Black Abyss forever!

Me: It's gone forever!

Then, Princess Ankhstarena felt Lincoln's hands wrap around her waist and he brought her closer to him, and we saw he had tears in his eyes, but he had a smile on his face: Lincoln's heart, mind, and soul have been healed, and he was finally freed of that darkness that lingered in him.

Lincoln: Thank you! Thank you so much!

Then, he and Princess Ankhstarena shared a truly amazing kiss, and we cheered!

Lily the Mermaid: I had no idea that darkness still lingered in you, I thought it was over for you ever since you fulfilled the prophecy, but Team Buktu decided to mess it up big time and re-open those wounds.

Lincoln: It's also my fault as well. I still carried those wounds instead of purifying myself of them, but that ends here. No more hiding my psychological and mental wounds from anyone, whenever anything like this happens, I come to you guys for help as always.

Nico: That's right. It's now our turn to help you, Lincoln.

Me: As always.

Lincoln picked the weights back up and he continued working out. Suddenly, the doorbell rang.

Bluey Heeler: (GASPS) Bingo, it's Mum, Dad, Uncle Stripe, Aunt Trixie, Muffin, Socks, Uncle Rad, Aunt Frisky, Auntie Brandy, Nana, Grandpa Bob, and Granddad.

Lincoln: Your whole family's here?!

Clyde: All the way from Brisbane?

Bingo Heeler: Actually, our home has now merged with the city. Didn't you see?

I looked out, and saw all of Bluey and Bingo's friends and everyone from their home here.

Me: Wow.

Then, Bluey got to the door, and there in the doorway were hers and Bingo's parents, Bandit Heeler and Chili Heeler, along with their Uncle Stripe, Aunt Trixie, Muffin, Socks, Uncle Rad, Aunt Frisky, Auntie Brandy, Nana, Grandpa Bob, and Granddad.

Bluey Heeler: Hi everyone, I'm so glad you made it.

Bandit Heeler: Wouldn't miss it, Bluey.

They hugged and they came in and we introduced ourselves.

Nico: (WHISTLES) And I thought the Louds had a large family.

Chili Heeler: (Snickers) Unfortunately, the Louds still win at that.

Lincoln: Wow, all of you have come here to meet with us?

Bandit Heeler: That's right. Ever since we heard you got together with Bluey and Clyde got together with Bingo, we had to come.

Suddenly, Lincoln put the weights down and he stood up.

Stripe Heeler: (Chuckles) Wow, Bluey wasn't kidding, you're one big tall and strong wolf man.

Radley Heeler: And at 60'11" tall and with those huge massive muscles, any guy who messes with him or Bluey is gonna get stomped on, and I hate to arm wrestle with him.

Bandit Heeler: Or wrestle with him, mate, he can outwrestle you, Stripe, me, and our friends, and with that kind of strength he has, I'd sooner throw in the towel.

Chili Heeler: Plus, we heard next year, you're getting married. You better start getting ready to meet with more of your in-laws, preferably those who support your marriage.

Lincoln: And not those who try to destroy it to slake their cruelty. Say, Clyde and I heard a lot of stories from Bluey and Bingo about all the wild adventure you all had when they were kids. What was your wildest adventure you all had?

Bandit Heeler: Oh, that. That would have to have been during the whole wedding fiasco with Rad and Frisky, but in the end, they got married, and I made my decision not to sell the house.

Stripe Heeler: There's also the time Muffin skipped a sleep and went wild at the house.

Bluey Heeler: Hadn't forgotten about that.

Muffin Heeler: I was so tired, it made me crazy.

Lincoln: Uh oh, we'd been through that, but. (Shudders) I'd rather not get into that.

Lynn Sr.: The horror...! The horror...!

Nico: Yikes!

Me: Yikes and a half! What happened that made Mr. Lynn panic like that?!

Luna: You do not want to know, dude, it's horrible.

Then, Lincoln got into The Simulator and it activated, and he found himself in The Sensei Water Realm.

Lincoln: Ah, The Sensei Water Realm.

Me: I hope you're gonna fight one of the villains in there like we did.

Alexander Avalon: (Sensed it) Afraid not, the villains there are clones of Galeem and Dharkon.

WE GASPED!

Lincoln: Oh, this is gonna be good. I already know what to do: absorb them and assimilate their powers.

Nico: Hope you're in for one immense power surge.

Lincoln headed to the sanctuary.

?: (Multiple voices) TEAM LOUD PHOENIX STORM!

Then, Lincoln saw the targets: the clones of Galeem and Dharkon.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clones of Galeem and Dharkon and he began absorbing them and assimilated Galeem's Photokinesis, Superhuman physical characteristics, Flight, Heliokinesis, Deconstruction, Biological manipulation, Absorption, Teleportation, Spatial manipulation, Ergokinesis, Manipulation, Usage of homing attacks, Danmaku, Pseudo-Soul manipulation, mimic other fighters' abilities, Creation embodiment, Morality manipulation, Pyrokinesis, Summoning, create and generate forcefields, Body control, and reality warping and Dharkon's Reality warping, Umbrakinesis, Chaos embodiment, Destruction embodiment, Flight, Teleportation, Electrokinesis, Spatial tear creation, and Portal creation, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones and he also sucked out all the energy remaining in their souls and they faded away and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

Then, Lincoln saw armies of Alecto's dark witches and dark wizards appear, and Lincoln really WENT WILD ON THEM AS HE TORE THEM APART: HE RIPPED THEM TO SHREDS AND WHEN HE WAS DONE, HE LET OUT THE LOUDEST AND MOST DOMINANT WOLF ROAR AND HOWL THAT ECHOED THROUGHOUT THE REALM AND WE HEARD IT IN HERE AS WELL!

OUR JAWS DROPPED TO THE FLOOR!

CLANG!

Lincoln used his telekinetic powers to close them, and then he exited The Simulator and powered down.

Lincoln: Guys, if you keep this up, you're gonna get flies in your mouth one of these days.

Lincoln continued working out.

Me: Team Buktu better say their prayers, payback is coming for them!

Nico: And it'll soon be the end of them for good!

Lanaia: Okay, that settles it. I'm gonna call some of my old friends and get them hooked up with my little bro.

Lincoln: I want this to happen naturally, Lanaia. Besides, some of them might have boyfriends last I checked when you invited me to check out your campus.

Anna Anyanova: Hey, he's right. Don't you still keep tabs with your friends?

Lanaia: I do, but my phone got smashed to bits when I was dealing with that moron, Flip, four years ago.

Lincoln: That's why you told me you had to get a new phone.

Lori: And a new number. I hate when that happens, but since it was Flip's doing, now we know why.

We got a shower, and then, Lincoln, Hydrangea, Quetzelica, Universe 45 Tessa Elliott, Universe 45 J, Universe 45 V, Universe 45 Cyn, Jena, Neila, and Fem Jolt are heading to Sirena Beach, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 60'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Hydrangea, Quetzelica, Universe 45 Tessa Elliott, Universe 45 J, Universe 45 V, Universe 45 Cyn, Jena, Neila, and Fem Jolt and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and

Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Hydrangea, Quetzelica, Universe 45 Tessa Elliott, Universe 45 J, Universe 45 V, Universe 45 Cyn, Jena, Neila, and Fem Jolt had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Hydrangea: Wow, we're here in Sirena Beach, it's so beautiful.

Lincoln: You said it, Hydrangea, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Hydrangea, Quetzelica, Universe 45 Tessa Elliott, Universe 45 J, Universe 45 V, Universe 45 Cyn, Jena, Neila, and Fem Jolt and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Hydrangea, Quetzelica, Universe 45 Tessa Elliott, Universe 45 J, Universe 45 V, Universe 45 Cyn, Jena, Neila, and Fem Jolt and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Hydrangea, Quetzelica, Universe 45 Tessa Elliott, Universe 45 J, Universe 45 V, Universe 45 Cyn, Jena, Neila, and Fem Jolt and the rest of Lincoln's harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Hydrangea, Quetzelica, Universe

45 Tessa Elliott, Universe 45 J, Universe 45 V, Universe 45 Cyn, Jena, Neila, and Fem Jolt and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clones of Infernodrago, Cyclodrago, and Terradrago.

Anna Anyanova: Uh oh, is that...?!

Lincoln: The clones of Infernodrago, Cyclodrago, and Terradrago.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clones of Infernodrago, Cyclodrago, and Terradrago and he began absorbing them and assimilating Infernodrago, Cyclodrago, and Terradrago's powers of wind, earth, lava, and fire, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo

behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones, and Lincoln sucked out every last bit of energy from the clones' soul and the clones faded and Lincoln let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Hydrangea, Quetzelica, Universe 45 Tessa Elliott, Universe 45 J, Universe 45 V, Universe 45 Cyn, Jena, Neila, and Fem Jolt and the rest of Lincoln's harem and he hugged them in his abnormally massive and powerful muscular arms, andHydrangea, Quetzelica, Universe 45 Tessa Elliott, Universe 45 J, Universe 45 V, Universe 45 Cyn, Jena, Neila, and Fem Jolt and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hydrangea, Quetzelica, Universe 45 Tessa Elliott, Universe 45 J, Universe 45 V, Universe 45 Cyn, Jena, Neila, and Fem Jolt with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbirds Choker of Eternal Love on their necks.

Lily the Mermaid: And now, Hydrangea, Quetzelica, Universe 45 Tessa Elliott, Universe 45 J, Universe 45 V, Universe 45 Cyn, Jena, Neila, and Fem Jolt are in your harem, Linky.

Freja (Overwatch 2), Hydrangea, Quetzelica, Universe 45 Tessa Elliott, Universe 45 J, Universe 45 V, Universe 45 Cyn, Jena, Neila, and Fem Jolt showed the marks Lincoln made on the right sides of their trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The clones of Infernodrago, Cyclodrago, and Terradrago came after us.

WE GASPED!

Nico: The hypothetical Akumas of Kimiko, Raimundo, and Clay?! That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into their chests, and I absorbed them and assimilated their powers of wind, earth, lava, and fire. Then, I sucked out every bit of energy from their souls and the clones faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and

The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

In the gym, the mascots were clashing in fencing with a mysterious opponent.

CLACK CLACK CLACK CLACK CLACK CLACK!

Poromon: Engarde!

Poliwag: TOUCHE!

Poromon: HAVE AT THEE!

They clashed all over.

Sunset Shimmer: They are doing really good.

Jimmy Neutron: You guys are doing a good job,

Manaphy: Thanks!

CLACK CLACK CLACK CLACK CLACK CLACK!

Scarlett: Don't poke your eyes out!

Poromon: We won't.

I came in.

Me: (YAWNS) Hey guys.

Nico: Have a nice nap?

Me: I sure did.

Nico: Good.

They slashed the opponent!

SLASH!

Poromon: HA! Take that!

Poliwag: YEAH!

The opponent got up and revealed herself and it was a girl with blonde hair and blue eyes!

Nico: (GASP) Diana Tralfazz!?

Diana Tralfazz: That's right Nico!

Poromon: Diana!? We didn't expect this!

Diana Tralfazz: You little fuzzballs ruiined me!

She showed her arm and it had a nasty cut on her arm!

Me: WHOA! But you guys know each other?

Nico: Yes we do. Diana Tralfazz was a girl that went to school with me and she has a REALLY NASTY disposition. Coincidentally Poliwag and Poromon beat her and won and slashed her arm in fencing before.

Me: WHOA! That is very coincidental.

Qin: Yeah Diana was a girl that hated everyone and only cared about winning. The mascots did her in with that.

Drag Strip: Maybe we should stay out of this. This is a mascot situation

Me: I agree.

Poromon: Yeah! Come on Diana!

She went at them!

They clashed more!

Then...

SHEEN!

She got stabbed in the eye by Poromon's sand it pulled it out and she screamed in agony!

Me: OH MAN! That has to hurt!

Nico: NO SHIT!

Me: MEDIC!

Xenia: YIKES!

Hound: Go get her!

Poromon: Nah she is done for.

Me: Good idea.

We had the hospital crew take her away.

Me: We'll put her down for a new eye.

Camie: Good idea.

?: Good show with that.

We saw a Mega Virizion!

Me: WHOA! A Mega Virizion!

Nico: One of the Swords of Justice! Cool!

Poromon: You can still talk?

Mega Virizion: I sure can.

Stacy Storious: Rinoa Shindai! Nice to see you here.

Mega Virizion: Same here Stacy.

Me: Virizion of the Swords of Justice can talk so that is no surprise there.

Vierra: Looks like our sister is back too.

Me: We still have to fight though.

Mega Virizion: I understand.

We went over.

She used Secret Sword and I blocked the strike!

ZAPP!

Sparks flew all over!

She used Secret Sword on Horsea but she put her clone in front of her

I blocked the strike.

CLANG!

Me: Don't you know it's wrong to attack a small pokemon as cute as Horsea?

Mega Virizion: Oh of course. No idea what came over me.

Me: It happens.

I pushed her back and snapped my fingers and she reverted back.

She was a girl with pink hair and pink eyes and had pink butterfly wings and had the Sabela symbol with a butterfly on it on her forehead and arm.

We wrapped her in a blanket and brought her over.

Me: There.

She woke up to see Horsea's smiling face

Rinoa Shindai: Oh man what hit me?

Horsea: You attacked at my clone!

Rinoa Shindai: Sorry about that.

Stacy Storious: But it's good you're back to normal.

Rinoa Shindai: I am glad too.

Me: You were turned into a Mega Virizion by Dark Gale.

Rinoa Shindai: I know. I was fighting that jerk that was about to marry Reika.

Me: You mean Rui Mitarai. That jerk had it coming when we fought him last year.

Reika: Turns out the wedding was a sham.

Me: Long nasty story.

Qin: Yeah.

Poromon: And I'm sure you don't have a rider name?

Rinoa Shindai: No sorry. (See's Zocks) Zocks!

POW!

She punched him in the face and knocked him down!

Flint growled!

We held her.

Rinoa Shindai: That was for stealing our sister's ride book!

Zocks: Okay I deserved that!

Me: Boy talk about a nasty grudge.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new pink clothes and a nature sword.

Rinoa Shindai: I look amazing.

Me: You sure do.

Flint: You guys can let go of me now.

Me: Oh sorry.

Tessa put on her jumpsuit and it was dark blue.

Tessa: There.

Me: At least you didn't forget this time.

Tessa: Nope.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori,

Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Lego Luthor contacted us through the computer.

Me: Oh hello Lex.

Ace: Lex, we managed to meet up with Deadshot, Harley, Ivy, Catwoman, Killer Frost, Copperhead and Captain Boomerang.

Lego Luthor: Good work. And now, the people are starting to doubt the Crime Syndicate and Team Buktu. But we're not out of the woods yet. You'll need to head to Arkham Asylum and rendezvous with Joker and Captain Cold. Feel free to break out any of the inmates there.

Me: Oh boy as much as we don't like the Joker, this is one version of him we tolerate.

Nico: Yep.

Lego Luthor: Excellent and also Shaggy and Scooby might remember these guys there.

He showed us mugshots of the Arkham Asylum villains they met with Batman a while back.

Shaggy: Like zoinks! We met them in the cafeteria!

Me: I heard all about that. Looks like we're going to kill all those guys.

Nico: Yep.

Me: Serve as a good warmup.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Evil Jimmy Neutron, he's come out and he's causing havoc in Arkham Asylum in the Lego DC World. When we saw it, we knew it meant trouble.

Lincoln, Me, and Nico: So, one of Team Buktu's shithead members has come out of hiding!

Eli: I knew it was only a matter of time, now we can end him.

Lincoln: Not so fast, Eli, we're sticking to Nico's plan and that's that.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Evil Jimmy Neutron, he's come out and he's causing havoc in Arkham Asylum in the Lego DC World.

EVERYONE GASPED!

Scarlett: I knew he'd come out of hiding. I hope you have another plan in store, Lincoln.

Lincoln: I do, but I'll tell you guys about it when we get to The Lego DC World. But, it's gonna be an awesome one.

Nico: This I got to see. Alright, then, let's get going and head to the Lego DC world.

Lincoln: Evil Jimmy Neutron, you have lived for too long, now it's time for you to pay.

The previous group came.

Magma: Can me, Vypra, Loki, Deadwood, Oculous, Black Lance, Samon Shakekisutanchin, Ryugu Tamatebacco, Villamax and Whiger go with you guys?

Nico: Yes you all can come with.

Qin: We're going to need a lot of firepower for this.

Camie: Yep. And lots of blood will be spilled.

Bubble Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Thunder Wall next.

Me: Ooh electrifying.

Qin: Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Surtr, a major antagonist in Fate/Grand Order, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got big trouble!

Me: Oh man! Was that?!

Lincoln: Surtr from Fate/Grand Order, and he's coming to destroy us.

Elena Mirror: Uh oh, looks like we need to take him down.

Lincoln: Then, I absorb him and assimilate all his godly powers and abilities.

Nico: You said a mouthful. Alright, team, let's go, it's time to head to the Lego DC world.

Lincoln: Now that my heart is being healed one day at a time, Team Buktu's day in this world will soon be up, and it'll start with taking down Evil Jimmy Neutron, and once we get done with him and send him running, you're next, Surtr.

Elena Mirror: You made a huge mistake coming for us, Surtr, this is unforgiveable, it's time we set things straight once and for all.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to the Lego DC world to take down Evil Jimmy Neutron, and once we get done with him and send him running, Elena Mirror and Lincoln are going to destroy Surtr and send him to The Black Abyss after Lincoln absorbs him.

We were off.

We arrived.

We were in front of the Lego Version of Arkham Asylum.

Me: Arkham Asylum, home of Gotham City's most fucked up villains.

Batman: All villains I busted.

Me: Yep.

Vypra: I'll call Doctor Octopus, Multiplex, and Larfleeze.

Me: Okay.

She did so.

They came.

Doc Ock: We're here guys.

Larfleeze: And shiny is here too.

Me: Cool.

Lego Joker: Hey, guys! Haven't seen you much since we fought Brainiac.

Rotwood: That was in 2022.

Me: I know. Been a while.

Qin: It sure has.

Camie: Been a while.

Lincoln: Okay, before we go after Evil Jimmy Neutron, here's my attack plan on him.

Lincoln pulls up a hologram of the Lego DC world.

Lincoln: Now, we already know Evil Jimmy Neutron is here in Arkham Asylum and causing havoc, and here's the worst part, he also has an army of Parademons with him, the shock troops of Darkseid.

Me: Which proves what we already know: Darkseid is also here.

Nico: Yep.

Lincoln: Exactly.

Suddenly, we heard southeastern winds blowing.

Caleb Maxwell: Southeastern winds?

Lincoln: Perfect, the natural arrival of the southeastern winds is exactly what I was waiting for, and since they're being blown in Evil Jimmy Neutron's direction, this is the perfect opportunity. We'll launch a fire attack and burn him and Darkseid's Parademon army to ashes. But, first, we need to cut off their chances of escape, then we'll fire bottles of flammable oil at them drenching them with oil from head to toe. Once that's done, Robin Hood, Hawkeye, Green Arrow, Merida, Sun Shang Xiang, Zhu Ran, Lu Xun, Xiahou Yuan, Huang Zhong, Ina, this is where you come in. You'll launch fire arrows right at our targets and set them ablaze.

Robin Hood: Understood, Lincoln. So, we're using the very strategy you used a year ago at Chi Bi for Arkham Asylum. This should be good.

Green Arrow: Oh boy, using fire arrows for this. Those Parademons are going to be burned alive big time.

Lu Xun: We must strike immediately, there is no telling what that evil monster is going to do next.

Robin Hood: We already know what he'll do next, Lu Xun. But, you're right, it's time to end this for good.

We headed out, and the southeastern winds were getting stronger.

Lincoln: At the rate of the windspeed of the southeastern winds, it'll feed the flames making them grow stronger.

Me: We'll also use the powers of The Firey Card and our own fire powers to make the flames grow even stronger.

Nico: I like that idea already. This is gonna be one awesome battle. Alright, let's head on out.

Lincoln: Right. Evil Jimmy Neutron, it's time for you to pay for everything you've done.

Me: Awesome.

Lego Joker: Before that we can start a riot here. Nico there's an old enemy here too.

Nico: Who is it?

Lego Joker: Lex Luthor from the 2016 movie Batman VS Superman is here.

We gasped!

Nico: Perfect!

Me: Now we can kill him too.

Black Lance: And if any sane villains are here, we break them out

Lego Joker: There are. Lego version of Captain Cold.

Qin: He I can free because he is my archenemy.

Me: Good idea.

Jimmy Neutron: Before we do that, I should tell you all how Evil me came into being.

Me: Oh right. We were never told about how he came into being.

He went over his history

Evil James Issac "Jimmy" Neutron, better known as Evil Jimmy, is a major antagonist in the animated Nickelodeon franchise of the same name, serving as the main antagonist of the episodes "Send in the Clones" and "The Trouble with Clones".

He is a sadistic clone of Jimmy Neutron with Jimmy's memory, genius intelligence created only to do Jimmy's chores, alongside Happy, Sad, Funny, Romantic and Cool Jimmy. Evil Jimmy would not perform chores while the original tries to get the ice crystals so Evil Jimmy will then even cause chaos for his entertainment.

He is voiced by Rob Paulsen, who also played Jimmy's 5 clones, Eustace Strych and Carl Wheezer in the same show. When using Jimmy's voice, he is voiced by Debi Derryberry.

Jimmy wants to get into space for ice crystal's for getting a freeze ray but before he can head into space his mother Judy Neutron forbids him from doing so reminding him of his chores. Not wanting to do his chores Jimmy with advice from Goddard, he heads back into the lab cloning himself and manages to spawn six clones with Evil Jimmy being the last of them to emerge from the machine he gives them a list of chores to do and instructs them to do so as he leaves for outer space to collect the ice crystals but the clones cause trouble around town, including evil Jimmy who throws a pie into a person's face. All of these events cause his friends and family to get angry and for Jimmy to take the blame.

Jimmy with the help of Goddard manages to locate his clones with Evil Jimmy missing but manages to locate him as he is switching bathroom signs for his amusement, Jimmy then confronts him and states he is coming back to the lab to be de-cloned but Evil Jimmy refuses to do so and throws a trash can to distract them as Evil Jimmy hides and changes his hairstyle to be just like Jimmy confusing the other clones forcing Jimmy to sacrifice his ice crystals to freeze the clones but Evil Jimmy escapes this predicament. While Jimmy has his back turned, Evil Jimmy steals his jet pack, taunting the original before he flies away.

All the people that the clones crossed paths with confront Jimmy on his misdeeds but after four hours of explaining his situation they forgive him. They only to get angry at him again when evil Jimmy appears and exposes him since he failed to get rid of him, forcing Jimmy to run from the mob as evil Jimmy gets away with his actions, including throwing a pie at the screen.

He later makes prank calls all over the Earth after hijacking the communication satellite. Jimmy, wanting to beat Leonardo Da Vinci's record, seeks out Evil Jimmy as he is making prank calls. Jimmy confronts him stating it has been awhile and states that evil Jimmy is up to nothing good to which Evil Jimmy tells him he guessed correctly and Evil Jimmy asked if being wimpy dip has worked out for him, Jimmy states he has come to offer him a choice, surrender and be de-evilized or be put on ice, but Evil Jimmy refuses to do so stating he won't be frozen like the other clones were and leaves and Jimmy gives a chase by bumping into his rocket and sarcastically complementing his bike flattering him, he continues to go as Jimmy attempts to reason with him stating that if he is de-evilized he will be able to live a fulfilling life but Evil Jimmy refuses to do so stating his life is already fulfilled and as such activates his blaster on his bike to kill Jimmy but Jimmy counteracts the lasers with a megaphone that creates a sonic boom knocking evil Jimmy off his bike before muttering to himself how much he hates Jimmy.

Jimmy places him in handcuffs and takes him back to his lab, where Jimmy states as soon he is de-evilized he can start standing in for him, Evil Jimmy attempts to talk his way out of it but Jimmy states that being de-evilized won't hurt him a bit, he then comments on his inventions stating he has not made any new ones, Jimmy then demonstrates a camera that clones objects when he takes a picture of it, despite having a big that causes the original to fade away! While Jimmy's back is turned Evil Jimmy cuts the de-evilizer chemical pipe not wanting to be de-evilized thus draining it, Evil Jimmy then gets into the machine and Jimmy activates it not knowing that Evil Jimmy cut the de-evlilization pipe.

Evil Jimmy emerges from the machine pretending that he has redeemed himself tricking Jimmy into thinking that he is de-evilized, Jimmy asks his clone how he feels he responds that Jimmy was right in wanting to de-evilized his clone and Jimmy frees him, Evil Jimmy "thanks" Jimmy and leaves his lab stating he can get to work on his inventions before posing as the real Jimmy and secretly stealing the Hypno-beam.

Outside he hypnotizes Hugh into eating dirt and Judy into thinking she is lawn sprinkler, Evil Jimmy leaves stating he's going to have some fun. Later he causes havoc around Retroville and crosses paths with Sheen and Carl where he hyponises the two into thing they are female backup dancers amusing Cindy and Libby who are impressed but

Evil Jimmy also hyponises them into thinking they are marines and orders them to do pushups, Jimmy checks on evil Jimmy through his computer and realizes that Evil Jimmy is still evil and Jimmy turns his back and realizes that Evil Jimmy sabotaged the de-evilization chemical thus realizes the Evil Jimmy was pretending to be good to fool Jimmy.

Having to set things right, Jimmy de-hypnotizes his parents and his friends and asks Carl and Sheen whereabouts of Evil Jimmy to which Carl informs Jimmy that Evil Jimmy is heading to the lab where he captures Goddard, Jimmy confronts him and tells him to stay away but Evil Jimmy steals the duplicator and leaves the lab but not before sabotaging Jimmy's rocket when he attempts to follow him.

Later as Jimmy repairs his rocket, Hugh informs him about a new planet that's in the sky, using Goddard's telescope he realizes that Evil Jimmy has used the camera to clone Earth and soon everything is fading away in Earth's atmosphere. Everything except Jimmy, though, as Evil Jimmy obviously didn't want to face off against another clone. Jimmy heads towards the cloned Earth and attempts to find his evil clone upon arriving to evil Retroville he realizes everyone is just as evil and psychopathic as evil Jimmy is, Jimmy attempts to blend in pretend to be evil he threatens evil Sam on where evil Jimmy's whereabouts are he states he was heading to school, Jimmy attempts to find his clone there only to be confronted by Evil Carl who is the school bully and Evil Sheen who roughly the same, Evil Carl forces Jimmy into class where Evil Cindy and Evil Libby give a presentation Jimmy then escapes the school as evil Ms. Fowl sends the kids to capture Jimmy.

Jimmy runs to his house thinking that his Evil Parents will hide him but as he arrives at his house he realizes his parents are just as evil as well with Evil Hugh and Evil Judy capturing Jimmy for experimentation under orders from Evil Jimmy in a cage, Evil Jimmy appears and sarcastically tells him that is was nice of him to drop by and notices that he met his evil parents as they laugh evilly at Jimmy.

Evil Jimmy then takes Jimmy to his lab where he asks Jimmy what he thinks of his world. Jimmy responds it is sick and twisted before asking how it became evil in the first place, Evil Jimmy then responds that he used a dark matter power chip. A shocked Jimmy then begs Evil Jimmy not to go through with it stating that if he does the planet will be sucked into oblivion but Evil Jimmy ignores his pleas and states he only has a minute left, with quick thinking Jimmy distracts Evil Goddard as he shrinks himself to free himself from his handcuffs and attempts to disguise as Evil Jimmy where Evil Goddard knocks Evil Jimmy out as Jimmy reverses the duplication process as such the regular Earth returns to normal as the evil Earth begins to fade. While still upset about his initial plan failing, Evil Jimmy tells Jimmy not to be proud of himself as he has a trick up his sleeve by revealing that he plans to destroy the dark matter power chip. Jimmy tells him not to do it stating that the planet will be trapped into the dark matter dimension, but Evil Jimmy does so anyway stating that Jimmy will be trapped with the evil Earth that won't fade, but Jimmy manages to escape with his rocket back to his own Earth.

Somehow, Evil Jimmy last appears in a dark cloud stating Jimmy will not get away and states he will be back for revenge before laughing. But he never did. It is currently unknown what happened to Evil Jimmy afterwards. However, he is most likely remained stuck in the dark matter dimension forever.

When it was done we were shocked and horrified!

Me: You made 6 clones of yourself to get all your chores done all at once!?

Nico: And in doing so made this evil clone of you!? Oh man!

Me: This guy makes Anti-Cosmo look like a joke!

Qin: He's worse than Mandark!

Xenia: Yeah!

Lego Captain Cold caught up to us.

Lego Captain Cold: (pants) Joker, I told you to wait for me!

Lego Joker: Sorry Cappy!

Qin: (Giggles) Silly name.

Lego Captain Cold: Good to see you guys. FYI, that Evil version of Jimmy Neutron has been helping Hugo Strange with his experiments

Me: I had a feeling Hugo Strange would be involved and whatever it is it can't be good.

Nico: Yeah. First lets get to work on the prison riot.

Poromon: I hope there's good cafeteria food

Me: I don't even know what they eat here.

Nico: It's party time.

Me: Nico here.

I gave him a powerful gun.

Me: My new Elephant Pistol. This will really show no mercy.

Nico: Thanks.

Nico went to find 2016 Lex.

Nico followed the smell of bad cologne.

Nico went down to a hall and in a cell was 2016 Lex Luthor!

Nico went up to him under the illusion he is Batman.

Nico as Batman: Whatever you do, wherever you go, I will be watching you.

Lex: Oh, look at us. This is how it all caves in. Civilization on the Wayne Manor's out the window. But who would believe me? I...I. I'm insane. I'm not even fit to stand trial.

Batman: That's right. We have hospitals who treat the mentally ill with compassion. (Lex Chuckles Nervously) But that's not where you're going. As you can see, You have been put in here in Arkham Asylum in Gotham. I still have some friends here and they're ready to experiment on you.

Lex: But the bells already been rung. And they've heard it. Out in the dark among the stars. Ding dong, the God is dead.

Nico Batman punched him on his head and burned a bat shape hole into it.

Lex: The Bell cannot be un rung! He's hungry and he's found us and HE'S COMING!

Nico laughed and revealed himself.

Lex: Who are you?

Nico: You're executioner. And has anyone ever told you that you talk like Edward Nygma - the Riddler?

Lex: YOU! YOU KILLED ME!

Nico: That's right.

Lex was laughing. Nico had his gun pointed right at his head in between his eyes and a laser was on him.

Lex: You can't kill me. I'm insane.

Nico: You're worse than that Lex. You're one seriously fucked up piece of motherfucking shit. People like you deserve only one place and that's in the darkness of Hell, burning for all eternity. In my opinion, Arkham is too good for you and Eternal Damnation in the black abyss is what you deserve. Give my regards to Thanos when you see him and say hi to all the bad guys we killed.

Nico pulled the Trigger.

LOUD BANG!

The bullet blew his whole head right off his body and killed him instantly. Splattering his brain matter and blood all over the walls. His headless body fell to the floor and blood poured out of him.

Nico: Burn in Hell you psychopathic motherfucking son of a fuck.

In the cafeteria they heard the shot and the prisoners went on a rampage!

Then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOMMMM!

A massive fiery explosion blasted out and then enveloped the inmates and then...

SLASH SLASH SLASH SLASH SLASH!

LOTS OF SCREAMING WAS HEARD AS THEY WERE BEING KILLED ALL OVER!

We were killing them left and right and sending them all to the Black Abyss!

Lego Joker: Now this is what I call a party!

I slashed Zsasz in half!

Qin ripped Killer Croc

May blasted Harley Quinn.

Lola blasted Poison Ivy.

Me: Good thing these are all the ones that Shaggy and Scooby faced.

Lego Captain Cold and Lego Joker saw that we were struggling against a few guards. But Lego Captain Cold froze them.

Lego Captain Cold: Guys, what are you doing? They were tearing you apart back there.

Nico: Yeah, we noticed.

Lego Joker: You're fighting like you're heroes. Stop holding back, or you're gonna get us all arrested.

Nico: We're not holding back

Lego Captain Cold: Yes, you are. They're trying to arrest you guys. If you're not trying to knock them out, you're going to be locked up.

Lego Joker: Don't think. Act. You guys need to fight like villains.

Nico: No. We're not killing innocent people.

Lego Captain Cold: Then knock them out! If you don't do this, we're all going to jail. And then, the Crime Syndicate and Team Buktu will win. Do you want that?!

Nico:…no.

Lego Joker: (serious for once) Then you know what to do

Nico nodded solemnly and knocked a guard out.

I whispered into a guard.

Me: (Whispers) Sir this is nothing personal. We're here on a mission to defeat several enemies of ours. Long story. All will be revealed in time. Just let us knock you out okay.

He agreed.

I knocked him out.

I knocked out the guards.

I went over to Nico and whispered and told him what is going down.

Nico winked at me.

We just freed Lego Livewire

Skarr: Here you go, Livewire

Lego Livewire: Ooh... Is someone letting Livewire out to play? Hehehe... Let's have some fun!

Sam Sharp Loud: Lets make this electrifying!

She held up her hands and then...

THUNDERCLAP!

She got struck with lightning and turned into SAM LIVEWIRE! ELECTRIFYING WITH PRIDE!

Sam and Livewire and Lego Livewire fired waves of lightning and knocked out the guards!

Lego Livewire: How did you do that?

Sam S.L.: I was given intense lightning powers because of an accident from Lisa's tesla coil.

Lisa Loud: It overloaded and the electrical charge caused Sam to develop electrokinetic powers.

Lego Livewire: I see.

Me: It was a while back so you didn't know.

Luna Loud: Let me help too dudes!

Luna fired ice and formed a cocoon and she emerged from it as LUNA FROST!

She was ready to freeze!

Luna and Lego Captain Cold fired waves of ice and froze the bars of some of the cells and we freed many more inmates.

We freed Lego Reverse Flash

Ryugu Tamatebacco: Hope we didn't keep you waiting

Lego Reverse Flash: Ahh... It's was WAY too cramped in there! Time to stretch my legs a little.

Me: Take your time.

Lori: Time to burn!

She floated and was enveloped in a ball of fire and she turned into LORI VOLCANA!

She fired waves of fire and melted the doors of the cells off!

Qin: YEAH!

We freed Lego Malcom Merlyn

Carly Atlas: There you go

Lego Malcolm Merlyn: Not interrupting, am I? Hahahaha!

Lego Reverse-Flash: Well, that depends, Merlyn. You here to help us or just slow us down?

Lego Malcom Merlyn: Oh, please, Thawne. Just because YOU spoiled our little trip to S.T.A.R. Labs...

Lego Captain Cold: Guys! This isn't the time! Merlyn, did you see anything that could help us escape?

Lego Malcom Merlyn: Well, since you asked SO nicely, I think there's someone behind that security gate that could be persuaded to aid our escape

Me: Hmm. Lets go check it out.

We saw Lego Solomon Grundy sleeping in his cell

Villamax: Grundy's sleeping. How cute

Lego Solomon Grundy: Zzz... Zzz...

Lego Malcolm Meryln: Well... there he is!

Lego Reverse-Flash: Soloman Grundy? You sure it's safe to let him out?

Lego Malcom Merlyn: Nope, but I don't see any reason why we should let THAT stop us.

Lego Captain Cold: It would seem our zombified friend is a heavy-sleeper.

Lego Livewire: No surprise there. Maybe I can do something about that...

She fired waves of lightning and electrocuted him awake.

Me: Rise and shine!

Eddy: Wake up goldilocks!

Xenia: We have butts to kick!

Lego Grundy: Urgh... Grundy having such nice dream...

Me: Well it's time for a prison breakout!

We fired waves of energy and freed more inmates!

Lego Joker: So, have all the other guys been killed yet?

Me: Finished with that 20 minutes ago.

Qin: We sure did.

Camie: Yep.

Lego Joker: Good.

Lego Captain Cold: This seems to be our way out, boys and girls. Do your thing!

Lego Livewire: Hmm... I could deal with that fuse box, but we'll need to find a way to reach it first.

Lego Reverse-Flash: I believe MY powers should be able to help with that.

Me: Go for it!

Rainbow Dash: Race you there?

Lego Reverse-Flash: You're on!

ZOOM ZOOM!

They ran for it!

They got there and Rainbow Dash got there first.

Lego Reverse Flash: Not bad, kid

Rainbow Dash: I am the fastest there is in Equestria.

Lego Reverse Flash: Cool.

They turned off the power.

Nico: l'm surprised the other Gotham villains of this world aren't here.

Lego Joker: They were lucky enough not to get caught by those fakers

Me: Good. Because I got something to turn the tide in our favor. It's all part of our plan. You'll see soon.

Lego Reverse Flash: Good to know. Let those fakers think they're heroes now. And then, when we got enough villains here to help us, it's gonna come crashing down on them. Starting with Team Buktu. They're the less composed team

Me: Yep. That's part of our plan.

Qin: Yep.

Poliwag: Heroes my tail!

Nico: Yeah.

Me: Team Buktu and his cronies can bite my big fat fucking ass!

Bender: Oh yeah baby!

Lincoln: UH OH! We got a nasty out of control Akuma coming! I just had a premonition and Her name is EvilScarlett. The Hypothetical Akuma of Scarlett and she is a technokinetic girl with power over technology. She looks like Scarlett when she snapped on Total Drama. She was made because of Billy McLean and all the contestants kicking her off the show for good reason and vowed to finish what she started in the past and that is killing all the contestants and Billy!

WE GASPED!

Nico: Uh oh!

He showed us a sketch of her and she looked like Scarlett with her hair let down and had PIERCING RED EYES!

Nico: WHOA MAN!

Scarlett: That is me because of Max!

The Lego Villains once looked at us like we were crazy

Lego Grundy:...Akuma?

Lego Merlyn: Are you choosing now of all times to make this up?

Me: Do we look like we're making this up?

Android 17: We're telling the truth.

Lego Livewire: We should be focusing on Strange at the moment. And that Evil clone

Lego Joker: Well, I believe them.

Lego Reverse Flash: Figures you would.

Lego Captain Cold: Well, just in case, let's break out Ocean Master and Killer Croc. Their cells are right here.

Lincoln: Will we have time?

Lego Captain Cold: Well, thanks to you making things up, we don't have a choice, do we?

Me: Trust us. We're not making it up.

I fired waves of fire and melted their doors and busted them out!

Lego Killer Croc: Good to be out of there!

Me: Felt like you were stuck in a can full of sardines.

Lego Killer Croc: (LAUGHS) Good way to put it.

Lego Ocean Master: I'll say! Funny.

Lego Captain Cold: We broke you out because Team Loud Phoenix Storm thinks there are corrupted versions of themselves called Akumas.

Lego Ocean Master: Akumas? You just mean the Street Fighter character.

Nicole: (LAUGHS) No I wish. These are people turned into villains that Marinette and friends fought on a daily basis over in Paris, France.

Lego Killer Croc: (smells something) They might be onto something. I got a funny scent. (To Scarlett) It's similar to yours

Scarlett: That is what Lincoln's premonition said.

Me: And it's her there!

We saw her! EVILSCARLETT!

She went at me and I kicked her in her face!

She went at me like a wild animal!

EvilScarlett: I WILL FUCKING KILL YOU ALL!

POW!

I punched her!

Me: This one is completely out of control!

Whiger: Scarlett? Is that you?

POW!

He was knocked down by a kick to his face!

I kicked her and knocked her down!

She got up and went at me and I dodged her and kicked her in the back and sent her crashing into a wall!

Whiger: WHOA! She is REALLY NUTS!

Xenia: No kidding!

EvilScarlett: I FUCKING HATE YOU!

OUR AURAS FLARED UP WITH INTENSE POWER!

She went at me more!

Lego Joker: Proof enough for you?

Lego Captain Cold: Okay okay I believe you!

Doc Ock: You need to calm down!

POW!

She punched him in his crotch!

WE WINCED!

Me: She is completely out of control!

Xenia: Spending time in the Book of Vile Darkness will calm her down!

I fired waves of energy and blasted her all over.

Lincoln fired waves of lightning and electrocuted her.

Doctor Octopus recovered and activated his tentacles

They grabbed her and held her in place.

Qin: Nice!

Doc Ock: I hate it went that happens.

Me: Marinette did you have to deal with Akumas like this that are this wild and dangerous?

Marinette: Not that I know of.

Me: I see.

I fired waves of energy and blasted her.

EvilScarlett: Chew on this!

She used Technokinetic powers and built plasma cannons and we dodged the blasts and I fired laser vision blasts and melted the guns!

I blasted her down and Nicole sealed her in the book of Vile Darkness.

Lego Reverse Flash: Okay. You guys weren't making things up after all.

Mandy: We should tell Lex to spread the word about the Akumas

Me: Good idea.

Nico: Yeah.

Xenia: That is for sure.

Camie: Now we can go after Evil Jimmy Neutron.

Deadwood: Joker, you, Croc, Ocean Master, Multiplex, Larfleeze, and Livewire follow us when we do our entrance. The rest of you meet us back in the Hall of Doom.

They nodded in agreement.

Commando Man: Entrance Tme!

We flew out, and we saw Evil Jimmy Neutron laughing maniacally and he and Darkseid's Parademon army were causing havoc from Arkham Asylum and raining down misery on everyone here.

Nico: That evil devil-horned little monster!

Me: He still makes me sick to this day.

Lincoln: Not for long.

Suddenly, Lincoln made a wide and powerful barrier surrounding Evil Jimmy Neutron and Darkseid's Parademon army on all four sides, and they can't even get out.

Lincoln: Now, fire the bottles of oil.

We threw many bottles of flammable oil down on Evil Jimmy Neutron and Darkseid's Parademon army and they were covered head to toe in oil.

Evil Jimmy Neutron: WHAT THE?! IT SMELLS! UGH!

Eli: I can guess you also used gasoline on them too.

Lincoln: Just for a little extra damage to them. Okay, Robin Hood, Hawkeye, Green Arrow, Merida, Sun Shang Xiang, Zhu Ran, Lu Xun, Xiahou Yuan, Huang Zhong, Ina, you're up!

Robin Hood, Hawkeye, Green Arrow, Merida, Sun Shang Xiang, Zhu Ran, Lu Xun, Xiahou Yuan, Huang Zhong, and Ina got out arrows with fire lighting up the arrowheads.

Robin Hood: Alright, then. Now! FIRE!

Robin Hood, Hawkeye, Green Arrow, Merida, Sun Shang Xiang, Zhu Ran, Lu Xun, Xiahou Yuan, Huang Zhong, and Ina fired the fire arrows, and as they hit Evil Jimmy Neutron and Darkseid's Parademon army, they and the surrounding area inside the barrier lit up in flames, and the southeastern winds fed the flames and made them even stronger than ever! We saw it through binoculars.

Nico: Intense!

Me: Incredible!

Lincoln: Now comes part 2.

Me, Lincoln, and all the fire users fired powerful blasts of fire which made the flames stronger than ever and Lincoln used The Firey Card's powers and made the flames even more stronger than ever, and Evil Jimmy Neutron was really getting burned badly, and as for Darkseid's Parademon army, all of them were burned completely to ashes and sent to The Black Abyss.

Sun Shang Xiang: Impressive work, Lincoln. Alright, now it's time to end this.

Alexander Avalon used The Firey Card and made the flames so powerful, they formed barriers and Evil Jimmy Neutron couldn't escape, not unless he wanted to be burned alive.

Me: Nice one.

Suddenly, the spirits of the geniuses of history appeared and they attacked Evil Jimmy Neutron with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and then...

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and landed, and it pissed off Evil Jimmy Neutron.

We looked and smirked!

Me: Hello Nerdtron! Been a while!

Evil Jimmy Neutron: YOU! WHAT THE HELL?! HOW IN THE HELL DID YOU IDIOTS FIND ME?!

Me: You can't hide from us that easily!

Evil Jimmy: Whatever! How does it feel to be the bad guys again? Now that me and my team are heroes here, I've been helping Strange with his experiments.

Lego Hugo Strange: Welcome. Seeing as you're here, as you can all assist me with my experiments.

Lego Livewire: That's Doctor Hugo Strange! His experiments don't end well for those who assist him.

Me: We know who he is thank you very much.

Lego Hugo Strange: My thanks to you, Joker. This break out is the perfect oportunity to get more volunteers for my work...

Lego Joker: You're welcome!

Lego Hugo Strange: Volunteers like Robert here...

A monster Lego Croc's size appeared

Lego Joker: Bobby!

Samon Shakekisutanchin: Oh boy...

Me: WHAT IN THE 9 FUCKING LEVELS OF HELL IS THAT UGLY MONSTROSITY!?

Lego Hugo Strange: I'm looking forward to seeing how you fare against my latest creation. Please, try your best to survive for as long as possible.

Me: Oh we intend on doing so. But first. It's time for everyone to see the truth!

I teleported and grabbed Evil Jimmy Neutron by his head and projected memories of Team Buktu and all that to everyone!

THEY WERE ABSOLUTELY OUTRAGED!

Man 1: WE WERE ALL DECEIVED!

Man 2: THE JUSTICE SYNDICATE IS ALL A BUNCH OF FAKES!

Woman 1: THEY ARE ALL OLD ENEMIES OF TEAM LOUD PHOENIX STORM!?

Woman 2: BOOOOOOOO!

Nico: (telepathically to the people watching) Listen, can I ask you guys to keep playing dumb until it's time to bring them all down. Just to make it more painful for them

Me: (Telepathically to Nico) I was going to suggest that. Thanks.

Nico winked at me.

Evil Jimmy Neutron: WHAT THE HELL HAVE YOU DONE!?

Me: Showed everyone your true nature!

PSYCHO STRING MUSIC PLAYS

Suddenly, Lincoln appeared behind him with a hair razor!

Evil Jimmy Neutron: WHAT THE?! OH MY GOD!

HAIR RAZOR BUZZING!

LINCOLN SHAVED OFF EVIL JIMMY NEUTRON'S HAIR AND EYEBROWS AND MADE HIM COMPLETELY BALD! AND WHEN HE SAW HIS REFLECTION...!

Evil Jimmy Neutron: (SCREAMS) I'M BALD! BALD! BALD!

WE CRACKED UP AND WERE LAUGHING HYSTERICALLY!

Me: (LAUGHING HYSTERICALLY) OH MAN! THAT! THAT WAS WAY TOO HILARIOUS! YOU'RE GONNA MAKE ME BUST A GUT, LINCOLN!

Nico: (LAUGHING HYSTERICALLY) THAT WAS TOO AWESOME!

WE LAUGHED MORE!

Lincoln: Now, I know I'm getting better now that Princess Ankhstarena had healed my heart, mind, and soul, and I'm healing even more.

Evil Jimmy Neutron: YOU MOTHERFUCKING HAIRY WOLF BUTT! I'LL KILL YOU! (ENRAGED SCREAM)

EVIL JIMMY NEUTRON LOST IT AND HURLED DEROGATORY EXPLICIT AND DISGUSTING CURSE WORDS THAT WE DON'T WANT TO EVEN SAY OR REPEAT! GROSS!

Qin: (SCREAMS) MY EARS ARE BLEEDING!

Me: OH, THAT'S IT! Lincoln, help me with this!

I GOT OUT A MASSIVE BAR OF SOAP AND I STUFFED IT INTO EVIL JIMMY NEUTRON AND THEN, LINCOLN SMASHED HIS FIST DOWN EVIL JIMMY NEUTRON'S HEAD AND LINCOLN THREW IN WATER AND HE PROCEEDED TO SHAKE EVIL JIMMY NEUTRON LIKE A SODA BOTTLE!

AND WHEN LINCOLN WAS DONE SHAKING HIM, EVIL JIMMY NEUTRON HAD TONS OF SOAP AND BUBBLES COMING OUT OF HIS MOUTH!

Nico: Nice one, that ought to shut him up!

Me: Yep.

I punched Evil Jimmy Neutron in his face!

Lincoln: (Imitating Judy Neutron) JAMES ISAAC NEUTRON YOU MARCH RIGHT UP TO YOUR ROOM AND STAY THERE! YOU ARE GROUNDED FOR A YEAR MISTER!

Xenia: That was good!

Evil Jimmy Neutron: YOU ARE NOT MY MOTHER!

Qin: That was good though.

Evil Jimmy: And it looks like nothing's changed. Everyone seems to still love us!

Me: (In my head) Heh keep on dreaming.

Nico: Yeah, keep believing that…

Me: Now where were we? Oh right!

I teleported and bashed Bobby in his face!

Bobby Roared and went at me and I stood behind Evil Jimmy and I teleported away and then...

KRASMASH! KRASMASH!

HE SMASHED EVIL JIMMY INTO A PULPY PANCAKE!

Me: At least he's stupid.

Lego Killer Croc: I'll handle freak of the week with Joker and Livewire. Focus on the clone!

Chaor: Thanks!

Me: Cool!

The Villains grabbed hands to form a chain in front of a wall.

Lego Villains: RED ROVER RED ROVER SEND EVIL JIMMY RIGHT OVER!

We grabbed him and threw him and then...

KRASMASH!

HE CRASHED FACE FIRST INTO THE WALL!

Lego Hugo: You okay?

Evil Jimmy: (Dazed) I'm okay.

All his teeth shattered into a million pieces leaving only his gums!

Oculous: Multiplex?

Multiplex: Gotcha!

He made a clone army

Multiplex: You aren't the only clone here!

Multiplex 2: There's now lots of us and one of you.

Multiplex 3: Yep.

Multiplex 4: Clones gave you life...

Multiplex 5: And now we're going to make sure your life is hell.

Multiplex 6: Big time!

The clones charged at him as Lego Croc punched the monster!

KRASMASH!

Me: Okay Evil Jimmy if you are so smart answer this. What is the Square Root of 912,323,466,233,577,124,632.2345?

Evil Jimmy got super stumped on that one!

Evil Jimmy: Um... 412?

Me: (MAKES BUZZER NOISE) Wrong!

Jimmy Neutron: 30,204,692,785.

Pump Man: Have a drink.

Lego Ocean Master: And some of this!

They fired blasts of water and drenched him.

I then grabbed Evil Jimmy and shoved his face into my armpit!

SQUISH!

I rubbed his face in it!

HE WAS REALLY STINKY FROM THAT!

LIGHTHOUSE FOGHORN!

Me: I've been rubbing SUPER STINKY SEAWEED on my armpits!

Nico: OH SICK!

Qin: THAT IS SO DISGUSTING!

Xenia: YUCK!

I put him down and he smelled REALLY HORRIBLE!

HE THEN THREW UP!

Lego Captain Cold froze his feet

Jimmy Neutron: Reminds me of when I froze the other clones.

Lego Captain Cold: Hope they're more pleasant then this dick!

Eli used the force and played dentist with him.

Eli: Lets play dentist!

CRUNCH CRUNCH CRUNCH CRUNCH!

HE SCREAMED IN AGONY!

Magma: Feel the heat!

He fired fireballs and bashed him and burned him.

I gave him a NASTY ATOMIC WEDGIE!

HOING!

Cindy Vortex: NICE BOXERS NERDTRON!

I stomped on his foot!

CRUNCH!

He opened his mouth and I poured a huge bucket of chum down his throat! HE REALLY HATED THAT AND WAS THROWING UP A STORM!

Lego Killer Croc slammed the monster into the ground.

KRASMASH!

Ripster: Let me take a bite out of him!

CHOMP!

He bit its legs off!

Lola fired waves of fire and burned the monster!

Lola: TAKE THAT YOU FREAK!

Lego Killer Croc: Anyone got something that'll knock him down for good?!

Lori: I do!

She shoved a massive barrel full of laxatives down the monster's throat.

Me: UH OH!

Camie: Oh boy!

Then...

STOMACH GRUMBLED!

He started getting REALLY NASTY GAS!

THEN HE INFLATED LIKE A BALLOON!

THEN...

MASSIVE AND POWERFUL FIERY EXPLOSION!

HE EXPLODED INTO A MILLION PIECES!

SPLAT!

HE COVERED EVIL JIMMY IN BLOOD, GUTS AND SHIT!

But then he regenerated.

Nico: Any other ideas?!

Me: I have one!

I pulled out a container with a skull and crossbones on it and pressed some buttons and opened it and out came a REALLY NASTY RANCID ODOR!

Nico: (SNIFFS) (VOMITS) OH GOOD GOD! WHAT THE FUCK IS THAT!?

Me: Watch.

I pulled it out and it was cheese and I threw it and the monster ate it! HE THEN DISSOLVED INTO A MELTED PILE OF BLOOD AND GUTS AND SLOP AND WAS NOTHING MORE THAN A SKELETON!

Me: Limburger suprême aux eaux usées puantes. That means Stinky Sewage Limburger Supreme. It's Limburger cheese enhanced 100-fold.

Nico: OH THAT IS FUCKING DISGUSTING!

Qin: OH SICK!

Lola: YUCK!

Xenia: VOMITVILLE!

Tessa charged at Lego Hugo Strange

Tessa: You are mine!

Then, he also attacked him by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at him which hit him hard.

POW!

Caleb Maxwell punched Evil Jimmy Neutron hard in the face and he slashed him in the stomach with his gold-armored dragon claws, and he slammed him onto the concrete, and we saw the anger in Caleb's eyes: he was out for blood, and the skies turned black and red.

Ed Cowart: You're so fucking ugly, that even Muk looked handsome! You are a shitty penny store Jimmy Neutron bootleg knockoff! I bet Mercurymon would be Jimmy's more suitable enemy than your uglyass! Prepare your uglyass for defeat and one more thing?

Ed Cowart shaved Evil Jimmy Neutron's hair off and even shaved his eyebrows making him bald, then he wedgied Evil Jimmy Neutron and pulled his underwear over his head!

Ed Cowart: WEDGIE!

Then, he fired honey at Evil Jimmy Neutron, and then covered him with bird seeds and summoned hordes of birds to peck all over him then finished by firing hyper hot sauce and hyper hot nacho cheese and fired 5,000 coconuts which bonked Evil Jimmy Neutron's head and fired a coconut at Evil Jimmy Neutron's crotch destroying it!

THE BOYS GASPED AND COVERED THEIR CROTCHES!

Tessa was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with the rest.

Monet Hidari: NO! We control the power. It doesn't control us!

They concentrated and reigned in the powers of Quarry B, Mega Greninja, Mega Dachsbun and Mega Virizion! They transformed and slashed and blasted Evil Jimmy and Hugo.

Evil Jimmy: (to Albedo) Don't think I've forgotten about you, traitor!

Albedo: You know full well why I betrayed you guys!

Me: Because he saw the light!

Poromon pecked Evil Jimmy!

Evil Jimmy screamed in fright and horror and he farted!

WE LAUGHED HYSTERICALLY!

Nico: Never gets old!

Scarlett: No it doesn't!

Evil Jimmy: (to Scarlett) What a waste? You would've been a perfect member of the team

Scarlett: I chose family over you!

Me: And you know what else I chose for you Evil Jimmy?

Evil Jimmy: What?

Me: This!

I pulled out his brain drain helmet and put it on him and slid a dial and set it to drool monkey!

HE WAS DUMBER THAN A SACK OF DIAPERS!

Evil Jimmy: Hey guys you want to see my Loopy Dance?

WE LAUGHED AS HE DANCED LIKE A BRAINDEAD MONKEY!

Me: (LAUGHS) Okay that is funny!

Ed: (LAUGHS)

Billy: (LAUGHS) He is dumber than me!

Patrick: (LAUGHS) Boy he sure is stupid!

Cheese: I like chocolate milk.

Nico: Oh, don't worry. You'll get your brains back before we send you back to your team. It'll make seeing you crash and burn all the more sweeter!

Me: That is for sure!

Vypra: We would have loved to have a court jester like him with us.

Me: That would be funny.

Then Lord Drakkon, Electropede, Gameface, Dumbbeltron, General Schwarz, Count Nocturne, Kerbero Gangan, Stonedozer, Fireor and Chillyfish came.

Nico: Lord Drakkon, Electropede, Gameface, Dumbbeltron, General Schwarz, Count Nocturne, Kerbero Gangan, Stonedozer, Fireor and Chillyfish

Evil Jimmy: (Stupid and Silly) You guys want to see this?

He acted like a cymbal monkey!

WE LAUGHED MORE!

Electropede: Okay that is funny!

Qin: It sure is!

Drakkon: Team Buktu thinks they're still the heroes, huh?

Me: Yep. But we told everyone to play dumb for a bit.

Electropede: They have no idea what's in store for them.

Gameface: No, they don't.

Me: At least Evil Jimmy is dancing like a braindead monkey instead of ordering you guys around. We should use this helmet more often.

Drakkon: Good idea.

Dumbbelltron: (to Nico) We heard you fought Ganondorf.

Nico: We sure did.

Stonedozer: (to Thing) You should take care of that Onix

Thing: I will.

Emperor Z Came out!

Me: WHOA! Emperor Z! Guess that means it's time to show you my new sparkle.

Emperor Z: That is right.

Me: My sparkle has increased a lot since we last fought.

Emperor Z: Looking forward to seeing it.

Me: Awesome.

Emperor Z: Honestly, calling Albedo's former teammates heroes is like saying Cheese is a genius

Cheese: I like chocolate milk.

Me: Good analogy.

Qin: Yeah.

Emperor Z: Thanks.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

J.D. Knudson, Volcanic Dragon, Riley Anderson, Yuna, Stella Nox Fleuret, Rikku, Yuffie, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Ace and Breach VS Lord Drakkon, Zen Aku, Gaspard, Miraj Scintel, Evil Blackarachnia, Dogu Bouma, Draknarok and Red (Spyro) (Theme including Volcanic Dragon) - I had a terrible nightmare and found out a horrible revelation

---

Lord Drakkon was first.

Drakkon: (to me) You had a terrible nightmare. What horrible revelation was it about?

Me: You are gonna be in for a nasty shock! I had a dream last night and found out that when Princess Luna turned into Nightmare Moon, it was actually because of Opaline Arcana! She summoned a malevolent spirit that went into her and it turned her into the horrible mare of darkness, Nightmare Moon! Because of Opaline, Princess Celestia was forced to banish her own sister to the moon for 1,000 years!

THEY GASPED IN SHOCK!

Lord Drakkon: THAT MONSTER!

Zen-Aku: Oh man! Celestia and Luna must've REALLY had a cow!

Me: All that and more! They EXPLODED IN A MASSIVE Screaming fit of rage that shook the entire planet to the core!

Volcanic Dragon: Holy crud was it intense!

Riley Anderson: They released a massive roar of rage that was EARSHATTERING and intense! Now Opaline has over 2,000 years worth of retribution coming to her when the day of the Prophecy comes!

Twilight Sparkle: I've never seen my mentor get so upset like that! It was so frightening!

Stellar Sparkle: Yeah that was intense!

Harmony Sparkle: Holy crud! No kidding!

Starshine Sparkle: After that we saw Nightmare Moon separate from Luna and she realized she was duped like Tirek and the others! Now she is on the road of redemption as well.

Spyro: That was intense.

Lord Drakkon: Boy no kidding! I don't blame them one bit for getting angry like that! Lets do it!

I used my sentai ring and fired green energy blasts and they blasted them all over in massive fiery explosions! Then we fired waves of magic and energy and smashed them down.

Paula (Loud House), Alien X, Aussa, Kamui, Supreme Kai of The West, Lyn, Aika Kiryuu, Sunset Shimmer, Firestorm Shimmer, Sunset Shimmer (G5), Pipsqueak, Chalcanthite

Aurora, Fire Skylanders, RD Lincoln, and Bubble Man VS Electropede, Millipede Pete, Vector, X-Ray, Ironclad, Wrecker, Goldenrod and Zoom (Theme including Alien X) - Nico's rescue was in the world of The Legends of Zelda and we battled Ganondorf from Windwaker

Electropede was next.

Electropede: (to Paula) Nico's rescue was in the world of The Legends of Zelda. He battled Ganondorf from Windwaker

Paula: HOLY CRUD! It was intense and awesome! Also we decided that Killing one version of Ganondorf was more than enough and we sent him to you because he is part of the Super Smash Bros Roster.

Electropede: Good idea there.

Paula: Yeah. Also you wouldn't believe what happened there. Lincoln found out that when J.D. removed the Insanity Transmitter from him that it was because of both Wertz and Alecto Slytherin! Alecto's dark magic enhanced the painful memories of Team Buktu from 2022 and made Lincoln REALLY angry! Lincoln pulled them out of the Wrap and went APESHIT BALLISTIC ON THEM! HE REALLY LAID DOWN THE LAW ON THEM! We're not kidding look!

She showed it on her phone and it was intense and savage! Comments were posted from a lot of people and more! And it went viral in minutes because of it!

Electropede: HOLY FUCKING SHIT! WHOA! Lincoln went ballistic like how J.D. did on so many baddies!

Vector: That is intense! J.D. taught him well!

X-Ray: MAN! No kidding! Wertz and Alecto are gonna REALLY think twice about messing with Lincoln!

Alien X: You got that right!

Aussa: We were shocked seeing Lincoln do that! But it was intense!

Sunset Shimmer: Linky really made sure they suffered for that!

Firestorm Shimmer: That was unbelievable!

Sunset Shimmer (G5): No kidding there! I'm just glad Lincoln taught them a lesson.

Pipsqueak: (British Accent) That is for sure.

Chalcanthite Aurora: (British Accent) No kidding there.

Sunburn: Yeah that was brutal!

Electropede: WHOA! That will show them what happens when you mess with the Reincarnation of Amaterasu and more! And Ganondorf will be perfect for us. Lets do it!

Paula used her Sentai Ring and fired waves of intense lightning and they fired waves of fire and lightning and blasted them down.

Margo, Ultimate Big Chill, Arrowette, Charlotte Hazelrink, Vivi Nefertari, Marle, Orta, Applejack, Emily Douglas, Apple Star, Wolf Moon Bloom, Apple Bloom, Earth Skylanders, Rotwood, and Brad Morton VS Gameface, Evil Desert Man, Vapor, Pirate Queen, Sumo Wrestler Army, Bulldozer, Vypra (Lightspeed Rescue N64) and Bumper (Theme including

Ultimate Big Chill) - The Anothers were the gene-slammers of Key of Pandemonium and Flame Cerebrus

---

Gameface was next.

Gameface: (to Margo) The Anothers were the gene-slammers of Key of Pandemonium and Flame Cerebrus. Nico, Big Chill's team, Darkness Ice Monster's team, and the others did good battling them.

Margo: They sure did and it was really fun. But also we met 2 more Dark Gale gene-slammers and we got a shocking discovery out of it.

Gameface: What is it?

Margo: Well we met a Mega Dachsbun and Mega Greninja. The Mega Dachsbun was really Philip and Shotaro's sister Monet and she is Kamen Rider Money. Mr. Krabs laughed hearing about that when she said that she would make him filthy rich. Thought it was a great joke.

They laughed!

Gameface: That is funny!

Margo: Yep. But here is the shocker! The Mega Greninja was really the reincarnation of Ankhstarena from the planet Houvo and who was a Benevolent and good princess that was a powerful master of the forces of the universe and the elements and lived for 13.7 billion years and had been around since the universe was created by the Big Bang. She also is Katsumi Daido's twin sister and she hates her brother and vowed to bring him to justice

THEY GASPED IN SHOCK!

Gameface: HOLY CRUD! That is shocking!

Vypra (N64): I've heard legends about Ankhstarena! She was a TRULY benevolent force of ultimate good!

Ultimate Big Chill: You heard right. She was really that gifted and powerful in all that.

Arrowette: We were shocked that she was Katsumi's sister! And after all the shit he did on Nuju's day because he was hurting and all that, it's painfully obvious she is never going to forgive him for his crimes. The guy messed around with the laws of life and death and the Grim Reaper is not happy about that.

Applejack: Yeah that was not a good thing he did back then.

Emily Douglas: That was really sick. I heard about what he did back then and it was awful!

Apple Star: It sure was. But during the time leading up to that, Bridget Branley and some of Lincoln's Guardian Angels battled his teammates which was really cool.

Wolf Moon Bloom: It sure was!

Apple Bloom: No kidding!

Flashwing: I agree there.

Gameface: Yeah that is for sure!

Flashwing: Also the next Underground Monster we met was Quarry B. She was a younger Manitouan Cave Hopper and her name is Tessa Ellingston and she was born into a family of mystics.

Gameface: WHOA! That is amazing! She must be really gifted in that. Lets do it!

Margo used Gameface's ring and she fired basketball bombs and they fired waves of earth, mud, rock, boulders, meteors, lava, crystal, dust and apples and smashed them down.

---

Dumbbelltron was next.

Dumbbelltron: (to Ben 10,000) I heard Lincoln's rescue was battling the Dark Glow Card. He also fought A clone of DarkSun

Ben 10,000: Yeah it sure was! And it was intense! It was over in China.

Jury Rigg: We had fun on that one.

Bai Tza: We sure did.

Rarity: Indeed we did darlings and it was so fun.

Erica Tala: You got that right.

Sapphire Ocean: I agree there.

Rarity (G5): Everyone had fun there too.

Dioptase Angel Belle: Yeah that was cool!

Sweetie Belle: I agree too.

Gill Grunt: Same here.

Dumbbelltron: I agree there too! Lets do it!

Ben 10,000 used his ring and fired explosive dumbbells and they fired waves of water, ice, jewels and lightning and smashed them down.

---

General Schwarz was next.

General Schwarz: (to Ink Rose) The Mascots tried Fencing. I hope they didn't poke anyone's eye out.

Ink Rose: Actually they did poke someones eye out. They were challenging one of Nico's enemies from his Fencing club days. Her name was Diana Tralfazz and she was a girl with a REALLY NASTY disposition. Coincidentally Poliwag and Poromon beat her and won and slashed her arm.

General Schwarz: Ouch!

Crabdozer: I know! We were surprise to see one of Nico's enemies there too. Also Applejack brought a real picket fence in for this because she thought Fencing was for building fences.

They laughed!

General Schwarz: That was funny.

Suno: But we told her it was not about building REAL picket fences and how it was about Swordfighting.

Rainbow Dash: Yeah that was funny! Also we met a Mega Virizion gene-slammer and her name is Rinoa Shindai. She is Reika and Ryoga's sister too! And helped them defend the Saber Riders. She even punched Zocks in his face and knocked out some teeth.

Comet Thunder: That was painful!

Sprite Thunder: But he said he deserved that for swiping Reika's book.

Thunder Rainbow Zoom: No kidding there.

Scootaloo: Ouch.

Whirlwind: Still funny though.

General Schwarz: That is silly! Lets do it!

Ink Rose used her ring and fired waves of darkness and the group fired waves of lightning, wind, rainbows, storms and weather and smashed them down.

Marceline the Vampire Queen, Mucilator, Melody, Iris Brockman, Sailor Starlights, Lava Girl, Charlie McGee, Fluttershy, Lilja, Sólrún Jóhannsdóttir, Daffodil Bloom, Bluebell, Fluttershy (G5), Tornado Bolt, Seabreeze, Life Skylanders, Alucard (HELLSING) and Android 17 VS Count Nocturne, Evil Bubble Man, Lego Joker, Guards (Disney Infinity), Another Decade, Snowflame, Flytrap and Issa Shuzen (Theme including Mucilator) - Scarlett's day to shine

Count Nocturne was next.

Count Nocturne (to Marceline): It's Scarlett's day to shine. And it's in the Lego version of Arkham Asylum.

Marceline: And we really made a mess here too. We killed all of Batman's enemies that Shaggy and Scooby faced before! As you can see there is blood everywhere.

Count Nocturne: Holy crud! No kidding!

Mucilator: Yeah we really made sure they all suffered.

Melody: No kidding there! We killed them all and banished their ugly butts to the Black Abyss.

Fluttershy: They had it coming.

Lilja: (Icelandic Accent) I agree there.

Sólrún: (Icelandic Accent) You got that right.

Daffodil Bloom: That is for sure.

Bluebell: I agree and it was fun.

Fluttershy (G5): Yeah that was great.

Tornado Belt: They all got their butts kicked big time.

Seabreeze: (Swedish Accent) They had it coming.

Stealth Elf: I agree there.

Count Nocturne: Same here. Lets do it!

Marceline used Count Nocturne's ring and fired darkness blasts and the group fired waves of leaves, grass, flowers, fruit, weeds and wood and smashed them down.

Gaz Membrane, Monarus, Fat Albert, Haruto, Wing Commander Gutsy, Anasazi Meadow Littlefield, Centaur Man, Pinkie Pie, Maud Pie, Citrine Pie, Pinkie Pie (G5), Featherweight, Tech Skylanders, Mandy and St. Patricia VS Kerbero Gangan, Bond Man, Koyo Ozaki, Quetzalcoatus Dopant, Vividria, Blizzard Wolfang, Bopp-er-Roo and Octopus Monster (Johnny Bravo) (Theme including Monarus) - Evil Jimmy is up next and we're going to kill him on Jonny's day

---

Kerbero Gangan was next.

Kerbero Gangan (to Gaz): Evil Jimmy is up next. We're going to kill him on Jonny's day

Gaz: We sure are.

Monarus: J.D. said he is going to have Jonny act like a total pest during that time while we deal with his buddies.

Kerbero Gangan: Like how Eddy did? Oh this will be funny.

Fat Albert: You bet it will be!

Pinkie Pie: We're going to make this the most funniest thing ever!

Maud Pie: (Monotonously) Funniest and justified Pinkie.

Citrine Pie: I agree there! This will be fun!

Pinkie Pie (G5): It sure will!

Featherweight: Yeah no kidding!

Sprocket: Yeah!

Kerbero Gangan: This will be fun to see! Lets do it!

Gaz used Kerbero's ring and fired energy blasts and they fired waves of metal, lightning, gears and blades and smashed them down.

Stonedozer was next.

Stonedozer: (to Thing) Scarlett's Akuma is an Evil Version of herself! What can she do?

Thing: Well she is actually like how she revealed her true colors on Total Drama before we came along! She snapped and planned to destroy Pahkitew Island and kill everyone!

THEY GASPED!

Thing: I know. Also she was made because of that very reason! She vowed to finish what she started and kill all the contestants including Billy McLean! She has Technokinetic powers and made energy weapons that can blow up boulders!

Candy Apple: Boy was it intense!

Babs Bunny: It sure was!

Starlight Glimmer: Many of the Akuma we've been meeting have been completely out of control!

Moonlight Glimmer: No kidding there.

Starlight Glimmer (G5): I agree there as well.

Cozy Glow: Yeah no kidding!

Raven Bishop: That was intense and we sealed her in the book of Vile Darkness.

Hex: We sure did.

Stonedozer: WHOA! That is rough! Lets do it!

Thing used Stonedozer's ring and fired waves of rocks and they fired waves of skulls, bones, blood, ghosts, tombstones, lightning, stars and magic and smashed them down.

Wheeler (Captain Planet), Clair (Pokemon), Arienne Glenis Maple, Ma-Ti, Melanie Neugog, Sailor Vegeta, Lacus Clyne, Princess Celestia, Dawn Eclipse, Princess Celestia (G5), King Solar, Solar Eclipsa, Amber Morning, Light Skylanders, Chaor and Takinom VS Fireor, Ted Carson Firefly, Hate Master, Incentas, Universe 666 Syn Shenron, Water Hoser, Fireball Monster and Spirit of Fireball McPhan (Theme including Clair (Pokemon)) - Evil Jimmy will pay for his crimes on Jonny's day

Fireor: (to Wheeler) Evil Jimmy will pay for his crimes on Jonny's day. And did you see the monster Lego Hugo Strange sent out?

Wheeler: I sure did and it was REALLY UGLY!

Clair: He really played with fire on that one!

Arienne: But we got the biggest and funniest laugh out of it when J.D. used a cheese that was SO STINKY it made its skin, muscles and organs melt and leaves it as a dead skeleton!

They gasped!

Hate Master: What was it?

Arienne: It was called Limburger suprême aux eaux usées puantes. That means Stinky Sewage Limburger Supreme. It's Limburger cheese enhanced 100-fold.

FIREOR VOMITED FIRE GEL!

Fireor: OH THAT IS DISGUSTING! I ate that stuff and it made me so sick I hurled fire gel for days!

Princess Celestia: Holy crud! YUCK!

Dawn Eclipse: That is disgusting! Like the stuff that Flame Galboros DX uses.

Fireor: Exactly!

Princess Celestia (G5): That is lethal!

King Solar: No kidding there!

Solar Eclipsa: Yeah and the smell was horrible! We had to wear gas masks!

Amber Morning: No kidding!

Spotlight: Nasty!

Fireor: Yeah it was awful. Lets do it!

Wheeler used Fireor's ring and fired waves of fire and energy and they fired waves of light and they blasted them down.

Chillyfish: (to Gi) Now we're going to kill members of Team Buktu except for Iron Monger. But only on Jonny's day

Gi: Yeah after Lincoln went ballistic and we defeated Ganondorf, Nico told Lincoln his plan. He understands now.

Chillyfish: Good.

Clockwork: (Swedish Accent) Ja it was good he did. Also this is number 1 of Team Buktu we're facing now.

Evil Jimmy: Thanks for giving me my brains back, losers!

Doctor Octopus: Don't thank us just yet. Finale's coming up and you and your friends are getting a front row seat.

He used his tentacles to put a tracer on Evil Jimmy

He punched him all over.

Evil Neutron fled in anger, but Lincoln fired one of his new tracers onto him. We cheered as we holstered our weapons and powered down and we headed for the Lego Hall of Doom

Nico: We took care of Evil Neutron.

Me: And sent him running.

Alexander Michaelson: (Thinking) But, soon, it'll be the end of Team Loud Phoenix Storm for good, Lincoln's finally going to lose it! (Smirks) It'll be too good to see it! (CACKLING INSANELY)

We heard Alexander Michaelson's thoughts, and we were horrified: did he secretly plan to break us when he saw Lincoln's descent? If he did, he was going to be in absolute shitsville with all of us and his angry sister!

Lincoln: Alright, now we got one last thing to do and one last loose end to tie up: Surtr.

We then turned our attention to Surtr who's still trying to get out, but couldn't.

Surtr: YOU! WHEN I GET OUT OF THIS, I WILL DESTROY YOU ALL!

Time to die, you evil Fire Giant.

Lincoln, Elena Mirror, Nico, and I went after Surtr, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Surtr, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Elena Mirror did the same by firing black and red, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Elena Mirror, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Surtr even more angrier than ever.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Surtr and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Surtr and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 60'9" massive, wide, double-edged gold blade of his massive greatsword.

Then, when Lincoln was done and the stingers changed back, nothing was left of Surtr and he also sucked out all the energy remaining in his soul and Surtr was sent to The Black Abyss and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and Elena Mirror's new body, clothes, weapons, jewelry, Third Eye, 100 massive and long black wolf tails, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded red gems behind the gold rings behind her head, one-hundred large black and red planets orbiting around her legs, one-hundred smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and red planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Elena Mirror: It's over for you, Surtr, and to this we say good riddance. Thanks for helping me get rid of Surtr, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Elena.

Me and Nico: Our pleasure, Elena.

Suddenly, Elena Mirror wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Elena Mirror's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Ellie Mirror sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Elena Mirror: And that's it for Surtr. (Whispering) But, we got to save Lincoln, and then, we expose and get rid of Alexander Michaelson for good.

Me: That's for sure, and that's pissed Alecto Slytherin of even more. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Lavalval Exlord.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Lavalval Exlord.

Adara Vulcania: There's only one person who fits this: Ember Vulcania, Avatar and Gene-Slammer of Lavalval Exlord, and you guys are going to love meeting her, Ember Vulcania, Avatar and Gene-Slammer of Lavalval Exlord, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Exlord. She's The Volcanic Lava Lord Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Ember Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Exlord, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Exlord, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Ember Vulcania hates Lisa with a burning passion, and she swore if she ever saw Lincoln in a bad condition because of her, she was gonna burn that cold-blooded emotionless evil monster big time and she even got back at Lisa by shoving chili powder down her throat, and Lisa wound up getting her mouth burned big time!

Nico: She did what to Lisa?! Oh man!

Me: Oh, I remember that all too well. Lisa had to spend the night in the hospital.

Later, we were in the Lego Hall of Doom with the other villains

Lego Malcom Merlyn: The Crime Syndicate is worse than the Justice League. They don't play fair!

Lego Captain Cold: They broke my favorite cold gun!

Lego Cheetah: They stood on my tail!

Lego Clayface: They tried to use me as a casserole dish.

Lego Penguin: I hear they got all the loot from the Batcave!

Lego Catwoman: You've gotta hand it to them, they're better at being villains than we are...

General Schwarz: Well, we can tell you guys that they suck at being heroes.

Me: Yes they do.

Lego Lex Luthor: He's right, Catwoman. Besides, no one is better at being a Villain than Lex Luthor.

Lego Joker (hugs him): Lex!

Lego Lex Luthor: (amused) Get off me, you painted buffoon. I didn't bust you out to play patty cake. I've been to LexCorp and seen this so called "Crime Syndicate". They're hunting for something, something powerful. You can bet when they find it, it'll be bad news for the Earth and more importantly, us!

Me: And I have a good idea on what it might be.

Lego Harley Quinn: But, Lexy, with the Justice League outta the picture, who's gonna stop them?

Lego Heat Wave: Oooo! Us! We can stop them!

Lego Malcom Merlyn: Indeed!

Lego Reverse-Flash: With Team Loud Phoenix Storm's help!

Count Nocturne: And us in the Masters of Evil!

Lego Lex Luthor: Precisely! Whatever their game is, if they want to play at being 'Heroes', then we'll give them the greatest bunch of bad apples ever assembled.

Me: We got to beat them at their own game.

Lego Joker: Do apples come in bunches?

Kerbero Gangan: Please stay with us, Joker.

Lego Lex Luthor: We'll show them how we do things on our Earth.

Me: Like how we do things on our world.

Lego Poison Ivy: But Ultraman is so powerful. We have our limits, Lex. Apart from Team Loud Phoenix Storm and the Masters of Evil here.

Lego Lex Luthor: You don't say? Well, we will just have to recruit the strongest, most devious, most sneaky super-villain team this world has ever seen! Who's with me?

All the villains cheered.

Lego Lex Luthor: Excellent. (to us) I know some of you might be uncomfortable with this. So we're not forcing any of you. If any of you want to back out-

Lincoln: We're in.

Lego Joker: Come again?

Lincoln: All we've ever done is help and protect people so many times. But are they grateful? Of course not! The past few years, the people we protect turned their back on us so many times! Not just with the first Team Buktu incident! But with the 20 Days of Darkness too! Well, no more! The people want us to be the bad guys? (smirks evilly) Happy to play the part.

We were shocked to hear this from Lincoln. So were the Lego DC villains.

Lincoln winked at us.

Lego Lex Luthor (gets over his shock): Well, ok then. And the rest of you.

Nico: (sighs) Well, if Team Buktu and the Crime Syndicate want to play the parts of heroes, we might as well play the parts of villains.

Fireor: It's only fair.

Lego Lex Luthor: Great! Meeting adjourned.

Everyone then started to leave the Hall of Doom, including Lincoln.

Lego Lex Luthor: (to Nico) Keep a close eye on Lincoln. I got a feeling that he's starting to enjoy the role of the villain a little too much.

We nodded.

Chillyfish: I get that feeling too.

Nico: Don't worry. Tomorrow's rescue, I'll have a talk with him.

Lego Joker: Great! Other then that, awesome job today!

Lego Lex Luthor: I'll contact you guys tomorrow about our next move.

Me: Yep.

Nico: We're not done yet but great job everyone.

Me: Thanks.

Jimmy Neutron: (To the viewers) We had a fun one on this.

Me: Yeah.

We went back home. We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, we defeated Evil Neutron and Linky put that tracer on him.

Anna Anyanova: But, now we got a big problem, we got to save Lincoln from that dark path, and then, expose Alexander Michaelson for the monster he is.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in an orange speedo and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her

and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Glow Card, but tomorrow, I got a feeling we're going to take on the dark version of The MoveCard, this thing caused a lot of trouble for Sakura, but we're ready for it.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on, and so was the big war against Team Buktu and Darkseid, and we'll make sure those monsters pay for their crimes with their lives.

No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Ember Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Exlord, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Exlord, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Ember Vulcania hates Lisa with a burning passion, and she swore if she ever saw Lincoln in a bad condition because of her, she was gonna burn that cold-blooded emotionless evil monster big time and she even got back at Lisa by shoving chili powder down her throat, and Lisa wound up getting her mouth burned big time!

Next up is Ironmonger in the Lego Version of Gorilla City and it's War Machine's day to shine.

See you next time.

DC SUPERVILLAINS PART 3

Part 3: Gorilla City

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a golden yellow planet of pasta and cheese in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters and had incredible superhuman strength, but had immense powers over pasta and cheese, and the ability to grow even stronger and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and they imprisoned themselves inside a well where their souls remain imprisoned to this day, but they had a vision: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of their male warrior angels imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix.

Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Macacheesia, a planet of pasta and cheese and neverending cheese sauce rivers in The Forbidden Zone that was inhabited by powerful warrior angels called The Macacheesians, the males were not only natural born fighters and had incredible superhuman strength, but had powers over pasta and cheese, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Macacheesians, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: (GASPS) No way! A macaroni and cheese planet! Tasty!

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Macacheesia once inhabited by The Macacheesians, but were defeated by The Infernairans eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun is infinite-times hotter and brighter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet and his rainbow energy aura exploded as he grew stronger.

Lincoln: Wow! So, this is Planet Macacheesia, this is so awesome! This is my kind of planet! (DROOLS)

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Macacheesia and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a golden yellow gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of red souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Macacheesia.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Macacheesia then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their immense superhuman strength, immense powers over pasta and cheese, and the ability to grow even stronger, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo

behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and yellow aura with pasta noodles and cheese drops surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their immense superhuman strength, immense powers over pasta and cheese, and the ability to grow even stronger and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Macacheesia, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at more than 999,999,999,999,999,999,999,999 degrees

Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Macacheesia itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Macacheesia's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Macacheesia have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger and he went Full Heat Nirvana.

Then, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Uh oh, looks like someone's now really REALLY aroused.

Then, he kissed all of them passionately on the lips, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate?! (Realizes what happened) You're in Full Heat Nirvana and you're now even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then.

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later.

In Nico's room, he was having a nightmare.

Nighmare sequence...

Nico was on the ground bleeding as the Estate was destroyed. All of the team were dead. And the one responsible? It was Lincoln, who just snapped May's neck!

CRUNCH!

Lincoln: (laughs evilly) And now, one to go!

Nico: Lincoln, please. Don't do this!

Lincoln: (angrily) This is your fault, you know. You could've prevented Team Buktu from forming in the first place. Instead, you forced me to become this!

Nico: No! I tried-

Lincoln: You tried. Everyone tried. And now look what's happened. The people we protect always treat me like a villain. So why don't I play the part? Now, say goodbye!

Lincoln then fired a lightning blast at him.

Nighmare ends...

Nico woke up. This woke up May, Poliwag, Poromon, and Manaphy as well.

May: Nico, are you okay?!

Nico: Yeah. I'm fine.

Poliwag: Doesn't look that way.

Poromon: Did you have a nightmare?

Nco: Yes. But can I just tell you guys tomorrow?

Manaphy: Well, sure.

They went back to sleep.

Nico: (in his head) This is getting out of hand. I need to make sure Lincoln goes back to normal before it's too late!

There was a knock.

Nico: Come in.

I came in.

Me: Nico? I heard you gasp as I was coming down to get a drink of water. Are you okay?

Nico: Yeah just had a bad dream.

Me: Uh oh. Was it about Lincoln turning insane and evil?

Nico: Yes. How did you know?

Me: I'm a dreamwalker remember? I saw what happened.

Nico: Oh right. Also I got to help him before it's too late.

Me: I know Nico. I know. We're all worried about him. He went through 18 years of hell because of both Dark Chase Young and Team Buktu. But I know we can help him.

Nico: Yeah.

Me: I'll see you in the morning.

I went to get a drink and went back to my room.

Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another one The Infernairans terrorized! Damn.

J.D. 2: Oh man, I remember Macacheesia!

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) Yep, and you know what kind of person I turn into whenever I come here.

Me: Oh boy, Full Mac and Cheese Nirvana!

War Machine woke up to see Bronzor staring at him

Bronzor: Morning James! Time for breakfast!

War Machine: Oh be right there.

He went and got dressed and went to the table.

Me: Morning James.

We gave him steaks and eggs.

Me: Oh Nico before we head out on the rescue, I need you to come with me to the Leaf Village to clear something up with Lady Hokage.

Nico: Oh right. I think I know what it is.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw another planet in The Forbidden Zone.

Nico: What the?! Is that?!

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) It's another planet in The Forbidden Zone, it's known as Cheeseburgairaira, a planet of burgers and neverending condiment rivers in The Forbidden Zone that was inhabited by powerful warrior angels called The Cheeseburgairairans, the males were not only natural born fighters and had incredible superhuman strength, but had powers over juicy burgers and condiments, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Cheeseburgairairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

WE GASPED!

Nico: No way, this is gonna be our first time going to one of the planets in The Forbidden Zone!

Me: Of course, once we go there and take care of the villain, Lincoln's going to absorb the souls of the Cheeseburgairairans, along with its core and planet and its Sun.

Lincoln: You guessed it. Plus, we also got a special guest there too. Now, we should finish breakfast and head there.

Lincoln had a sad tone of voice.

Me: Uh, right.

Nico: Team Buktu is really getting to him! Those fuckers.

Me: You guys head to the ship and we'll be right over in a few minutes. We'll be right back.

Varie: Okay.

We went to the Leaf Village.

We were worried about him, but Alexander Michaelson, he had a nasty look on his face, he believes his plan to break us and destroy us is coming to fruition, that damn bastard has no idea that Princess Ankhstarena is going to still help Lincoln and fully heal his heart, mind, and soul. We then finished breakfast, and we headed to Cheeseburgaira to take down the villain who's there and meet this special guest along with punishing Alexander Michaelson once his true colors are revealed and after Lincoln is purified.

But, another figure was following us: it was Alexander Michaelson?! WHAT THE?!

Alexander Michaelson: I got to hurry, I have to stop him! Dad, you need to be stopped, right now!

We were going to be in for quite the shock on Nico's rescue!

* * *

At the Hokage's Office, me and Nico were there to brief Lady Tsunade on what's been going on.

Me: So far everything is going as planned Lady Hokage. We captured all the Uchiha responsible for trying to launch the rebellion. Now we just have to get the last Evil Sasuke and we'll be good to go.

Lady Tsunade: Good to know.

Me: Unfortunately we've run into a couple of snags. As I'm sure you probably figured out by now, Team Buktu who we faced back in 2022 have returned.

Shizune: Yeah we heard all about that. That's awful!

Nico: It's not just that but their return and our plans are starting to take a devastating toll on Lincoln's sanity. He is being tempted to wanting to stay as a villain permanently and we don't know what is causing this.

Shizune: Oh no! I hope he isn't thinking about what I think he is doing?

Me: Don't worry one of our teammates is going to do something that could cure him. We hope. Also another reason why we're here is to make a little adjustment on our proposal. On Jonny 2X4's day to shine we're going after all the members of Team Buktu all at once and we're going to expose them to the world as frauds and phonies. We still plan to execute all the Uchiha like we said But we need to hold off he execution until Jonny 2X4's big day which is in 6 more days.

Lady Tsunade: That will be more than enough time for the Fire Daimyo to get the execution warrants ready. Okay your stay is approved until then.

Me: Great! Thank you Lady Tsunade.

Nico: We greatly appreciate it.

Lady Tsunade: I hope Lincoln gets better guys.

Shizune: Yeah the poor guy went through a lot in his entire life.

Me: That's an absolute understatement Shizune. I worry about Lincoln as much as everyone on the team.

Lady Tsunade: Good luck out there. Dismissed!

Me: Lets kick the tires and light the fires Commander Nico.

Nico: You got it!

We went to the ship and we were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14172.5: The U.S.S. Valorous Phoenix is en route to one of the Forbidden Planets and this is a planet that is made of Cheeseburgers. It's called planet Cheeseburgairaira. It's home to cheeseburgers and burgers and it's a planet Lincoln hasn't been to. Our mission is to help Lincoln and battle the baddy there.

Are with us on the ship.

Me: I've never been to one of the Forbidden Zone Planets before.

Lincoln: You'll be amazed about it J.D. There as so many of them.

Me: I heard all about them. They have been amazing so far.

Eli: I'll say!

Qin: And the food planets there are incredible.

Varie: Yeah no kidding there.

Jury Rigg: I'm excited too.

Nico: Jury Rigg, I want to thank you, Brain Gremlin, and your teams for coming

Jury Rigg: No problem Nico. I'm excited for this.

Ai: We're excited too.

Impmon: Same here guys.

Mako: Yeah!

Nico: Ai, what do you and Mako like to do in your free time?

Ai: Well we've been doing a lot of catching up with Impmon here.

Mako: Yeah and we came to the realization during the whole mess with the D-Reaper that Impmon is more than just our friend, he is family.

Me: Aww that's awesome guys.

Mako: We even helped him during that time.

Takato: We owe you guys big time.

Ai: It was nothing.

Camie: I'm just glad Jeri doesn't have to go through that ever again.

Me: So are we.

Ace Ukiyo: Yeah poor kid went through a nightmare.

Varie: I know.

Jeri Katou: I'm just glad I can now heal from my traumatic past.

Lori: We're literally so happy for that too Jeri.

Poromon: We sure are

Jeri: Thanks guys.

Poromon: Yep. Oh. Here Laney try our newest burrito.

Laney: Sure.

She ate a red burrito and it was spicy and tasty!

STEAMWHISTLE BLOWS! ALARM BELLS RING!

Laney blasted out intense fire from her mouth!

We absorbed it!

Me: WHOA! That was intense!

Laney: (Wheezing) What was that!?

Poromon: It's our super spicy death burritos. We are making it for an eating contest later today and we needed someone to taste it.

Laney: Oh! Wow that is potent! I can see why.

Me: Yep.

Nico: Wow!

Coup: You know I'm going to be in for that.

Me: YEAH!

Nico: Me too.

Me: We'll talk on that later.

Varie: Man part 2 of this adventure was intense!

Jimmy Neutron: Evil me was nuts.

Scarlett: He was really insane!

Nico: We got to visit the Lego version of Arkham Asylum.

Me: We sure did. Gotham City's home for the most really fucked up of all criminals.

Ymir: I can't believe they are that screwed up!

Me: That is an UNDERSTATEMENT. Why do you think we killed many of them in the Prime Universe?

Laney: Because they are just that dangerous.

Nico: And that monster of Lego Hugo Strange was ugly

Me: No shit! It was one butt-ugly piece of shit!

Qin: Lego Hugo Strange Really played around with fire there.

Me: He sure did. Or in this case Played with blocks!

WE LAUGHED AT THAT!

Lincoln: (LAUGHS) That is accurately well put!

Me: Yep.

Nico: Good comparison.

Me: Thanks!

Scarlett: And my akuma was REALLY out of control.

Nico: No kidding!

Samey: I remember seeing her on TV and she was REALLY evil!

Me: Blame Max for that.

Owen: Yeah my cousin really pushed you over the edge on that!

Me: Really low of your cousin Owen.

Ymir: Yeah.

Nico: But he's behaving himself these days

Owen: That's good..

Me: Scarlett being that evil scared him too.

Lola: Yep.

Scarlett: It sure did.

Qin: I know.

Me: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were there. Planet Cheeseburgairaira.

Me: Whoa so that's Planet Cheeseburgairaira.

Qin: Beautiful.

We got to landing.

We landed and we saw that it was an amazing planet!

Me: WHOA! So this is Cheeseburgairaira!

Lincoln: It sure is.

Qin: (DROOLS) Oh boy! I'm in heaven!

We laughed!

Xenia: It sure is awesome here!

Me: Yep.

Nico: Lincoln, I think you're enjoying being the villain a little too much.

Lincoln: Can you blame me? If the ungrateful people we protected over the years want to say I'm the villain, who am I to disappoint them?

Nico: Lincoln, us being villains isn't permanent. We'll be back to being heroes as soon as Team Buktu and the Crime Syndicate are defeated.

Lincoln: You know what, Nico? You're in no position to try and talk me out of this!

Nico: What do you mean?

Lincoln: It was thanks to your poor leadership that Team Buktu formed in the first place and was able to make us look bad the first time!

Nico: (angrily) Okay, you want to play the blame game? Fine! Let's continue with the fact that they actually formed because of you and JD! You two insisted we go on the Ridonculous Race! And that gave them the opportunity to form and carry out their first plan. And another thing? You, Girl Jordan, Laney, JD, Luna, Luan, Lisa, and Lily have been constantly questioning my leadership. NO MORE! What, did you think you guys were going to criticize my methods forever?

Lincoln: (angrily) I THINK PEOPLE AROUND YOU SUFFER EVERYWHERE YOU GO!

This outburst silenced Nico.

Lincoln: Sure, you're redeemed the Saiyan name. But what comfort is that to Mr. and Mrs. Ichijouji, whose son got killed the first time because of the bad decisions that you made?

WHAT!? THAT WAS LOW!

We all gasped at this. Nico's face turned into one of shock and hurt as he stepped back, feeling like he was punched in the gut for that, as both May and Maria covered their mouths in shock. Poromon and Poliwag had faces of shock as they went silent with nothing to say, while William glared at Lincoln. Taking a deep breath, I looked back up and slowly walked back towards Lincoln, and stared him down with a hardened look on my face.

Nico: I admit I've made mistakes. But at least they don't include attacking fellow heroes, nearly banishing an innocent girl to the Black Gates, and going on a secret side quest to help a teammate with her mindless revenge.

Lincoln got hurt at this. And then, he punched Nico.

POW!

Me: UH OH!

Nico stared at him in shock and disbelief before punching him back. Lincoln then blasted Nico in the torso, sending me flying across the ground. Nico quickly got back up on his feet and charged back to Lincoln and lunged at him, tackling him down and held him down in a struggle.

Maria: GUYS, STOP IT!

Eli: Excuse me. But I must discipline the nanny goats.

Nico: (fed up) STAY OUT OF THIS!

Nico then backhanded Eli, but I blocked his punch!

Me: THAT'S ENOUGH!

I used my magic and held this in place!

Me: NICO, LINCOLN STOP THIS RIGHT NOW!

KRABLANG!

I bashed both their heads together!

Me: This madness has to end! Lincoln listen to me! Don't you ever say anything like that to Nico! What you said was completely uncalled for and you know how much pain he went through because of losing his planet and all that!

Lincoln: HOW WOULD YOU KNOW!?

Me: LINCOLN You are being completely crazy right now! You went through so much hurt because of Dark Chase Young and all that! You fulfilled the prophecy and you did so much good in the world! You are acting like how Anakin was when he turned to the Dark Side of the Force! Would your mother and father and family want this?

Lincoln: How can you defend a person who's actions have already destroyed this team? Every call he's made has been the wrong one!

Me: That's a lie Lincoln! I don't know where you got the idea for that but Nico has done so much better than me in leading the team and he has done an amazingly good job at it too and I'm proud of him. But Lincoln I know you went through hell. But it's time to let it go. I know how much you are hurting because of everything you went through because of Dark Chase Young and Team Buktu and how it scarred you bad. But you have to let it go. This is not who you are. You are Lincoln Landon Loud, Reincarnation of Amaterasu and one of the greatest heroes and the bestest friend I've ever known since I moved to Michigan back in 2016 and you have the purest heart I know. You love all your friends and your future wives like me. You did so much good for countless people across the cosmos! You accomplished so much and made a tremendous impact on the world as much as we all have! Lincoln you even protected your family and your friends. That shows that you are a good-hearted and loving guy. You would never be a villain.

Nico: I won't deny that Team Buktu forming the first time was my fault. But you and J.D. have to accept responsibility as well.

Lincoln: I-I don't know what came over me.

Nico: Me neither. But you know where to find me when you figure it out. Now, if you excuse me, I got some burgers to eat to get my mind off this.

Nico then walked away. May then slapped Lincoln.

I stopped her.

Me: May NO! Stop it.

May: How could you say that, Lincoln?! I expected that from Team Buktu but not you!

Lincoln: Figures you would support him!

It was then Maria's turn to slap Lincoln.

I stopped her too.

Maria: Nico's right. We're ALL guilty of Team Buktu forming the first time. But using Ken's death against him was low!

William: (to me, Girl Jordan, Laney, Luna, Luan, Lisa, and Lily) You guys need to decide where your loyalty lies. Because this is the last straw!

May, Maria, and William then went to follow Nico. Poromon and Poliwag gave Lincoln disappointed looks before following suit.

Me: SHUT UP! All of you! Lincoln needs time to think that's all! Now calm down and shut the fuck up! We don't want a repeat of what happening during the 20 days of Darkness! Now just give Lincoln some time! I'll handle everything. Lincoln you just go clear your head.

Lincoln: Okay.

Me: Okay.

Lincoln: Guys, I need some time to think, but more than that, I need help.

Me: Lincoln...?

Princess Ankhstarena: Guys, wait here, I know what to do.

Me: Of course princess.

Lincoln and Princess Ankhstarena left and headed somewhere.

Nico was eating burgers to calm himself down. Nico actually was starting to feel better when I saw everyone else approach him with concerned looks.

May: (hugs Nico) Are you ok, Nico?

Nico: I've been better, all things considered. Unless your own friend had the audacity to use your own failure against you.

Me: It's not Lincoln's fault guys. Besides Emperor Z said there was a darkness festering inside Lincoln when we had his usual battle yesterday. And I have a very strong feeling I know what is causing it.

Maria: You don't think it's...

William: No way! Dark Chase Young is in the Black Abyss.

Me: I am trying not to think that.

Camie: Yeah me too.

Ymir: Same here.

Me: William what you said was Totally Unfair! You know Lincoln would never say stuff like that! He wasn't in his right state of mind! I am not giving up on Lincoln because of what he said! Just like I never gave up on Nico because of what Talon did and you thought Nico was a Traitor! I will never give up on my friends! So if you want to kill someone, kill me! But like it or not, I will NEVER give up on my friends or family! Like it or not we're all in this together! Like I've been saying since 2017! Like it or not, you know I'm right.

May: (GROWL)

Nico: May stop! J.D. is right.

Poromon: Nico, I think it's time you told everyone about your nightmare

William: Nightmare?

Me: Oh yeah I forgot about that. I heard Nico gasp earlier this morning as I was getting a drink of water and went to check on him.

Nico: Yeah. It was a terrible dream.

Natilee: This is what he saw.

Natilee showed a sketch of it and everyone gasped in shock, horror and fear!

Nico: (to me, Girl Jordan, Laney, Luna, Luan, Lisa, and Lily): Why exactly do you guys like to question my decisions? What exactly am I doing wrong?

Me: You're not doing anything wrong. We're just following through what you say. Also But like you I should tell you the truth. It's because we have our own share of failures and hateful vendettas.

Girl Jordan: I know how Lincoln feels. My Vendetta with Carnage.

Laney: My hatred towards Chandler.

Luan: My hatred towards Abby Sanchez that made me into a monster prankster like the Joker.

Luna: My hatred towards people that hate my relationship with Sam.

Lisa Loud: And my hatred towards people like Ophelia Shroud.

Lily: And my hatred towards Squidward.

Squidward: What did I do?

Me: Squidward remember how big of a jerk you were before?

Squidward: Oh! Right.

Me: Also my hatred towards Crocker and Burns. Some habits die hard even after everything you go through.

Nico: Okay you do have a point.

Me: Yeah.

Nico: (to Girl Jordan) I'm surprised you're not supporting Lincoln considering your his girlfriend and I always hold you back against Carnage.

Girl Jordan: Because I've learned how to control my hatred.

Me: Good for you.

Qin: Yeah.

Me: And besides we're not facing any version of Carnage right now.

Girl Jordan: Yeah.

Albedo: (sighs) If you want to blame someone, blame me. I was part of Team Buktu as well.

Nico: No. No one's blaming you, Albedo. And besides, you've really come a long way.

Me: Yeah you redeemed yourself.

Albedo: Yeah.

Me: Nico you should forgive Lincoln. The scars of what he went through run deep. You know what he went through over the last 18 years.

Nico: Right now, I just want to eat these burgers

Me: Okay. But when you think about it let me know. I never gave up on Nico during when Talon used Nico's contingency plans against us and I never gave up on Nico during the 20 days of Darkness. And now I'm not giving up on Lincoln. Like it or not we all are in this together and friends always are there for each other! And Team Buktu is not going to stop me!

My cutie marks glowed with all the elements.

Sunny Starscout: We're with you!

Twilight and friends agreed!

Lori: We're with you too!

The Loud's agreed too and so did everyone!

Nico: You're right! I am too!

May: Same here!

Maria: YEAH!

Poromon: We are too!

EVERYONE AGREED!

Lincoln: I don't even know what to do anymore. No matter how much we continue to help, those guys at the Lego DC World are still not going to believe us, and on top of that, Team Buktu is still causing havoc wherever they go, and it's only a matter of time before...! (Voice Breaking) Before...!

Princess Ankhstarena: Lincoln?!

Finally, Lincoln broke down and he cried as he hugged Princess Ankhstarena and he cried onto her chest, and she held onto him.

Princess Ankhstarena: It's okay, it's okay. (Thinking) Lincoln's heart is already too damaged, even if my technique helped, it's still not enough. (GASPS) Wait, there is something else, the one thing that will help purify him completely. (Out Loud) Lincoln, there is one place I know that will help you, the one place that'll truly purify you of all the darkness.

Lincoln: (Sniffling) T-there is...? Where?

Princess Ankhstarena recited an incantation, and then, a beam of heavenly light appeared from the ground and surrounded them, and when the column of light faded, they were now on Planet Houvo, Princess Ankhstarena's home planet.

Lincoln: Whoa, what is this place?

Princess Ankhstarena: Planet Houvo, my home planet.

Lincoln: It's beautiful.

Then, she took Lincoln to somewhere she knew, and what Lincoln saw was a truly amazing sight: a massive pure white building that looked like The Parthenon of Ancient Greece and The Pantheon of Ancient Rome, but twenty times larger with large white angel statues out in front that look like they're guarding the building and many more that are standing to the sides.

Lincoln: W-what is this place?

Princess Ankhstarena: This place is The Palace of True Eternal Purification, it's a place that we'd built to help those forever scarred by darkness be purified of all darkness, trauma, pain, and despair. 13.7 billion years, many people who came here have had their hearts purified and their minds and souls completely cleansed of all darkness, trauma, pain, despair, and all sorts of negative emotions. My Holy Hands of Houvo may have worked yesterday, but you need to be fully and completely purified of all that darkness, trauma, pain, despair, and negativity for good. But, only if you're ready.

Lincoln began taking time to think: everything that we said to him was true, we didn't want him to go down the path of enjoying being a villain, he'd worked too hard and come so far to have it ruined by The Crime Syndicate and Team Buktu. He destroyed Dark Chase Young and avenged his family for all the pain he and his family went through, and now, he needs to be fully purified and cleansed of all that darkness, he knew it in his damaged heart, mind, and soul.

Lincoln: Princess Ankhstarena, open the doors, I'm going inside.

Princess Ankhstarena opened the doors and Lincoln went in alone as the doors closed. As he walked throughout the building, the inside of the building was also twenty times larger than The Parthenon of Ancient Greece and The Pantheon of Ancient Rome, and inside, there were rows of ancient brave Houvoan warriors and angels, and there in the center stood a statue of Princess Ankhstarena.

Lincoln: (Amazed) Wow...!

Suddenly, the circle in the center in front of Princess Ankhstarena's statue glowed.

?: (Powerful Voice) Step forward.

Lincoln obeyed the powerful voice, and he stepped into the circle in the center in front of the statue of Princess Ankhstarena.

?: (Powerful Voice) You are indeed a strong warrior, but you also carry so much excessive negativity and darkness because of scars inflicted on you mentally. Do not worry, you shall be cleansed and purified at once.

Then, the oil basins were suddenly lit on fire along with torches with pure white flames, and then, Lincoln was suddenly being lifted off the ground and he was floating in mid-air. Then, he was then enveloped inside a white ball of light, and then, he felt his body coursing with white hot fire: this was the very ritual used to cleanse and purify fully all of those forever hurt and scarred by darkness and negativity.

Lincoln: (GRUNTS) (Thinking) Oh man, this feels really hot! It feels like liquid white hot fire is being injected into my body and it's really coursing through every fiber of my being! (GROWLS) Wait, I also feel something dark being sucked out of me!

Then, visible dark energy was suddenly being pulled and sucked out right out of Lincoln: it was the very darkness and negativity brought on by the years of painful mental scars, vicious beatings, and many other horrifying things he went through because of Dark Chase Young's evil scheme to destroy The Loud Family, and finally, the incident of Team Buktu two years ago and what's been happening now was also being sucked out of him and it was gathering into a very massive ball of dark energy that was gathering in the center!

Then, the memories of all the good times he'd had throughout his life and the eight years following my arrival to Michigan and the formation of Team Loud Phoenix Storm began flooding his mind: he saw that he was and always will be: a true noble hero with a pure heart and soul who always lifts the darkness of all those around him with a smile and always helps those in need.

Lincoln: I...I remember now! Yes, this is who I am and always will be!

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: I am Lincoln Landon Loud, Reincarnation of The Sun Goddess Amaterasu, Descendant of The Mighty King Arthur of Camelot, Descendant of Lachlan McLoud, Seventeenth Century Duke of Loch Loud of Scotland, Descendant of White Magic Wiccan Lorelai Newton, Emissary and Champion of Hinon, Iroquois God of Lightning and Descendant of The Iroquois Tribe of Michigan, Emissary and Champion of The Heavens, The Cosmos, The Universe, and The Multiverse and Beyond, Defender of All Life! This is who I am and always will be, and no one can take that away from me!

Finally, a heavenly white aura surrounded Lincoln: he was finally and fully purified of eighteen years of darkness and negativity that clouded his heart, mind, and soul.

Suddenly, Lincoln's deep sapphire eyes with golden yellow rings surrounding them turned neon deep sapphire blue and he was surrounded by rainbow, white, golden yellow, and blue energy with aura energy, white, golden yellow, and blue heavenly flames, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals, but then, it exploded out even more.

Back on Planet Cheeseburgeraira, we felt it from far away!

Eli: Whoa! Lincoln's energy and power is exploding even more!

Nebula Lanaia: What's happening?!

Me: I...don't know!

Nico: It's Lincoln! (GOT KNOCKED DOWN) WHOA! Holy shit, whatever Princess Ankhstarena's done, I felt it!

Lori: Whatever she's doing, it's working!

Me: THAT ENERGY IS MINDBOGGLING!

Lincoln let out a growl as his deep sapphire eyes with yellow rings surrounding them remain the same, but his pupils turn to slits, and his abnormally massive and powerful

upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED AND ERUPTED OUT OF LINCOLN WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE THUNDERBIRD, RAINBOW FIRE ANGEL, RAINBOW FIRE WEREWOLF, RAINBOW FIRE VAMPIRE BAT, RAINBOW FIRE DEMON, RAINBOW FIRE MERMAID, RAINBOW FIRE DRAGON, RAINBOW FIRE GRIFFIN, RAINBOW FIRE FAIRY, RAINBOW FIRE TIGER, RAINBOW FIRE ALICORN, RAINBOW FIRE QILIN, RAINBOW FIRE ANIMALS, AND RAINBOW FIRE MYTHOLOGICAL ANIMALS, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE

?: (Powerful Manly Voice) Not quite yet. Now, there is one last thing to do.

Lincoln saw the very massive ball of dark energy in the center: the very darkness and negativity brought on by eighteen years of the painful mental scars, vicious beatings, and many horrifying things he went through because of Dark Chase Young's evil scheme to destroy The Loud Family, and finally, the incident of Team Buktu two years ago and what's been happening now. Then, it started to take shape and it formed into DARK LINCOLN! It looked like him, but his hair was black hair and he had black sclera and bright red eyes full of that very darkness and negativity.

?: (Powerful Manly Voice) Now, you must slay the darkness that was once inside you, but now, has been forced out into the open.

Come then, (Aura explodes out) Let's do this!

Dark Lincoln: I WILL DESTROY YOU, AND THEN, I WILL DESTROY YOUR PATHETIC FAMILY AND ALL LIFE ON EARTH AND THE ENTIRE UNIVERSE!

Lincoln went after Dark Lincoln and he fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Dark Lincoln and they exploded with incredible power as they hit him.

Lincoln also attacked Dark Lincoln with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, tail swipes from his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were brutal than ever, and he let his massive white wolf with massive white angel wings companion also attack him too with incredible fury and he fired intense fire and elemental blasts at him and they explode with fiery and intense power.

Then, Dark Lincoln made a sword of darkness and they clashed with their swords, and it was fierce, but Lincoln overwhelmed Dark Lincoln and destroyed his dark energy sword, and he was forced onto his knees.

Dark Lincoln: You think you've won?! You think this is the end! You will never be free, you will forever be haunted by darkness wherever you go! You will never be a true hero, you will fail and everything you worked for will also be burned to ashes!

But, Lincoln, he had a forever calm look on his face, and he never made any angry looks on his face, but he looked at Dark Lincoln with empathy.

It's true I suffered for eighteen years because of what Dark Chase Young had done along with what Team Buktu has done two years ago along with what's happened yesterday, and I almost got close to falling from my very path. If Princess Ankhstarena hadn't shown up and I hadn't resurrected her, then I would've turned into you.

Lincoln raised his massive greatsword at Dark Lincoln, but then, the 120'11" massive wide, double-edged hulking gold blade was suddenly surrounded by a pure white purifying flame.

I will always remind myself that I am a true hero, and I will never turn away from those in need.

SHEEN!

LINCOLN REAPPEARED IN FRONT OF DARK LINCOLN AND PIERCED DARK LINCOLN RIGHT IN HIS BLACK HEART WITH HIS MASSIVE GREATSWORD'S BLADE!

Then, Lincoln removed his massive greatsword from Dark Lincoln who fell to the floor, and the white purifying flame began spreading across Dark Lincoln's body, and he was being destroyed completely!

Dark Lincoln: NO! NO! THIS CAN'T BE! NO! YOU CAN'T LEAVE ME LIKE THIS!

Lincoln walked away as Dark Lincoln exploded in white purifying flames and he was forever sent to The Black Abyss eternally forgotten. Then, outside of the temple, Princess Ankhstarena saw the doors open, and Lincoln stepped out.

Princess Ankhstarena: You've stepped out of the temple!

Then, Lincoln appeared right in front of Princess Ankhstarena and hugged her with his left arm as he lifted her up to his face with even more newfound massive godly physical superhuman strength and he kissed her on the lips and she also returned it as she hugged his neck. Then, they separated, and Lincoln had a smile on his face and tears in his eyes.

I will always be a true pure hero, and no matter what the circumstances are, I must always stay true to my heart.

Princess Ankhstarena smiled with tears in her eyes, and then, Lincoln moved her planet to our solar system, and he reappeared on Planet Cheeseburgeraira in front of us, and when we saw him in his new form, we were literally stunned, amazed, and struck with total awe at Lincoln's brand-new transformation and evolution.

Me: WHOA! WHAT THE?!

Nico: HOLY MOLY! LINCOLN'S TRANSFORMED!

And when the girls in Lincoln's harem saw him, they had massive atomic red blushes on their faces, hearts in their eyes, their tongues had rolled out, their noses were gushing out blood, and they let out wolf whistles upon seeing just how much hotter and sexier their hulking wolf hunk of a future husband has become.

Girl Jordan: (Swooning) My God! As if Linky couldn't get more hotter and more handsome and sexier.

Lily the Mermaid: (Swooning) He just proved us wrong, now our hulking wolf hunk of a husband has become even more hotter, more handsome, and even more seductive and sexier than ever. But, wait, what's with the additional white aura?

Lincoln and Princess Ankhstarena explained everything, and when they were done, we were really awestruck!

Me: No way!

Nico: WOW!

Me: Lincoln? How do you feel?

Lincoln: Incredible! I visited Princess Ankhstarena's planet and she saved me from myself.

Eli: So, you actually visited her home planet?

Then, we all came up to him and hugged him.

Me: But, you kept it in, that was unhealthy of you to do so, but it's okay, Lincoln. It's over now.

Nico: What Ankhstarena did, she just saved you from falling from the path you've always walked.

Anna Anyanova: And so do we, everyone, this is Cammy Cheeseburgairaira, Queen of The Cheeseburgairaians of Planet Cheeseburgairaira, she's Lincoln's Guardian Angel from the planet Cheeseburgairaira in The Forbidden Zone, a planet of juicy burgers and condiments. She was the Queen of The Cheeseburgairaians, who ruled the planet of Cheeseburgairaira and she's also far more powerful than her own people: in addition to being a natural born fighter and having immense power over juicy burgers, condiments, fire, flames, superhuman strength, and the ability to grow even stronger, but she was also born with angel wings, superhuman strength, immense power over protein rich steaks and meats, fire, flames, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and Cammy left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Cammy Cheesburgairaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers over juicy burgers, condiments, superhuman strength, fire, flames, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, omnipotent power and the immense powers over juicy burgers, condiments, fire, flames, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Cheesburgairairans, and he was already born with immortality and invincibility and his vampire powers grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem.

Cammy Cheeseburgairaira: And there's something you should know, guys, it's that I really despise Alexander Michaelson with a blazing passion because years ago, his mother, Ravenna Michaelson, murdered her younger sister in cold blood whom Alexander was dating when he was fifteen, she hated that Alexander didn't save her in time, and because of the cold-blooded act from his bitch of a mother and the anger-fueled decision to cut ties with him and swore he would never know any sort of happiness, Alexander Michaelson finally snapped and he had became completely cold-blooded, heartless, vile, evil, and sadistic, far more than his own heartless mother, and he'd been watching Lincoln's descent ever since Team Buktu returned and was causing havoc in The Lego DC World along with Darkseid, and he was secretly plotting to break us big time.

WE GASPED IN ABSOLUTE HORROR!

Anna Anyanova: Plus, Cammy was the one who'd sent Princess Ankhstarena's spirit to find Lincoln and help heal and purify him.

WE GASPED IN SHOCK!

Eli: Is this...!

Cammy Cheeseburgairaira: Yes, it's true, Eli.

Me: So, what we felt yesterday was true! Oh God...! So it was all a final contingency plan to have Dark Chase Young make Lincoln go bad and kill us! From beyond the Black Abyss!

WE GOT PISSED OFF!

EVERYONE: THAT MOTHERFUCKING DRAGONFACED BASTARD!

Luna: Yep, he just didn't know when to even fucking quit! Even in death and from beyond The Black Abyss, that motherfucking dragon-faced bastard still finds ways to piss us off. But, Lincoln's forever purified of all that darkness, and Dark Chase Young is FINALLY AT LONG LAST A FORGOTTEN MEMORY!

Me: THANK GOODNESS!

Poromon and Mascots: HALLELUJAH!

Me: AMEN!

?: You also missed out on one detail, Cammy!

Then, we saw a 40'11" tall male with brown hair, fair skin, brown eyes, extremely muscular body, and dressed in a black coat, dark blue shirt, black pants, and black knee-high boots.

Rebecca Michaelson: Wait, Alexander?! But, who is? (GASPS) Dad!

Me: Your Dad? But, how did he come back?

Alexander Michaelson: Yep, our father, Nathaniel Michaelson, the man who died fifteen years ago due to Ravenna Michaelson, and about how he came back, it was due to the dark magic of Dark Chase Young eight weeks before you guys killed him. He brought Dad back and made him eighteen again, but Dad lost his memories, and Dark Chase Young implanted a copy of my memories, and the whole losing Carrie Cheeseburgairaira, Cammy may have got that part right, but I didn't snap and turn into...Ravenna Michaelson, it was Dad, and almost immediately, the thirty-five years of abuse he suffered from Mom came back to him and caused him to snap, and HE was the one had became completely cold-blooded, heartless, vile, evil, and sadistic, far more than his own heartless wife, and he was the one who had been watching Lincoln's descent ever since Team Buktu returned and was causing havoc in The Lego DC World along with Darkseid, and he was secretly plotting to break us big time.

WE GASPED: WHAT A PLOT TWIST!

Finally, now exposed as his true self, Nathaniel Michaelson lost it big time, as his massive black angel wings turned into massive black demon wings, and his midnight blue eyes turned blood red!

Nathaniel Michaelson: YOU GODDAMN BITCH! ALRIGHT, YOU WANT THE TRUTH?! YES, I DID IT, I SECRETLY PLOTTED TO BREAK YOU STUPID TEAM LOUD PHOENIX STORM FOREVER! AND ON TOP OF THAT, I HAVE ALWAYS HATED YOU FROM THE VERY BEGINNING, LINCOLN! YOU HAVE A FAMILY, A HAREM OF FUTURE WIVES, CHILDREN, PARENTS WHO LOVE EACH OTHER WITH ALL THEIR HEARTS, FRIENDS, AND EVERYTHING! AND WHAT DO I GET?! NOTHING BUT THIRTY-FIVE YEARS OF AGONY AND PAIN! THE SUPPORT OF YOUR GRANDPARENTS, MY PARENTS, ALEX, THAT DIDN'T HELP ME AT ALL! MY HEART WOULD NEVER RECOVER AND IT LED TO MY DEATH! AND THAT DAY WHEN CARRIE CHEESBURGAIRAIRA WAS MURDERED BY MY COLD-HEARTED BITCH OF A WIFE, THE THIRTY-FIVE YEARS OF PAIN AND ABUSE I SUFFERED FROM THAT BITCH CAME BACK TO ME!

Nathaniel Michaelson got out his massive darkness greatsword and pointed it at Cammy Cheeseburgairaira.

Nathaniel Michaelson: AND YOU! YOU GOT SO ANGRY AT ME, YOU DECIDED TO CUT TIES WITH ME FOR GOOD, YOU

DESTROYED THAT LAST SHRED OF HUMANITY I HAD IN ME! AND I CAME TO REALIZE THAT LIFE IS WORTHLESS AND CHEAP!

He had a deranged and evil grin on his face!

Nathaniel Michaelson: So, yes, I plotted to break you all up, and seeing Lincoln's descent was indeed my masterpiece! The most powerful team in the universe broken by this act! It would've been so fucking glorious! NOTHING BUT MINDLESS GLORIOUS CHAOS! (CACKLING MALICIOUSLY)

WE WERE ABSOLUTELY DISGUSTED!

Me: YOU FUCKED-UP TWO-FACED COLD-BLOODED BLACKHEARTED WORTHLESS EVIL SADISTIC VILE BASTARD!

Nico: BECAUSE OF YOU, WE ALMOST LOST LINCOLN! YOU HEARTLESS BASTARD!

Rebecca Michaelson had her head down and her hair was covering her eyes, but Lincoln knew it: she was pissed.

Rebecca Michaelson: Dad, how could you say that?!

Nathaniel Michaelson: THAT WOMAN COST ME EVERYTHING I HELD DEAR TO ME: YOU, ALEX, AND MY ENTIRE FAMILY!

Finally, Rebecca Michaelson lost it as she snapped her head up and glared at her father with horrific fury!

Rebecca Michaelson: YOU ROTTEN TWISTED PSYCHO! I CAN'T BELIEVE WHAT YOU DID! YOU TRIED TO DESTROY TEAM LOUD PHOENIX STORM, AND ON TOP OF THAT, WE ALMOST LOST LINCOLN AND ALL YOU CARED ABOUT IS DESTROYING US AND ALL FOR DARK CHASE YOUNG'S PROMISE GETTING REVENGE ON OUR MOTHER! YOU WANT ME TO RIP YOUR FACE OFF JUST LIKE WHAT ALEX DID TO OUR SO-CALLED MOTHER?!

Nathaniel Michaelson: YOU WHAT?! YOU BLABBED ABOUT THAT?!

Rebecca Michaelson: I DON'T WANT ANYTHING TO DO WITH A FUCKING LEECH LIKE YOU, YOU DAMN THIEF! AND TEAM LOUD PHOENIX STORM ALSO KNOWS OF YOUR DAMN TRUE NATURE AS WELL, YOU FUCKING LEECH! AND NOW, YOU'RE GONNA PAY!

But, before Nathaniel Michaelson could try to attack us, Lincoln formed and fired a pure white energy blast from his left hand at him, and Nathaniel Michaelson screamed in anger and rage as he got hit and he would be forever forced to deal with own darker side: the one born from 35 years of abuse and pain.

Nico: Alex, tell your Dad he's not allowed anywhere near us ever again, or until you decide to purify him!

Alexander Michaelson: I'll have to wait until I transform, Nico.

That blast I hit him with would make him be forced to deal with his darker side: the one born from 35 years of abuse and pain that caused his descent into madness. If he shows true remorse, Alex will go to purify him, but after what we'd seen, it'll take some time.

Then, a bright light hit Nathaniel Michaelson and he was suddenly imprisoned inside the former Prison for Dark Sides, now it was turned into a Rehabilitation Center and Prison for those forever damned by their own malicious darkness.

Me: Fucking bastard! Serves him right!

Cammy Cheeseburgairaira: Big time, but Alex, sorry we didn't know it was your Dad. You guys look alike.

Rebecca Michaelson: Dad's high school graduation photo and Alex's photo are almost alike, it was really eerie.

Suddenly, Lincoln pinned Cammy Cheeseburgairaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow

markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Cammy Cheeseburgairaira with brown gems on the gold lightning bolts and brown crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Cammy Cheeseburgairaira: That's my special gift to him: Cheeseburgairaira's Blessing of Fiery Beefy Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 120'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Cammy Cheeseburgairaira: Whoa! (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Girl Jordan: (Thinking) Oh God, if it means seeing him in the nude, we're gonna be in for quite the night.

Then, it was Alexander's turn!

Alexander Michaelson: DO YOU HAVE ANY IDEA WHAT YOUR TWISTED SCHEME ALMOST DID? WE ALMOST LOST MY FUTURE BROTHER-IN-LAW, WE ALMOST LOST THE MAN MY SISTER AND HIS GUARDIAN ANGELS SWORE TO PROTECT! Me: OWWW!

Nico: You okay?

Me: Yeah. Something hit me hard.

Nico: Who did that?

Me: Yeah!

I saw what it was that hit me and it was a SKULL!

Me: A SKULL!

Courage: AAAAAAAAAAAAAAAAAAHHHHHH!

Poliwag licked it.

Me: Poliwag you don't want even know where that skull came from!

Camie: Yeah!

Laney: Look!

We saw a Mega Chandelure and Mega Brambleghast!

Me: WHOA! Mega Brambleghast and Mega Chandelure! Bash me on the head with a skull will ya!

Nico: Where did they come from?

Me: They must be some of Dark Gale's work.

Philip: Lets see.

He used Telepathy and gasped!

Philip: It's Jewel and Stith! Jewel is Mega Chandelure and Stith is Mega Brambleghast!

Qin: WHOA!

Me: Lets go help them.

We went over.

Philip: Stith and Jewel it's us! Philip and Shotaro.

Mega Chandelure used Poltergeist on Horsea but she put her clone in front of her.

The clone got hit with ghost fire and blasted her.

Horsea: HA!

But Mega Brambleghast fired a skull and then..

KRABLAM!

She got bashed on her head by a skull!

Horsea: OW! (CRYING!)

Maria: Are you ok?!

She got a nasty lump on her head!

Maria: OOH MAN!

Me: Ouch!

Me: Okay then!

We fired waves of energy and blasted them.

Then I snapped my fingers. They reverted back and Mega Brambleghast threw a skull into the air.

Jewel was a girl with blue hair and blue eyes and blue angel wings and had Mega Chandelure on her forehead and the Jewel Memory symbol and W symbol on her arm.

Stith had black hair and purple eyes and black angel wings and had Mega Brambleghast on her forehead and the Skull Memory symbol and a W on her arm.

Then...

KRABLAM!

She got bashed on her head with the skull!

Me: OOOH! Man that had to hurt!

We went and wrapped them in blankets and brought them over.

Jewel woke up to see Horsea's smiling face.

Jewel: Huh? A Horsea?

Horsea: You hit my clone!

Me: Yeah she did. But Stith hit me and Horsea on our heads hard! Ouch.

Horsea: YEAH!

Jewel: Oh man that had to hurt.

Me: No kidding! She ended up hitting herself too.

She saw some of us beaten up.

Jewel: Oh my god! What happened to all of you?

Me: Uch don't fucking ask.

Nico: Long story.

Stith woke up and she had a REALLY NASTY HEADACHE!

Stith: (Groans) OW! What hit me!

She felt her head and it was bleeding somewhat.

Varie: Uh oh. Here.

She went and healed her.

Me: Well Stith you hit me and Horsea and ended up hitting yourself hard on the head too. You bashed us hard with skulls.

Horsea: That's right.

Stith: Oh man! Sorry about that guys.

Me: It's like getting hit in the head with a block of concrete.

Philip: It sure is.

Jewel: Philip! Shotaro!

Stith: I'd hug you but I'm getting patched up.

Shotaro: It's all right sisters.

They hugged them.

Me: You both were turned into a Mega Chandelure and a Mega Brambleghast by Dark Gale.

Jewel: Oh man. We were fighting the Jewel and Skull Dopants.

Nuju: I remember the Jewel one but not the Skull one.

Me: What are your rider names?

Jewel: I am Kamen Rider Jewel. I make crystal and jewels.

She formed an orange and black jeweled diamond necklace.

Me: (WHISTLES) That is beautiful.

Rarity: Oh my that is absolutely amazing darling.

Carly Atlas: It sure is.

She gave it to Carly.

Jewel: It matches your outfit perfectly Carly.

Carly Atlas: I agree. Thanks.

Stith: I am Kamen Rider Skull.

Me: That is coincidental. There's another Kamen Rider Skull that Shotaro knows.

Nuju: I remember that. Sokichi Narumi.

Me: I can't remember if we met him or not.

Nico: We'll check later.

Me: Yeah.

Rarity: Lets get you some new clothes darlings.

The Fashion Brigade gave them new clothes. Jewel's were blue and she had a Bling Bling Magisword. Stith's were black and she had a Bonehead magisword.

Stith: We look awesome.

Me: You sure do.

They were given their Doubledrive belts too.

Qin: There.

Me: We should also face the next underground monster too.

Nico: Yeah. Where is it?

Me: Wait look!

We saw a RATBAT! It was a hairy and long-tailed brown anthropomorphic rat-like monster with blunt muzzle and bat-like nostrils, teeth and ears, large glowing red eyes and huge bat-like wings along with long curling fingers!

WE GASPED!

Me: WHOA MAN!

Flint Lockwood: Is that a Ratbird?

Me: No it's a Ratbat!

Qin: UGLY THING!

Shanan: Oh man! That's a Bubonican Ratchiroptian! It's a Nocturnal Rat Bat creature from the planet Bubonica!

Qin: GEEZ!

2003 Mikey screamed like a little girl

Me: Yikes. Well lets see if this rat likes cheese! (SPINS MAGISWORD BRACELET)

CHEESE MAGISWORD!

I fired waves of cheese at her and she was eating it!

Ed turned into Edzilla!

Edzilla: ED SMASH RAT

Ratbat: She shares my name.

Me: Very coincidental!

Qin: Yeah!

Ed smashed and pulverized her all over!

Me: CHAKRA CHAIN RESTRAINT!

I held her down with chains.

I took out a vial and injected her.

She reverted back and was a girl with brown hair and brown eyes.

I wrapped her in a blanket and brought her over. But she smelled like shit!

SEAL BARK!

Me: (Sniffs) HOOWEE! She smells awful!

Nico: Geez! She needs a bath!

Edzilla: ED IS STRONGEST THERE IS!

Eddy: (LAUGHS) You got that right Lumpy!

She woke up.

Girl: (Groans) What happened?

Me: Are you okay?

Girl: I think so.

Me: What's your name?

Rufina Remmington: Rufina Remmington. (Sniffs) (Sniffs herself) GEEZ! I smell awful!

Varie: Lets get you cleaned up.

We got her in our portable cleaning station.

Rufina Remmington: Ahh.

Me: What can you tell us about yourself Rufina?

Rufina Remmington: Well I was Born to a poor family and my father was drunk and he died on the streets. Me and my mother lived in a trailer park. I got a job working in a strip club and worked at a waitress by day.

Me: Oh man!

Varie: That is crazy!

Me: Yeah.

Sydney: Do you remember me?

Rufina Remmington: I do Sydney.

Me: What was the last thing you remember before being turned into that?

Rufina Remmington: I was working in my Strip Club Job and then some men jumped me and everything went black.

Me: Shredder's footsoldiers. Also High Mage is dead. We didn't kill him unfortunately.

Camie: Long story.

Rufina Remmington: I see. But what happened to all you guys? You look like you all got into a fight with one of your own.

Me: Ugly story.

Poliwag: Strip club?

Rufina Remmington: The Stinking Skunk Gentleman's club.

Nicole: That is the only club I haven't shut down. I make sure Jiraiya doesn't go there.

Poliwag: Oh.

Rarity: Lets get you new clothes darling.

She was given brown and orange clothes.

Rufina Remmington: I look amazing.

Me: You sure do.

Poromon ate more burgers.

Cammy Cheeseburgairaira: (LAUGHS) The cheeseburgers here on my planet are the best there are.

Lynn: You got that right! (Eating) MMM!

Me: (Eating one) Mmm! They sure are good aren't they.

Camie: I agree.

Cammy Cheeseburgairaira: Yeah.

Jewel Hidari: (Eating one) Mmm! Boy no kidding there.

Stith Hidari: I agree. So tell us what happened here?

Me: Well you do have a right to know.

We told them what was going on with Lincoln and how it hurt us.

Jewel Hidari: OH MAN! I had no idea Lincoln was going through all that.

Me: Many of us were shocked.

Nico: Yeah but he's better now.

Qin: Yeah he's purified and better than ever.

Jewel Hidari: We'll gladly help you guys with dealing with Team Buktu.

Stith Hidari: Yeah! Those lowlifes will pay for everything they did to you guys and beyond!

Me: We greatly appreciate it girls.

Rufina: Yeah they are no heroes! They are monsters!

Me: You got that right!

Horsea ate some burgers.

Horsea: (Eating) Delicious!

Me: Yeah.

Lily: I should tell you guys why Patrick's Akuma became like this.

Me: Okay.

She went over what happened.

In the beginning of the episode, it's a slow day at the Krusty Krab and Mr. Krabs checks the empty cash register. Just then, Patrick walks in and develops (what SpongeBob calls it) Krabby Patty withdrawal. Mr. Krabs is eager to have a customer and asks Patrick if he could pay for the Krabby Patty. Patrick says he could and proceeds to eat 50 Krabby Patties with extra cheese. When Mr. Krabs gives Patrick the bill, he realizes Patrick didn't have any money, so he puts him to work to pay off the Krabby Patties as punishment for not paying for his meal.

However, Patrick messes up on all of the jobs. He tries cleaning the bathroom floor, but Mr. Krabs catches him eating the hand soap (and commenting that it doesn't taste as good as it smells). He tries placing ice cube trays into a barrel, but he destroys the freezer and the ice cubes. So Mr. Krabs places him in a room with a large trash chute and threatens to never give him another Krabby Patty if he messes up this job, so Patrick places full trash bags into the machine, an easy job that he handles well until SpongeBob walks in to check on him. SpongeBob is carrying a bag of money that Mr. Krabs wants him to put in the safe. When Patrick is struggling to finish the job of getting rid of the garbage, SpongeBob tells him that he didn't flip the power switch down, so when he did, all the trash bags went down. Patrick thanks SpongeBob, but then he notices the money bag over SpongeBob's shoulder and immediately thinks he forgot one. He takes the sack, and despite SpongeBob's loud protests, places it into the shredder. Since it is full of money, the shredder cannot slice the bag up, so Patrick flips the power switch up and down, causing the compactor to expand just as Mr. Krabs walks in.

The compactor is so broken that it jumps up and down cause of the blockage while the compacter tries to shred the bag of money. Just after Mr. Krabs asks how Patrick is doing, not seeing the compactor (cause he has his eyes closed), the compacter then explodes and the explosion is seemingly so big that the explosion even destroys the

Krusty Krab (which is even protected with a metal skin so Patrick wouldn't get out), and the sack of money, which was launched into the air, along with the compactor, lands in the compactor, where it is finally shredded (without any holdbacks). As bits of paper money fall like snow, Patrick asks an unamused Mr. Krabs if he can eat again, as the episode ends.

When she was done we were shocked.

Me: Oh man!

Patrick: Yeah I forgot my wallet back then.

Lily: So I covered for Patrick and paid for his meal.

Mr. Krabs: Yeah that was nice of ye lass.

Lily: It was Mr. Krabs.

Nico: It sure was.

Lily: I didn't need that money anyway.

Nico: You should always have your wallet

Me: Oops.

Qin: Yeah.

Nico: Yep.

Patrick: I know.

Me: Anyway are we all done with our snack?

Nico: Yep.

We were full for now.

Poromon: Good!

Me: We got to save room for the eating contest later.

Nico: Oh yeah.

Me: Now we got a job to do.

Poromon ate some while we weren't looking

Poromon: (GULP)

Me: Poromon you sneaky devil.

Poromon: Sorry. (BELCH)

The noses of Lincoln's harem literally gushed out blood like a fountain, but Lincoln was only getting started as he proceeded to do the bodybuilding poses he used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild!

Lily the Mermaid: AGH! TOO HANDSOME! TOO MANLY! TOO HOT AND SEXY! CAN'T TAKE IT...!

Finally, they fainted to the floor!

Me: (Snickers) Oh wow...! You made them faint!

Maria: They couldn't handle the overload of too infinitely hot, too infinitely handsome, too infinitely manly, and too infinitely sexy from Lincoln, and they crashed!

Lanaia: Wow...!

Nico: Yikes, thank goodness it was in front of your harem, and not in public. You saw what happened with those college girls and high school girls at the bodybuilding competition last month, right? They went totally hog wild when you really went all out with those bodybuilding poses, Lincoln!

Lynn: That was nothing compared to the past eight years he'd participated in them, they almost got that close to...!

Suddenly, Lincoln was surrounded by an immense golden yellow aura with sunlight and light and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use The Atavism of The White Wolf of Amaterasu again!

Lincoln: (Speaking in Japanese) 太陽の光と天界に呼びかけ、この恐ろしい悪の忌まわしい存在を倒し、永遠の破滅の地へと送り届けます。祝福された者の魂が蘇り、地獄の民に永遠の罰を与え、彼らを永遠に冥界の闇へと送る強力な狼の姿をとりますように。私の

Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send them to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and formed into white wolves with glowing golden yellow markings and they ran at Ganondorf and attacked him with fierce fury.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, STAY DOWN!

Lincoln, Nico, and I did one final powerful energy slash that hit KrabbyPattyzilla hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and KrabbyPattyzilla was on his last legs and he was really really mangled.

Then, we grilled and charbroiled him and we ate him, and we belched out his spirit and sent him to The M.O.E. We cheered as we holstered our weapons and powered down and boarded the U.S.S. Valorous Phoenix.

Cammy Cheeseburgairaira: Well, that was one awesome battle!

Lincoln: (MASSIVE THUNDEROUS BELCH) Tasty one too.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Cheeseburgairaira and it was in the city.

Lincoln: There it is.

Cammy Cheeseburgairaira: The Well of Souls of Cheeseburgairaira.

Then, Lincoln hovered his hand over the intricately carved stone cover with an orange gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of red souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Cheeseburgairaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Cheeseburgairaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their immense superhuman strength, immense powers over juicy burgers, fire, flames, condiments, and the ability to grow even stronger, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and red aura with condiments and burgers surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their immense superhuman strength, immense powers over juicy burgers, fire, flames, condiments, and the ability to grow even stronger and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and he found the core of Planet Cheeseburgairaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Cheeseburgairaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Cheeseburgairaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Then, we all came back home.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Cheeseburgairaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH!

Cammy Cheeseburgairaira: Oh man! (Thinking) Oh, hot damn, Lincoln's really grown up that much in height and muscle mass, he's even more beefier and hunkier than the males on my planet and the other males on the other Forbidden Zone planets! Agh! No, I can't think of what's below his waist, I still hadn't forgotten about that fish head prank of Luan's and paint bomb prank that left him butt naked and au natural!

Lincoln: (Thinking) You know I can hear your thoughts, Cammy.

Cammy Cheeseburgairaira: Dang it!

Nico: I can't believe this was our first time going to one of The Forbidden Zone planets, so awesome!

Me: You said it. Plus, we also met your Guardian Angel, Lincoln.

Lincoln: Yep, and she must've been pretty busy with dealing with Patrick's 2nd Hypothetical Akuma, but he sure tasted good. (BELCHES)

Poromon burped.

Me: Boy that was a tasty one!

Qin: YEAH!

Me: I hope many more Akuma's are like that.

Lola: Me too!

Mr. Krabs: (LAUGHS) Yeah no kidding lads.

Lincoln: And Nico I'm glad I am purified and again I'm really sorry.

Me: Hey it's okay Lincoln. Besides now we know what it was that did all that to you.

Nico: We just couldn't believe it was all a backup plan from Dark Chase Young.

Me: Yeah no kidding. But look at the bright side. Now we never have to face that monster ever again.

Qin: Good fucking riddance.

Nico: HALLELUJAH!

HALLELUJAH! HALLELUJAH!

We were rid of him for good.

Nico: Nice job Rookidee.

Rookidee: Thanks! Got any Scottish Ale?

Me: Ooh you like the old stuff from centuries ago.

Merida: (Scottish Accent) Aye I can get some.

She got some out and it was an old barrel full of old fashioned Scottish Ale that she and her village drank a lot of.

Me: I remember seeing the people of DunBroch drink that.

Eli: Me too.

Merida: Aye it's a traditional ale we drank now.

She poured him a mug and he drank it.

Rookidee: Ahh. Good stuff. (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the party! (BELCH)

Poliwag: Sing the ABC's!

Rookidee: (SINGING A SEA SHANTY)

He was singing Sailing Over The Dogger Bank!

WE LAUGHED!

Mr. Krabs: (LAUGHS) That was a good sea shanty!

We danced to that too!

Qin: Love sea shanties!

We stopped and reverted him back.

Poliwag: (LAUGHS) Love sea shanties too!

Nico: So, the contest is later, right?

Me: Yep.

Poromon: We have it set up in Neo Phoenix Land. Coup and the biggest eaters that entered before are going to do it.

Me: And so will me, Nico, May, Maria, Lynn and Eli.

Eli: YEAH!

Me: Yep.

Nico: Nice!

Jury Rigg: I hope you all win.

Coop: Eating contests for me are lunch for me.

Me: You know it Coop. You are the king of eating. And don't worry Nico, Chris won't be there this time. We promise.

Nico: Good. Just because we spared him doesn't mean we're friends

Me: He had a good reason to hide here Nico because he was in the wrong place at the right time.

Nico: Oh. Okay. Where is Chris hiding anyway?

Liam beckoned him.

Liam: (Whispers) He is hiding in an underground bunker in the forest behind my barn. Chris is not that bad a guy when you get to know him. I give him food and shelter there for free.

Nico: (Whispers) Oh okay there.

Jury Rigg: I'm just glad we don't have to deal with Charles Yamamoto anymore.

Stewie: Scaring him with the Robot from the Queen Album was really fun to do though.

Nico: Oh, Jury Rigg, what do you like to do in your free time?

Jury Rigg: Oh I like building weapons from scrap metal.

He pulled out a huge collection of them.

Jury Rigg: I make all kinds of weapons.

I looked at a ray gun.

Me: Wonder what this one does.

Jury Rigg: Wait that one is a...

ZAPP!

I accidentally zapped Maria with it.

Jury Rigg: A hot bikini swimsuit ray gun.

William: WHOA MAMA!

Me: Oopsies.

Horsea: Wow Maria you look smoking!

Me: Sorry about that.

Maria: No worries. But I do look hot even though I like a one piece. (STRIKES A POSE)

CATCALL!

Nico: I'll change you back.

Nico did so.

Maria: Thanks.

Lana: Wonder what this one does.

She fired and a beam hit the ground and there was a rumble!

Me: Uh oh!

Jury Rigg: That's a Volcano Forming Ray!

Then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOMMMMM!

OUT OF THE GROUND ROSE A NEW VOLCANO IN THE MIDDLE OF THE PARK!

It looked like the volcano in the middle of Townsville!

We were amazed!

Me: WHOA! A New volcano!

Nicole: Oh wow! I got to get to work on this one right away!

Me: Wow! That one was cool!

Blossom: Reminds me of Mojo Jojo's lair in the park.

Me: Wow! (To Blossom Z) Blossom did Mojo Jojo of your world live in a Volcano Mountaintop Observatory in the middle of Townsville Park as well?

Blossom Z: Coincidentally yes he did.

Me: Wow! I guess we weren't paying attention to that when we were on Cadance's missions.

Qin: Yeah.

Nico: Let's get to the Anothers, shall we?

Me: Yeah but those ray guns are cool.

Jury Rigg: They sure are.

Lincoln: (Sensed The Anothers) Ah, and The Anothers are coming.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is The Avatar of The Move Clow Card as well as Another War Machine.

War Machine: Another me!? Oh man.

Lincoln: Awesome, and you guys are gonna love meeting her.

LORI, LYNN, LOLA, LISA, AND LUAN SCREAMED IN HORROR!

Me: Oh boy...!

Nico: (To Lincoln) Did they do something to piss her off?

Lincoln: Afraid so, and I'm gonna be upgrading the weights in my gym in my room and our gym in The World Tree Estate along with increasing the reps of my workouts.

Nico: Well, with how much stronger you've been getting along with getting taller, buffer, and more beefier in muscle, I was about to say.

Me: Yep. So we got Another Brain Gremlin, Terabiter, Kamen Rider Eld, Siomaneking, Abunger and Genshi Tiger are up.

Qin: Yep. And Jury Rigg, Ai & Mako, Suzie Wong, Kenta, Kazu and Henry are up to face them.

Me: Yep.

Nico: There they are!

We saw Another Terabiter, Eldoradriver, Siomaneking, Abunger and Genshi Tiger.

Me: WHOA!

Nico: This will be fun.

Another Terabiter: It sure will.

They reverted back and were the gene-slammers of Marineforce Battleship and Gunkan Suship Uniclass!

Me: WHOA!

Nico: Sakura Uni and Laura Marina!

Laura Marina: Good to see you Nico.

Sakura Uni: Want some sushi?

Poromon: Ooh I'll have some please!

He was given a plate of sushi.

He was eating it with chopsticks.

Poromon: Mmm! I missed your sushi!

Nico: Yeah he sure has.

Sakura Uni: I can tell.

Me: By the way girls are the rest of the Anothers friendly or hostile?

Sakura Uni: One is friendly and the other is ABSOLUTELY hostile.

Me: Uh oh.

Laura Marina: It's someone that Girl Jordan is not going to like at all.

Girl Jordan: And I have a feeling I know who it is!

Me: OH SHIT! It's Carnage!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: THE ONION OF AGONY SOIL YOUR MACAROON!

Qin: YEAH!

Maria: Now for backup! (TURNS DIAL) ICE FURY 6 OF DREAMLAND!

She summoned Darkness Ice Monster (Dragonball), Driblee, Mr. Frosty (Nightmare in Dreamland), Crystal King, Snowflake Obsidian and Water Galboros EX!

Me: YEAH!

Nico: And now, we wait!

Me: We don't have to wait long!

We saw Another Brain Gremlin and War Machine!

Me: There they are!

Qin: Oh boy this is gonna get ugly!

Another Brain Gremlin: (In a girls voice) It sure is.

She reverted back and it was the Avatar of the Move Card!

Lincoln: Morgan Move!

Morgan Move: Wait Lincoln!? Oh wow! You look amazing! You look better than ever!

Lincoln: I've had to go through an intense purification process.

Qin: Long story.

Nico: Care to introduce us?

Anna Anyanova: Sure. This is Morgan Move, Avatar of the Move Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with incredible movement, flexibility, agility, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Move Clow Card, and the magic of Clow Reed. She's The Movement Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Morgan Move is a master of the powers of The Move Clow Card and she's a powerful master of movement, flexibility, agility, and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Galena Glow came to Royal Woods where she met Lincoln, and she taught him how to master the powers of movement, flexibility, agility, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Move Card, and the magic of Clow Reed, and over time, Lincoln gained even more incredible movement, flexibility, agility all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Move Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by using her movement, flexibility, and agility to get Lincoln out of their way, and she kicked them so hard, she sent them flying to The Hunnicut Farm where they landed in a pile of cow manure!

Me: HOLY CRUD!

Qin: GEEZ!

Lola: That was the worst thing I've ever smelled!

Lana: I liked it on Lola.

Girl Jordan Growled ferociously at Another War Machine!

Girl Jordan: Come out and show yourself Cletus Kasady!

He laughed and revealed himself! IT WAS CLETUS KASADY! The one from the Spiderman Animated Series universe! HE WAS LAUGHING LIKE A FUCKED UP MANIAC!

Me: Still just as fucked up as ever!

Nico: Ok, this is just cruel irony!

Me: What's the matter Kasady, your bloodlust died with your brain?

Kasady: NO! I DON'T HAVE THE CARNAGE SYMBIOTE ANYMORE! IT'S ALL YOUR FAULT ROSATO!

POW!

She punched him down and kicked him into a tree!

Girl Jordan: You may not have the Carnage Symbiote anymore but I am still going to kill you!

Kasady: We'll see about that!

He went at her and she kicked him in his face and punched him in his stomach numerous times and kicked him in the crotch and punched him in his nose!

POW! KROW BIFF!

Lincoln: Tear him apart Jordan!

Me: YEAH!

Morgan Move: I don't blame her one bit for wanting revenge on him.

Sougo (Gets out Ninja Storm Ridewatch): You don't deserve to be Another War Machine!

Geiz (Gets out Wild Force Ridewatch): Even though he was involved in fighting you

Sougo got out NinjaStormRedArmor while Geiz got WildForceRedArmor

POW!

Girl Jordan kicked him in his face!

Kasady: (LAUGHS MANIACALLY) I did all that to you because you are pathetic Jordan! You are a cancer to everyone who ever loved you, Jordan Rosato. Deceived your trusting fiancée. And no wonder Daddy could never look at you again after you killed his wife, your mother, just by being born!

Girl Jordan: (Smirks Cruelly) Just like you Kasady! And you want to know why? BECAUSE I killed you many times and killed your wretched father and I enjoyed drinking their blood and making you suffer! The reason? BECAUSE I FUCKING HATE YOU! I FUCKING HATE YOU MORE THAN LIFE ITSELF!

Poromon: YOU TELL HIM!

Girl Jordan: I killed your father by snapping his neck and ripping his testicles off and eating them and then I ripped his heart out and ate that! And then I went for his brain and ripped it out and stomped on it before eating that and then! I drank all his blood and spat it into the toilet and drank all that too!

WE WERE GETTING SICK TO OUR STOMACHS HEARING THAT!

Sebastian Mendez: (JAW DROP) (WILD TAKES) OH JEEZ! (PUKE VOLCANO)

HE WENT AND THREW UP!

Me: I THINK I'M GOING TO BE SICK!

Girl Jordan: I WILL NOT STOP UNTIL YOU ARE DEAD AND MAULED AND CANNIBALIZED BY ME KASADY! I WILL TORTURE AND MAIM AND MUTILATE EVERY LAST ONE OF YOU KASADY!

HE THEN SCREAMED IN BALLISTIC FURY! AND THEY WENT AT EACH OTHER WITH INTENSE SAVAGERY!

Poliwag: YAY!

SHE REALLY THEN DID SOMETHING WE NEVER EXPECTED!

She grabbed him by his head and then RIPPED HIM IN TWO RIGHT DOWN THE MIDDLE!

KRASPLAT AND SICKENING SQUELCH!

WE SAW BLOOD AND ORGANS AND BONES SPLATTER EVERYWHERE! THEN SHE ATE ALL OF HIM!

WE THREW UP ALL OVER THE PLACE!

MASSIVE SUPER VOMIT STORM!

NICO: OH THAT IS SO FUCKING DISGUSTING!

Poromon vomited all over Horsea

Horsea: HEY!

Luna: MAJOR PUKE TSUNAMI! (FAINTS)

FWOMP!

Me: OH MAN! That was nasty!

Venom: (LAUGHS) I didn't think she had it in her! FUCK THAT GUY!

Me: YEAH! But he deserved that!

Lincoln: WHOA!

Lincoln was absolutely stunned while the rest of us were throwing up all over the place. Then, she banished Kasady to The Black Abyss, and then, Girl Jordan came to us all covered in blood and she ran to Lincoln who hugged her and she started crying on his bare hairy chest.

Lincoln: (Rubs her head) Shh, shh, it's okay, Jordan. It's okay, he's gone.

Girl Jordan: (Crying) I hate that fucker so much, Linky!

Lincoln: I don't blame you for doing that.

We stopped barfing.

Me: Well, you know what he's like. Mr. Fucked-Up-Beyond-All-Recognition has been nothing more than a cancer to all life on Earth and a plague to everyone who crosses his path!

Nico: And with what he did to her years ago, that just proves he really is fucked up, he's just like Dark Sebastian in every way possible, they were both fucked-up twisted sickos.

Lincoln: He deserves to die like the filthy animal that he is, him and all other fucked-up incarnations of him except for a few exceptions who are now in The M.O.E, and the same goes with his entire fucked-up line.

Ace Bunny: You made sure of that when we killed Carly Kasady in Acmetropolis, Lincoln.

Tech E Coyote: I've got more Carnage Slayers ready for when we go after another Kasady.

Lana: You sure were busy rebuilding them.

Lexi Bunny: He sure has, he's been rebuilding them ever since we got rid of Dark Chandler. (To Girl Jordan) Uh, you're also going to make every incarnation of Chandler The Heartless Bully Jerk suffer the same fate as Kasady, right?

But, Girl Jordan was still crying on Lincoln's chest.

Lincoln: I'm gonna go with yes, and I don't blame her. What he said to her years ago, that was the most heartless and cruel choice of words ever. No one makes my childhood friend turned future wife cry like that and gets away with it. That filthy sewage turd deserves to pay, but by my hand.

Girl Jordan: Yes, he deserves it and I'll leave that to you, Linky, but as for The Kasady Bloodline, they deserve nothing more than total extinction and be wiped from the face of The Earth and wiped out of the pages of history. This I swear!

Me: UH OH!

Nico: Oh man, Kasadys of The Multiverse, look out! Jordan Rosato's coming for your fucked-up hides! Same with all the heartless Chandlers in the multiverse too when Lincoln Loud comes for their sewage-swimming hides.

Me: You got that right!

I went and grabbed the ridewatch and purified it.

Me: That was easy though. Now where were we? Oh right.

We separated Morgan from Another Brain Gremlin.

Me: Now lets get this over with before we get sick more!

Nico: DARN TOOTIN! (Gets out Brain Gremlin's ridewatch) SMARTS AND POWER!

May: (GETS OUT KAMEN RIDER ELD'S RIDEWATCH) GOLDEN!

Universe 666 May: (GETS OUT SIOMANEKING'S RIDEWATCH) LETS DANCE!

Maria: (GETS OUT ABUNGER'S RIDEWATCH) FURY OF THE FLY!

Ai & Mako: (GETS OUT TERABITER'S RIDEWATCH) THIS IS A BAT THAT WILL HURT!

They fired waves of energy with Brain Gremlin, Terabiter, Eldoradriver, Siomaneking, Abunger and Genshi Tiger's powers and blasted Another Brain Gremlin all over!

Poromon: YEAH!

Then Armored Armadillo, Mockingbird (Rayman), Western Yokai Wolf Man, Omitter, Sharky and Reaper Bohma came! Reaper Bouma was from Episode 35 of Turboranger back in 1989!

Kirika summons Reaper Bohma to help her find and get back a gem stolen from her by a female thief in order to use it to find the Majin Sword, an extremely powerful sword which can cut through anything. Using its revival of dead Bohma Beasts, the Turboranger have a hard time with it, made more so when Riki realizes how to stop the dead Bohma Beasts but can't do anything about it due to their weapons not being strong enough. Ultimately after a female thief partnered with Daichi pulling the sword and using it on Yamimaru, Black Turbo uses the Majin Sword to slice off the Bohma-revivng horns and to kill Reaper Bohma. After Kirika revives him, the Turboranger finish it off with Super Turbo Robo's Super Miracle Beam

---

Me: WHOA!

Eli: WHOA! Reaper Bohma! I remember you! You were sent to get a gem stolen by a thief for Kirika to find the Majin Sword!

Reaper Bohma: That is right! Riki its been a long time. I thought you would have retired by now.

Riki: Made younger than ever.

Me: Your episode came out 35 years ago!

Reaper Bohma: I know.

Nico: Nice team though Armored Armadillo!

Armored Armadillo: Thanks!

Me: Bomb Man and his team next.

Bomb Man: That's right!

Me: Yep.

Reaper Bohma: WHOA! You guys went through hell!

Me: This entire rescue we absolute torture.

Laney: Yeah.

Reaper Bohma: It must have something to do with that massive burst of energy we felt.

Me: Yeah.

Armored Armadillo: Why is there blood and vomit all over the ground?

Me: Don't fucking ask.

But then...

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

We saw storm clouds above us! But it was just a small little thundercloud no bigger than a house!

Me: Whoa! That is a tiny storm!

Qin: That's Thunder Wall!

Me: Whoa! Still packs a wallop!

Thunder Wall: (In a girls voice) I sure do.

Nico: Della Thunder! Wow!

She reverted back.

Della Thunder: Good to see you Nico. I got this.

She fired a blast of intense lightning and blasted Another Brain Gremlin and I caught the Ridewatch and purified it!

Me: YEAH!

Nico: Nice job!

Della Thunder: Thanks! Whoa! You guys look like you took a nasty beating.

Me: Yeah we don't want to talk about it.

Della Thunder: I understand but I think I can take your word for it on what went down.

Lola: Yeah.

Ai: Do you have any favorite memories of Nico?

Della Thunder: I sure do. Mine is where me and Nico went to my family's amazing new holographic weather simulator and studied the effects of the weather for a project.

Qin: Her family made an amazing weather simulator that shows what it's like with all the dangerous weather conditions.

Me: WHOA! We'll have to see what that's like soon.

Nicole: I would be most interested myself.

Camie: Wow!

Nico: Yep.

They hugged.

Nico: I've missed you.

Della Thunder: Same here.

We went back home and cleaned up and more. This was a rescue we should put behind us.

Jury Rigg: But, something tells me it's not going to be easy.

Lincoln: No, it's not, it's in the hands of the clones of The Elemental Ghost Force, and I'm gonna absorb them and fast. Plus, I heard they got their hands on some treasure, a lost treasure from the time of The Spanish Conquest of the 1500s.

We got a move-on, and then, we spotted our target: the clones of The Elemental Ghost Force, and they have The Dark Move Card in hand, and they have the lost treasure with them. Lincoln fired an energy blast that hit her that forced The Dark Move Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Erase Card and he began sucking out all its powers of movement and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Move Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Move Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Move Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clones of The Elemental Ghost Force.

The clones of The Elemental Ghost Force fired blasts of Undead, Life, Air, Fire, Water, Magic, Metal, Earth, Light and Dark, but Lincoln absorbed the blasts and it made him stronger.

Lincoln: Nice try. Alright, let's get them.

Robin Hood went after the clones of The Elemental Ghost Force, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit them, then he attacked them with the blades on his bow leaving scars on them, and he fired arrows at them that transformed into many arrows with leaves surrounding them and they got hit all over the place.

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones and he also sucked out all the energy remaining in their souls and the clones faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Glow Card and Lincoln absorbed the clones of The Elemental Ghost Force.

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 9'0" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Lavalval Exlord on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Lavalval Exlord on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Laval Judgement Lord, and she has a fire greatsword, and with her are the five girls.

Lincoln: (GASPS) Ember Vulcania, Avatar and Gene-Slammer of Lavalval Exlord.

Ember Vulcania: That's right, and I got them away from the clones of The Elemental Ghost Force and The Dark Move Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: We took care of The Dark Move Card when I sucked out its powers and absorbed the clones of The Elemental Ghost Force. (To Ember Vulcania) And it's so good to see you again, Ember.

Ember Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Ember Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Ember Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Ember Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Ember Vulcania's waist and hugged her, and Ember Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Ember Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 120'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Ember Vulcania, Avatar and Gene-Slammer of Lavalval Exlord, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Exlord. She's The Volcanic Lava Lord Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Ember Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Exlord, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Exlord, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Ember Vulcania hates Lisa with a burning passion, and she swore if she ever saw Lincoln in a bad condition because of her, she was gonna burn that cold-blooded emotionless evil monster big time and she even got back at Lisa by shoving chili powder down her throat, and Lisa wound up getting her mouth burned big time!

Nico: Lincoln told us of what you did in dumping hot chili powder down Lisa's throat! Yikes!

Me: That was really brutal!

Lisa Loud: Because of it, I had to spend a month in the hospital and guzzle down gallons of water.

Varie: Which I supplied, and some of us knew you had it coming, Lisa.

Ember Vulcania: That's for sure.

Lincoln: Lisa's always gotten away with it before, but she wasn't smart enough to outsmart my Guardian Angels, nor Ember.

Lanaia: You have no idea how much I had to stop Lisa whenever she tried to dissect you, Lincoln, and tried to hurt you with her other experiments.

Lori: Same with the rest of us. Lisa didn't know when to stop being like that, and we knew that if this went too far, she would be kicked out, disowned, arrested as an enemy of the state...!

Lincoln: And sent to prison for life, and now that you're here, Ember.

Suddenly, Lincoln with his massive muscular arms still wrapped around Ember Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Ember Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Ember Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Ember Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Ember Vulcania.

Ember Vulcania had a smile on their faces and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Ember Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Ember Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When

Lincoln separated, Ember Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Ember Vulcania: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The fifteen girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the fifteen girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the fifteen girls are Armand, Audrey, Faucre, Leona, Invincible Dragon, Cerestia, Leanne, Cyclops Princess, Erato, Phoenix, Impet, Wraithy, Djinnia, Sand Girl, and Aqua from Last Origin.

Lincoln: Oh whoa, it's Armand, Audrey, Faucre, Leona, Invincible Dragon, Cerestia, Leanne, Cyclops Princess, Erato, Phoenix, Impet, Wraithy, Djinnia, Sand Girl, and Aqua from Last Origin.

Nicole: Uh oh, no wonder Travis and Red told the guys to hide in their rooms, the girls here are cute, but some of them are voluptuous.

Lincoln: And easy targets for those who would want to hurt them, but not as long as I'm around. Are you girls okay?

Armand: Yes, we're okay thanks to you.

Armand: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Armand: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Armand, Audrey, Faucre, Leona, Invincible Dragon, Cerestia, Leanne, Cyclops Princess, Erato, Phoenix, Impet, Wraithy, Djinnia, Sand Girl, and Aqua with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That snake's gonna pay for what he's done.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long golden yellow hair, golden yellow eyes, she was dressed in a golden yellow two-piece bikini, she has massive golden yellow angel wings, and a fire greatsword.

Lincoln: (GASPS) Mira Macacheesia, Queen of The Macacheesians of Planet Macacheesia.

Nico: The last living Macacheesian. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, everyone, this is Mira Macacheesia, Queen of The Macacheesians of Planet Macacheesia, she's Lincoln's Guardian Angel from the planet Macacheesia in The Forbidden Zone, a planet of macaroni and cheese. She was the Queen of The Macacheesians, who ruled the planet of Macacheesia and she's also far more powerful than her own people: in addition to being a natural born fighter and having immense power over pasta, cheese, macaroni and cheese, superhuman strength, and the ability to grow even stronger, but she was also born with angel wings, superhuman strength, immense power over pasta, cheese, macaroni and cheese, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and Mira left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Mira Macacheesia came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers over pasta, cheese, macaroni and cheese, superhuman strength, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, omnipotent power and the immense powers over pasta, cheese, macaroni and cheese, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Macacheesians, and he was already born with immortality and invincibility and his vampire powers grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to burn them by pouring scalding hot cheese on them!

Mira Macacheesia: And I knew Lincoln absorbed the souls of the male Macacheesians, our planet's core and planet itself, and our planet's Sun to preserve their legacy.

Shanan: As foretold by the vision your people had along with the other planets of The Forbidden Zone.

Mira Macacheesia: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Mira Macacheesia to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Mira Macacheesia with golden yellow gems on the gold lightning bolts and golden yellow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Mira Macacheesia: That's my special gift to him: Macacheesia's Blessing of Cheesy Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 120'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Mira Macacheesia: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Macacheesians both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Move Card of all its powers and absorbed the clones of The Elemental Ghost Force after we took her down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,0

00,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Ember Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Ember Vulcania: My God, I was right that Lincoln's really grown into a 120'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,0

00,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Ember, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Ember Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped

him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Ember Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Anna Anyanova: Oh, and Lincoln, about what you said about your ancestors back during The Salem Witch Trials of 1692 that were executed for witchcraft, I did some digging around and found this.

Anna Anyanova got out the journal of Lorelai Newton, and then, she read her journal that was still perfectly preserved after 300 years, and it turns out that Lorelai Newton was actually a White Magic Wiccan who had the powers of white and holy magic and she also had the power to purify those who were corrupted by darkness.

WE GASPED IN AWE!

Me: WOW! So, Lorelai Newton was a White Magic Wiccan!

Lincoln: Which proved what I said to be true when I went into The Temple on Princess Ankhstarena's planet, Lorelai Newton is a White Magic Wiccan.

Nico: So, that means you have White Magic Wiccan blood in your veins, Lincoln, and that's how you know about white and holy magic.

Anna Anyanova: And according to the journal in her last entry, she saw a man with reptilian eyes and long black hair with a heart of pure evil and pure darkness manipulate the Magistrates in Salem and they accused her of being a witch, and in 1692, she was convicted and hanged!

WE GASPED IN HORROR: THE RUMORS WERE ALL TRUE, CHASE YOUNG IN 1692 HAD LORELAI NEWTON KILLED!

Me: THAT MOTHERFUCKING DRAGON-FACED BASTARD!

Lincoln: It was bad enough he killed my Scottish ancestors, but to also kill Lorelai Newton too, now I am glad I avenged my family and forever purified myself of that darkness Nathaniel Michaelson had infected me with. I had no idea that he was also yours and Alexander's father, Rebecca.

Rebecca Michaelson: Fifteen years had passed since he was murdered, and there were no other photos of him other than his obituary and high school photo.

Suddenly, the alarm rang and when Lincoln checked the computer, he saw who it was that triggered it: not long after we took him down, Nathaniel Michaelson, the father of Alexander Michaelson and Rebecca Michaelson broke out of prison to get revenge on us!

Nico: Speak of The Devil! Look who's broken out!

Alexander Michaelson: Dad...! Seriously?! Damn him!

Lincoln: I should've known your Dad would break out, Alexander, but now, we got to save him. Oh, and hold still, this might sting!

Lincoln got behind Alexander Michaelson and he bared his fangs and he bit him on his left trapezius and he injected him with his blood. Then, Lincoln released his fangs and Alex's bite marks healed.

Alexander Michaelson: Damn, you sure got a strong bite along with strong fangs and teeth.

Lincoln: Mom always knew about that. And your blood tastes really strong, better not be that overpowering to knock me down on my butt.

Poromon: Like the time we hypnotized you into drinking...!

BONK!

Winter Icyin whacked Poromon on the head a rolling pin and he had a lump on his head!

Poromon: OW!

Winter Icyin: (GROWLS)

Lincoln: Uh oh, looks like Winter hasn't forgotten about that little stunt!

Then, Lincoln and Alexander Michaelson went out and confronted Nathaniel Michaelson.

Lincoln: Mr. Michaelson, this has gone on long enough, now stand down so we can cure you.

Nathaniel Michaelson: FUCK YOU! FUCK YOU! DIE!

Nathaniel Michaelson charged at Lincoln, but he kicked him hard in the stomach and sent him flying into a wall of rocks Lincoln formed and he crashed into it.

Me: WHOA!

Nico: Damn, those kicks of his are even more stronger than ever, he certainly never skips out on Leg Day.

Lynn: Damn straight, and they're just as buff and beefy as the rest of his upper and lower body.

Suddenly, something within Alexander Michaelson's head snapped as the fifteen years of painful and very dark memories from suffering his mother's cruelty and abuse and the murder of his own father and finally his father's resurrection and being turned into Dark Chase Young's minion who'd infected Lincoln with his darkness to get one last act of revenge on us flooded his mind and his midnight blue eyes turned neon blue and he was surrounded by a black and midnight blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, black and midnight blue dark flames, darkness, dark magic, black magic, Satanic Magic, wolves, phoenixes, and angels, and as he approached his dad, he left black and midnight blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, black and midnight blue dark flames, darkness, dark magic, black magic, Satanic Magic, wolves, phoenixes, and angels with every step.

Alexander Michaelson: I couldn't believe it, I never thought you'd be resurrected from the grave, Dad, at first, I thought we would be reunited and that it was a miracle.

SUDDENLY, HE STARTED GETTING SUPER PISSED OFF AS HIS ENERGY AURA FLARES UP EVEN MORE AND HIS MUSCLES STARTED TO BULGE AND GROW MUCH LARGER!

Alexander Michaelson: But, I was wrong, as soon as we found out that you were brought back by Dark Chase Young and turned into his minion and infected Lincoln with his darkness to get one last act of revenge on us and get revenge on Mom for all the wrong reasons that would lead to death to all of mankind on your rampage..., YOU'VE CROSSED THE LINE, DAD, AND NOW, I'M GOING TO MAKE ABSOLUTELY SURE YOU STAY DEAD ONCE AND FOR ALL! AND THE SAME GOES FOR MOM WHO'S ESCAPED FROM HELL!

WE GASPED IN HORROR: ALEXANDER'S RAGE HAS BEEN LET LOOSE!

Rebecca Michaelson: Oh no...! My brother's now completely driven by the rage of fifteen years of pain and darkness once again!

Anna Anyanova: Oh boy, this is gonna end with your Dad getting killed and sent back to the grave forever! Not unless Lincoln saves him.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF

ALEXANDER MICHAELSON WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSIONS WERE SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE WOLF, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE WOLF, WENT BACK TO EARTH AND ALEXANDER MICHAELSON GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Alexander Michaelson let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and light brown fur grew on his upper and lower body muscles, tan fur grew on his pecs and twelve-pack abs, he grew a tan fur covered wolf muzzle and large brown wolf ears grew on top of his head, his midnight blue eyes remained the same, but they now had a golden yellow circle around them, his fangs then grew longer and his rows of straight teeth remained the same, his massive black angel wings remained the same, his long brown hair going down to his upper back became wilder, and he let out a loud howl!

Finally, Alexander Michaelson screamed like an infinite-times fucked-up madman and let out a loud howl as his energy exploded and he was surrounded by a massive vortex of black and midnight blue, white, golden yellow, and blue energy with stars, aura energy, white, golden yellow, and blue heavenly flames, black and midnight blue dark flames, darkness, dark magic, black magic, and Satanic Magic surrounding the vortex, there are wolves, phoenixes, and angels flying around the vortex, and in the vortex is a dark blue phoenix with red eyes glaring at Nathaniel Michaelson: the blood red eyes of eternal death, eternal damnation, and eternal judgement as we saw heavenly lights shining down on the vortex.

Lincoln fired a blast of white purifying energy at Nathaniel Michaelson which purified him for good and removed the darkness that corrupted him, and he sent him to our infirmary in the dungeon and they came back inside only for Rebecca Michaelson to jump Lincoln and kiss him on the lips for a job well done as Lincoln holstered his massive greatsword and powered down.

Alexander Michaelson powered down, and his new body, clothes, jewelry, Third Eye, large brown wolf ears, 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, large gold halo and large Yata no Kagami mirror with crescent moon ring-shaped frame with embedded gems behind the large gold halo behind his head and four large orbiting gold rings on each corner with four large Yata no Kagami mirrors with crescent moon ring-shaped frames with embedded gems on each corner behind the four large orbiting gold rings, 999,999,999,999,999,999,999,999,999,999,999,999,999 large black and midnight blue planets orbiting around his legs, 999,999,999,999,999,999,999,999,999,999,999,999,999 smaller black and midnight blue planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and midnight blue planets orbiting around his wrists and ankles and enormous midnight black angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large midnight black angel wings underneath his enormous midnight black angel angel wings are permanent.

Rebecca Michaelson: He'll earn our forgiveness in time, until then, he's staying away from us.

Lincoln: And now for one last thing. (SNAPS FINGERS)

Lincoln snapped his fingers as angelic heavenly lights shined down and we saw a girl with the same brown hair, tanned skin, brown two-piece bikini, and body of a goddess and large breasts, brown eyes, and massive orange angel wings come back to life: it was Carrie Cheeseburgairaira.

Carrie Cheeseburgairaira: (Groans) Where am I?

Cammy Cheeseburgairaira: Carrie?

Then, she saw Cammy, and finally...

Carrie Cheeseburgairaira: Cammy? Is that...?!

Then, they hugged!

Lincoln: And you should also say hi to your boyfriend.

Then, Carrie saw Alexander Michaelson.

Carrie Cheeseburgairaira: Alexander, is that...?

Alexander Michaelson: Yes, it's me. But, I had quite the transformation and growth in muscle and height, and. (Sniffs)(Thinking) The smell, what's happening to me?

Suddenly, Alexander Michaelson pinned Carrie Cheeseburgairaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Alexander Michaelson leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his black and midnight blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, black and midnight blue dark flames, darkness, dark magic, black magic, Satanic Magic, wolves, phoenixes, and angels flared up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous midnight black angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large midnight black angel wings underneath his enormous midnight black angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold crescent moon-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold crescent moon-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and a rainbow sun and moon tattoo appeared on his bare chest and glowed.

Then, Alexander Michaelson slowly unlatched his fangs from her right trapezius and the marks sealed up and Alexander Michaelson kissed the spot where he bit her and he helped her up.

Carrie Cheeseburgairaira: Wow, that's what I call a welcome back, (Smirks) but since when did you start to become quite an animalistic beast? (Rubs Alexander Michaelson's pecs) Especially when you got pretty bold in marking me.

Cammy Cheeseburgairaira: Since Lincoln bit him when Nathaniel Michaelson, your boyfriend's dad who got resurrected by that dragon-faced asshole, came back for more.

Alexander Michaelson: I had no control, I smelled her blood, and I gave into this...primal urge.

Lincoln: You now have the same powers as me, Alex.

Cammy Cheeseburgairaira: It's gonna take some time for you to control your primal urges, but you did the same thing Lincoln did to me and many of his future wives: marking them, feeding on their blood, and gaining the same powers as them.

We got a shower, and then, Lincoln, Jasper (Steven Universe), Fem Scrapper, Fem Rampage, Bunny Brawler, Heidi, Glimmer, Angela Palmer, Lainey Gilmore, Dillan Hall, Kenzie Rivers, and Nightmare Moon are heading to Miyako Island in Japan, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 120'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Jasper (Steven Universe), Fem Scrapper, Fem Rampage, Bunny Brawler, Heidi, Glimmer, Angela Palmer, Lainey Gilmore, Dillan Hall, Kenzie Rivers, and Nightmare Moon and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Jasper (Steven Universe), Fem Scrapper, Fem Rampage, Bunny Brawler, Heidi, Glimmer, Angela Palmer, Lainey Gilmore, Dillan Hall, Kenzie Rivers, and Nightmare Moon had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all, and Lincoln brought Angela Palmer, Lainey Gilmore, Dillan Hall, and Kenzie Rivers back to life.

Nightmare Moon: Wow, we're here in Miyako Island, it's so beautiful.

Lincoln: You said it, Nightmare Moon, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Jasper (Steven Universe), Fem Scrapper, Fem Rampage, Bunny Brawler, Heidi, Glimmer, Angela Palmer, Lainey Gilmore, Dillan Hall, Kenzie Rivers, and Nightmare Moon and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Jasper (Steven Universe), Fem Scrapper, Fem Rampage, Bunny Brawler, Heidi, Glimmer, Angela Palmer, Lainey Gilmore, Dillan Hall, Kenzie Rivers, and Nightmare Moon and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Jasper (Steven Universe), Fem Scrapper, Fem Rampage, Bunny Brawler, Heidi, Glimmer, Angela Palmer, Lainey Gilmore, Dillan Hall, Kenzie Rivers, and Nightmare Moon and the rest of Lincoln's harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Jasper (Steven Universe), Fem Scrapper, Fem Rampage, Bunny Brawler, Heidi, Glimmer, Angela Palmer, Lainey Gilmore, Dillan Hall, Kenzie Rivers, and Nightmare Moon and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clones of Inferno Diamond and Tantrum Athlete.

Anna Anyanova: Uh oh, is that...?!

Lincoln: The clones of Inferno Diamond and Tantrum Athlete.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clones of Inferno Diamond and Tamtrum Athlete and he began absorbing them and assimilating Inferno Diamond's intense fire powers and Tantrum Athlete's intense and killer fire powers and superhuman strength that's as strong as 400,000 men, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no

Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones, and Lincoln sucked out every last bit of energy from the clones' souls and the clones faded and Lincoln let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Jasper (Steven Universe), Fem Scrapper, Fem Rampage, Bunny Brawler, Heidi, Glimmer, Angela Palmer, Lainey Gilmore, Dillan Hall, Kenzie Rivers, and Nightmare Moon and the rest of Lincoln's harem and he hugged them in his abnormally massive and powerful muscular arms, and Jasper (Steven Universe), Fem Scrapper, Fem Rampage, Bunny Brawler, Heidi, Glimmer, Angela Palmer, Lainey Gilmore, Dillan Hall, Kenzie Rivers, and Nightmare Moon and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Miyako Island, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Jasper (Steven Universe), Fem Scrapper, Fem Rampage, Bunny Brawler, Heidi, Glimmer, Angela Palmer, Lainey Gilmore, Dillan Hall, Kenzie Rivers, and Nightmare Moon with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with seven white and gold-accented Elemental Thunderbirds Choker of Eternal Love on their necks.

Lily the Mermaid: And now, Jasper, Fem Scrapper, Fem Rampage, Bunny Brawler, Heidi, Glimmer, Angela Palmer, Lainey Gilmore, Dillan Hall, Kenzie Rivers, and Nightmare Moon are in your harem, Linky.

Jasper (Steven Universe), Fem Scrapper, Fem Rampage, Bunny Brawler, Heidi, Glimmer, Angela Palmer, Lainey Gilmore, Dillan Hall, Kenzie Rivers, and Nightmare Moon showed the marks Lincoln made on the right sides of their trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The clones of Inferno Princess and Tantrum Athlete came after us.

WE GASPED!

Nico: The hypothetical Akumas of Lola and Lynn?! That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into their chests, and I absorbed them and assimilated their powers of fire and superhuman strength. Then, I sucked out every bit of energy from their souls and the clones faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad

Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders Adventure.

Nico: Who's next?

Me: Well we're going after Shrednaught next. So Taranee, Tecna, The Pipsqueaks, Flare Firestar, Hot Head, Blast Zone, Fire Kraken, Fryno, Flame Mammoth and Fire Man are up.

Qin: COOL! I wonder where we're heading for that one?

Me: I have a surprise for that.

Nico: Okay.

We went into the Simulator and it activated and we were on Zig and Sharko's island!

Lana: Awesome! Zig and Sharko's island!

Lola: COOL!

Taranee: This is the surprise?

Me: Well remember? I couldn't have it be in the same place more than once so I have to improvise.

Taranee: Oh right I forgo...

Lana: NOT SO FAST YOU STUPID FURBALL!

Lana bashed Zig on his head with a stop sign as he was about to go after Marina!

KRABLANG!

Sharko laughed!

Sharko: Nice one Lana!

Lana: Thanks!

They high five!

Lana kicked him far and into the volcano!

Me: GOAL!

Lynn: YEAH!

Me: Zig is persistent.

Nico: No kidding.

Me: Lana and Sharko will always be there to protect Marina.

Qin: Yep.

We went to find Shrednaught.

We heard chainsaw noises and in the forest we saw SHREDNAUGHT! They were cutting down trees!

Me: There he is!

Nico: Target sighted!

We went at him.

Me: HOLD IT RIGHT THERE!

Troll 1: Team Loud Phoenix Storm is here Troll 1!

Troll 2: They sure are Troll 2!

Nico: Okay this is weird.

Jamesdean5842: In case you forgot, Shrednaught is 2 trolls piloting a giant chainsaw machine.

Nico: Oh right.

Tecna: (British Accent) Bad move against me

Me: Yeah! Well we're putting a stop to you logging the place!

KRASMASH WHAM BIFF!

Lana and Sharko pulverized Zigg who went after Marina with a catapult launched from the volcano!

KRASMASH!

He crashed into Shrednaught's chainsaw blade!

Me: That had to hurt! Nice one!

Nico: Funny though! Still have to finish this.

Hot Head: HEY! I'M ON FIRE!

Blast Zone: BLAST AND FURIOUS!

Fire Kraken: BURN TO BE WILD!

Fryno: CRASH AND BURN!

Me: Lets flare up!

We went at them and blasted them with fire!

Seashell: Lets show some teamwork Pipsqueaks!

Troll 1: Hold still!

Troll 2: We just want to take a little off the top!

Me: How about you get STUCK like this!

Me: That is for sure.

Zig laughed in pain.

Lana: You will never touch Marina you fur coat!

Sharko: YEAH!

At Neo Phoenix Land everyone was there for the Gotham Royal York Eating Championship.

Announcer: And it's a beautiful Day here in Gotham Royal York's Neo Phoenix Land and we have a big competition as we are here at the International Championship of Eating

I turned my head into a toilet and flushed down the burritos in hot sauce!

TOILET FLUSH!

Nico shoved 10 burritos into his mouth and ate them.

Coup: This is a move I call the Stomach Farter!

He put 20 burritos into a barrel of hot sauce and drank them down.

BURP!

May shoved 60 burritos into her mouth and chewed them up and ate them!

LOUD BELCH!

Ymir: Man look at them eat!

Lynn ate 10 burritos and swallowed!

Many of the competitors were farting and belching fire out their mouths!

War Machine: How many is that so far?

I've eaten 519

Nico ate 422

May had 519 too

Coup ate 519

Lynn ate 519 too.

Maria ate 310

We were really eating.

Ace Ukiyo: Awesome!

Me: Man I am stuffed!

Ace Ukiyo: I know!

Yona: Ace, Yona happy to have met you.

Ace Ukiyo: I am too and I'll never forget meeting all of you.

Nanette: When we were battling Veruca Salt during Christmas and Professor Paradox brought you back

Ace Ukiyo: I know.

Carlota: I remember that we helped you in events involving the Desire Grand Prix.

Ace Ukiyo: That was so awesome and more.

Me: And we battled many of your enemies.

Eli: Which was really cool!

Ace Ukiyo: Yeah it was!

Himiko: Nanette also got to take Stain down

Nanette: I was hoping it would be All For One but Stain was just as good.

Ace Ukiyo: I know. But that was so fun and awesome.

Me: It sure was and we showed Suel what happens when you mess with people's feelings. And banished that jerk to the Black Abyss.

Neon: That is for sure!

Xenia: Yep.

Qin: That was awesome!

May: That was fun though!

Poromon: Yeah!

Lola: I agree there!

Lola then felt something nuzzle her head.

Lola: Huh? Hey.

She saw a Mega Cresselia nuzzling her head.

Me: Ooh a Mega Cresselia.

Nico: Where did that come from?

Me: Must be one of Dark Gale's work.

Stacy Storious: Lets see.

She used telepathy and gasped.

Stacy Storious: It's Celicalla.

Me: She must be another one of your teammates.

Qin: Yeah!

Me: Lets help her.

We went over.

Stacy Storious: It's me Stacy. Remember Celicalla?

She used Lunar Dance And fired waves of stars and moonlight.

I formed a force field and blocked it.

Me: WHOA!

Qin: Amazing.

Me: Okay.

We fired energy blasts and knocked her down.

I snapped my fingers and she reverted back.

She was a girl with yellow hair and yellow eyes and had yellow angel wings and the Saikou symbol with a sun on it on her forehead and arm.

We wrapped her in a blanket and brought her over to a bench.

Me: There. Wow.

She woke up and saw us.

Celicalla: (Groans) My head. I feel like I was hit all over by the Spider Megid.

Stacy Storious: Well it's a nasty story.

Celicalla: Stacy!

She hugged her.

Celicalla: I'm glad you're safe and Yuri! You too!

Yuri: Same here sis.

Me: You were turned into a Mega Cresselia by Dark Gale.

Celicalla: Oh man. I was battling Hayato when it happened.

Me: Oh man! Hayato is in the Redemption Squad and he M.O.E. Long story.

Megan: It's true.

Me: Yeah.

Celicalla: Wow. (Sniffs) I smell super spicy burritos.

Me: We had a burrito eating contest earlier.

Poromon: Yep it's true. Oh your rider name?

Celicalla: I don't have a Rider name. I help the Saber Riders battle some of their enemies with the rest of the team.

Stacy Storious: Yep.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new yellow clothes and a light sword.

Celicalla: I look amazing.

Rufina put on her jumpsuit

It was brown.

Rufina: There.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Lego Luthor contacted us.

Lego Luthor: (to Nico and Lincoln) I heard what happened earlier. Have you two found any shred of sanity perhaps?

Me: Don't worry we resolved it.

Raythor: Everything's settled, Lex. What's your next move?

Lego Luthor: We're heading to Gorilla City to recruit Grodd. Last I checked, he's in charge of that place. I'm bringing Heat Wave, Cheetah, Captain Cold, Reverse Flash, and Count Vertigo. (to Nico and Lincoln) Look, whatever issues you both have with each other, put them off to the side until this is done.

Nico: Don't worry we're over it now.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Obadiah Stane A.K.A. Ironmonger, he's come out and he's causing havoc in Gorilla City in the Lego DC World. When we saw it, we knew it meant trouble.

Lincoln, Me, and Nico: So, Ironmonger has come out.

Eli: The more honorable and least unhinged of the assholes has come out.

Lincoln: Yes, now we can finally proceed on with our plan, now that I'm forever freed of Dark Chase Young's evil.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Obadiah Stane A.K.A. Ironmonger, he's come out and he's causing havoc in Gorilla City in the Lego DC World.

EVERYONE GASPED!

War Machine: I knew Stane would be next! I hope you have another plan in store, Lincoln.

Lincoln: I do, but I'll tell you guys about it when we get to The Lego DC World. But, it's gonna be an awesome one.

Nico: This I got to see. Alright, then, let's get going and head to the Lego DC world.

Lincoln: Obadiah Stane A.K.A. Ironmonger, prepare yourself, your days of villainy are done, time to say hi to an eternity in The M.O.E.

Qin: Awesome. Also we never went to the Prime Universe version of Gorilla City.

Me: No we haven't. Because we don't know where it is. It's somewhere in Africa but we haven't found it yet.

Nico: Why?

Me: Because the Satellites can't find it. It's that well hidden.

Nico: Yep.

The previous group came.

Count Nocturne: Can me, Lord Drakkon, Electropede, Gameface, Dumbbeltron, General Schwarz, Kerbero Gangan, Stonedozer, Fireor and Chillyfish go with you guys?

Nico: Yes you all can come with.

Me: This will be the first time we've visited Gorilla City in the Lego World.

Qin: Yep.

Nico: Cool

Galaxy Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping for a new one. Syzygy, The Black Sun Dragon.

Me: WHOA!

Qin: That's a new one.

Camie: Yeah. What's a Syzygy?

Me: A perfect planetary alignment. It's really rare.

Qin: Wow.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Kyknos, a minor antagonist from Marvel

Comics, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got big trouble!

Me: Oh man! Was that?!

Lincoln: Kyknos from Marvel Comics, and he's coming to destroy us.

Melanie Malevolence: Uh oh, looks like we need to take him down.

Lincoln: Then, I absorb him and assimilate all his godly powers and abilities.

Nico: You said a mouthful. Alright, team, let's go, it's time to head to the Lego DC world.

Lincoln: Now that my heart, mind, body, and soul have been permanently purified of Dark Chase Young's last attempt at revenge on us, now we can proceed onwards. Obadiah Stane, we're coming for you, and once we're done taking you down and sending you to Vypra, Kyknos, you're next.

Melanie Malevolence: You made a huge mistake coming for us, Kyknos, this is unforgiveable, it's time we set things straight once and for all.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to Gorilla City in the Lego DC world to take down Obadiah Stane A.K.A. Ironmonger and send him to The M.O.E., and once we're done with him, Melanie Malevolence and Lincoln are going to destroy Kyknos and send him to The Black Abyss after Lincoln absorbs him.

We were off.

We arrived.

Me: We're here.

We saw we were out in the middle of nowhere.

Qin: Where is here?

We saw we were in the desert and saw nothing but a desert mountain.

Lola: Are we in the right place?

Xenia: Yeah.

Me: Okay I hope we didn't take the wrong turn at Albequerque.

Nico: Very funny.

Electropede: Let's call Ragdoll, Sinestro, Sportsmaster, and Slipknot.

Me: Good idea.

We did so.

Sinestro: We're here.

Laney: Wait look!

We saw GORILLA CITY!

It was a MASSIVELY SUPER ADVANCED CITY! It looked like something out of the year 5000!

Me: HO-LY SHIT!

Nico: No wonder we couldn't see it! It was cloaked to look like a mountain.

Camie: WOW!

Xenia: And the satellites couldn't find it because it was using advanced Satellite radio signal blocking technology to prevent it from being found!

Qin: Wow!

Me: No wonder! The Prime Universe version of it is the same way as it is here.

Lincoln: Okay, before we go after Ironmonger, here's my attack plan on him.

Lincoln pulls up a hologram of the Lego DC world and zoomed in on Gorilla City.

Lincoln: Now, we already know Ironmonger is here in Gorilla City and causing havoc, and here's the worst part, an army of Parademons, the shock troops of Darkseid, have been sent to kill him.

Me: Shit, that means Darkseid has decided to turn on him.

Nico: Oh, that is not good.

Lincoln: No, it's not. Which is why we need to get rid of those Parademons and fast, but we haven't been to Gorilla City before.

Nico: I'll get Grodd in here to help when we launch our attack. So, what's the plan?

Lincoln: First, we need to get rid of the Parademons sent by Darkseid to kill Ironmonger, and then, we deal with any forces he may have with him. Then, before the fight, I remove the curse I put on him and destroy The Monitor Orb he has with him.

Me: But, we hadn't killed Stane, we threw him in prison.

Eli: But, we did defeat him two years ago.

Lincoln: And a few years ago before we met The Autobots. For the forces Ironmonger will have with him, Alexander Michaelson, you'll take them down. Your new transformation also gave you some bombs that you use with your drill spear, and with that, you'll cause quite a mess, and you can also tear them apart with your claws. As for the Parademons, because I absorbed the clone of Darkseid along with the clone of Thanos when we went after Toffee, I'll hit them with an Omega Beam strike infused with Dark Matter which'll suck the life out of them and I'll absorb their energy and powers.

Alexander Michaelson had his Alexander Michaelson's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Midnight Darkness Dark Shadow Storm Fury Full Moon Werewolf Darkness Warrior Wolf Angel True Seraphim Phoenix God Archangel Drill Lance and Bombs of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Midnight Darkness Dark Shadow Storm Fury Full Moon Werewolf Darkness Warrior Wolf Angel True Seraphim Phoenix God Archangel Justice ready and transformed into Super True Divine Heavenly Phoenix True Seraphim God Archangel-Werewolf-Wolf Angel-Darkness Warrior Immortal Angel-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Eternal Midnight Darkness

Lincoln looked outside and saw a full moon.

Lincoln: And it looks like there's gonna be a full moon tonight.

Me: (GASPS) You mean...?! Yes! Time to go full all-out werewolf on them!

Nico: You planned it for the full moon tonight. This...is gonna be a total bloodbath with Parademons getting slaughtered!

We saw Lego Luthor and the others.

Lego Heat Wave: If we're meeting Grodd at his place, couldn't you have parked a little closer, Luthor?

Lego Lex Luthor: I don't want to startle the wildlife. Have you ever seen what a surprised ape can do?

Lego Heat Wave: Softly, softly, catch-ee monkey.

Lego Cheetah: Grodd's an ape, you fool...

Me: Are we interrupting something guys?

Lego Luthor: You all made it.

Me: We had a little trouble finding this place.

Lego Luthor: I don't blame you guys.

Lego Heat Wave: Huh... This "Gorilla City" place don't seem so "advanced" to me.

Lego Captain Cold: This isn't the actual city, genius. These old ruins act as a secret entrance.

Lego Heat Wave: Uh... I knew that.

Lego Cheetah: Impressive. Let's see if we can find our way inside.

Phage: But be careful of traps.

Me: Actually these ruins are a camouflage.

I snapped my fingers and then they vanished and we were in Gorilla City!

Me: See? The Prime Universe version of it is probably the same way. We couldn't find it even with the satellites we have. They are just that good at staying hidden.

Lego Captain Cold: I can see that.

Lego Lex Luthor: Amazing. And Lincoln you look amazing and incredible.

Lincoln: I know.

Lego Count Vertigo: (to Lincoln) Don't yell at us for this. But we heard what happened between you and Nico earlier.

Lego Heat Wave: Look, we'll count you some slack since you had something bad in you. But saying that Nico was harsh.

Lincoln: I know and I regret that.

Me: Lincoln had some of Dark Chase Young's evil essence in him and it was a final backup plan he had in case the Prophecy did him in.

Lego Lex Luthor: So even after you guys got rid of him still caused problems for you.

Me: I know. But we're now rid of him for good.

Xenia: Thank goodness.

Lincoln: Yes and I apologized to Nico and everyone and I am now purified forever.

Girl Jordan: And he is healed too.

Me: Yep.

Lego Reverse Flash: Look, sorry if I'm being harsh. But going on the Ridonculous Race gave Team Buktu the chance they needed to carry out their first plan.

Lincoln: I get it, alright?!

Lego Reverse Flash: Hey, I'm just saying. Besides, I"ll just run circles around you if you try and zap me.

Me: Okay guys that's enough.

Lincoln: (Sighs) I'm cool guys. I'm cool.

Me: Good.

We then finally noticed that while we were talking, guards of Gorilla City had surrounded us.

Lego Captain Cold: A welcoming committee?

Lego Heat Wave: Why do they look so angry? They knew we were coming, right?

Lego Lex Luthor: It looks like someone forgot to give them the memo . Defend yourselves!

Lego Reverse-Flash: Well this is just great! Anybody know a place where people DON'T wanna beat us up?

Lego Cheetah: "Us"? Yes. "You"? No.

Acid Man: I don't think Grodd's in charge of this place like you previously thought

Me: Stand down guys! We mean no harm.

Xenia: We're friends.

Lego Solovar came.

Lego Solovar: Team Loud Phoenix Storm. Welcome.

Me: Solovar.

General Schwarz: Well, didn't think we would hostilities this early.

Lego Luthor: Listen, if it's alright with you, we would like to take a look around before the others use an entrance to come into the throne room. With your permission of course.

Me: We also came here to battle one of our enemies. Ever heard of Team Buktu?

Lego Solovar: Those monsters that gave you all grief 2 years ago?

Me: That's right. They are posing as the Crime Syndicate with Team Buktu helping them and are spreading lies that they are heroes. Look.

I showed them their lies with my powers.

Stonedozer: When the time comes, we need you to do your part in helping Iron Monger fight us. Don't have to fight us too hard. Just don't go too easy on us.

Me: Yes. We have a plan to bring them down.

Giganta: The Grodd that you know should be on his way to help us.

Me: He can't be too far behind.

Qin: Yeah.

We saw a figure jump down and it was Lego Grodd!

Lego Grodd: Like right here?

Me: Grodd of the Lego world.

Lego Grodd: Thank you for accepting my invitation, Mr. Luthor.

Lego Luthor: Just waiting for Solovar to go back to Iron Monger before he realizes something's up.

Chillyfish: Are you reading our minds right now?

Me: He has that power and so do we. And he is thinking of a Banana split sundae with chocolate and banana fudge.

Lego Grodd: How did you know that!?

I smirked and pointed my finger at my head.

Me: You aren't the only mind manipulator here.

Lego Solovar left to go back to Iron Monger.

Lego Count Vertigo: Funny how Grodd and Solovar are the only big apes here.

Me: Yeah I know.

LOUD NASTY HORRIBLE FLAMING FIERY FART!

May farted in Nico's face and fire blasted him.

May: Excuse me!

Me: Those burritos are starting to ravage you

Lego Heat Wave: Can you guys put a stop to that?!

Lego Captain Cold: Jealous?

Me: Sorry we had a massive number of death burritos in an eating contest.

LOUD NASTY HORRIBLE FLAMING FIERY FART!

May farted blue fire in Lego Heat Wave's face.

May: Sorry!

Lego Reverse Flash: At least you didn't have beans

Me: It's the death sauce in the burritos that is doing it.

LOUD NASTY HORRIBLE FLAMING FIERY FART!

May farted blue fire in Maria's face.

May: Pardon me!

Then an eerie thick fog rolled in.

Me: Uh where did this fog roll in from?

Camie: I can't see anything.

Qin: It's so thick you can cut it with a knife.

I slashed it.

Me: No kidding.

Lincoln: And I know what it is. It's War Machine's Akuma, The King James Revenge. The Hypothetical Akuma of War

Machine and he is a HUGE GIGANTIC GHOST BATTLESHIP and he has the firepower of many of the biggest battleships ever. He can fire lasers, missiles, torpedoes, bombs, a massive arsenal that would make the army and the navy look like a joke. He was made because of Ironmonger ruining Tony Stark's life and vowed to destroy him with the full arsenal of a thousand battleships!

WE GASPED!

He showed a sketch of it and it was a HUGE GHOST BATTLESHIP!

Qin: WHOA!

Clawful: Please don't call us crazy!

Lego Luthor: Relax. I already informed everyone about the Akumas.

Lego Cheetah: Oh, we believe you guys. But now, we're dreading fighting the Akuma of an Avenger.

Me: Good and bad.

FOGHORN

Lego Heat Wave: Okay, when is he going to show himself?!

Me: Uh right now!

We saw a MASSIVE GINORMOUS BATTLESHIP!

Lego Heat Wave: (SCREAMS LIKE A LITTLE GIRL!)

Lego Grodd: So, this is one of the Akumas.

Me: Yep.

King James Revenge: And here is the proof.

He fired laser blasts at Lego Grodd's feet and made him dance like a sissy girl.

ZAP ZAP ZAP ZAP ZAP ZAP ZAP ZAP ZAP ZAP!

King James Revenge: I didn't know you could dance well. Good show!

Me: WHOA! War Machine you look awesome as a REALLY HUGE Battleship

King James Revenge: I sure do. Fitting for me too.

Fireor: Rhodey? Is that you?

King James Revenge: It's still me Fireor.

Me: I take it you are after Ironmonger.

King James Revenge: I sure am.

Me: Well sorry but I'm afraid we have other plans in store for him.

Ragdoll: So can you please calm down?

King James Revenge: Not until I kill him for what he did to my best friend.

Me: If I may ask, what did he do to the Iron Man of your world? Was it what we found out years ago when he poisoned him?

King James Revenge: No. Worse. He detonated a grenade that caused a piece of shrapnel to get lodged in his heart.

And then drained him of all his money all for himself and left him broke and pennlless.

Me: Oh that's different.

Iron Man: That may not have been what happened to me but that is horrible.

Lego Captain Cold: How big are you?!

King James Revenge: Well I'm 2,512 feet long, 412 feet wide, 500 feet tall and weigh over 564,763 tons.

Me: HOLY SHIT! That's over 1,129,000,000 pounds!

Lisa Loud: 1,129,526,000 pounds to be precise.

King James Revenge: Exactly.

Me: If you were built by the United States Navy you would easily be the largest ever warship ever made by them.

King James Revenge: Indeed I would.

Lego Cheetah: Let's see what brings you down shall we?

We fired massive energy blasts and blasted him all over the place!

Ragdoll charged at him and blasted him all over with energy blasts.

King James Revenge: My turn!

He fired a massive barrage of missiles, lasers, torpedoes and bullets.

I fired a massive wave of energy and blasted him.

Me: A-19!

I fired a wave of energy and it hit him and he exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Nico: (Imitating Riddler) (SCREAMS) YOU SUNK MY BATTLESHIP!

Me: Who me?

Lego Reverse Flash: You guys never said they were that big!

Gabriel: Well, I've made big Akumas before.

Me: Except none of them were battleships.

Lincoln: Look.

He showed his sketches of them.

Lincoln: Many Akumas came in MANY SIZES and shapes.

Qin: It's true.

Lego Reverse Flash: Whoa! I can see why.

Me: Some were good, some were really bad and out of control and some of them were really funny.

George: Just imagine if George had akuma.

Me: Yeah!

Kerbero Gangan: Iron Monger's in the throne room with Solovar. Time to do the entrance.

Me: Right.

We then headed outside, and we saw the sun was about to set.

Lincoln: It's time.

Nico: Let's go, it's time to put a stop to Ironmonger, and piss off Team Buktu.

Me: I can't wait to see the looks on Evil Jimmy, Scott, Evil Sasuke, and Tim Buktu's faces when they see Stane join The M.O.E.

Lincoln: (Snickers) Along with another surprise I have in store for after this mission.

Me: Yep. Lets go.

We were off.

We flew out, and we saw Ironmonger causing havoc, and just as Lincoln said, a massive army of Parademons had been sent by Darkseid to kill Ironmonger.

Nico: Darkseid, you really are a damn monster.

Me: He has and always will be a monster.

Lincoln: He's not getting away with this.

Lincoln fired powerful Omega Beams infused with Anti-Matter, and they hit the massive army of Parademons and they also sucked out all of their energy and it went into Lincoln as he grew much stronger, and The Parademons were turned to desiccated corpses.

Lincoln: That's the Parademons out of the way.

KRABOOM!

Then, we looked to see Alexander Michaelson taking down Ironmonger's men and he was punching, kicking, and slashing at them with unimaginable power and strength!

Rebecca Michaelson: And Alexander's taken down a lot of Ironmonger's men!

Then, we saw him about to fight Ironmonger.

Me: That's the signal!

Nico: Him about to fight Ironmonger?! Then, let's get in there.

Alexander Avalon used The Thunder Card, and it formed a massive lightning barrier, and that also started affecting the Ironmonger suit as its gadgets started short circuiting.

Me: Ooh, using The Thunder Card to short circuit the suit! Nice one.

Nico: This'll stop him in his tracks. Alright, time to get in there.

Suddenly, the spirits of Iron Man and the Iron Men suits appeared and they attacked Ironmonger with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and then...

KRABBBBBBBOOOOOOOOOOOOOOOOOOOMMMM!

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and landed, and it pissed off Ironmonger, especially when he saw Lincoln!

Ironmonger: WHAT THE HELL?! YOU DIDN'T KILL TEAM LOUD PHOENIX STORM OR YOURSELF!

Lincoln: That was because of Alexander's dad infecting me with dark magic that he got from Dark Chase Young, Stane. But, I've been freed and permanently purified of all that darkness that I had to go through along with removing the last bit of Dark Chase Young's evil that caused me to go insane.

Ironmonger got pissed off big time as he let out a really really angry scream!

Me: Oh man! Looks like you pissed off Stane to no end!

Nico: So, he and his unhinged friends were hoping that Dark Chase Young's evil would do us all in! That is truly unforgiveable, but guess what, Stane. One of Lincoln's future wives saved him and he was forever purified of all that darkness he went through, Dark Chase Young's last attempt to break us along with what your unhinged friends had been doing has failed. (FLIPS STANE THE FINGER) SO, FUCK YOU AND FUCK TEAM BUKTU! EAT IT, JERKOFFS!

Ironmonger: Then I will finish what that draconic bastard failed to do and kill you all myself!

Lincoln: Oh, bite my shiny iron hairy ass, Stane.

Lincoln fired an electromagnetic blast that hit the Ironmonger suit and short-circuited it and all its gadgets! Then, he removed his curse on Stane and fired a blast of energy that hit The Monitor Orb and it shattered and we gained a massive power boost.

Me: HAH! YOU WALKED RIGHT INTO THAT ONE, STANE!

Me: YEAH!

Iron Monger: Look, it's obvious that this whole thing might be getting out of hand. So, why don't you guys surrender right now and I'll convince the others to spare you. Heck, you might even become our sidekicks.

Star Man: I think we'll pass on that.

Me: After all the shit your friends put us through back in 2022? NO ABSOLUTELY NO FUCKING WAY!

Qin: Yeah!

Lola: Yeah! NO WAY!

Me: Also Lincoln was given a fresh new lease on a new life in a purified form so no way are we going to let him miss out on that!

Anna Anyanova: That's right!

Lego Grodd: Solovar! I will vanquish you and take back my city!

Lego Solovar: You're more then welcome to try.

Dumbbelltron: Sorry, Solivar. We'll try not to leave a scar.

I fired a blast of energy and left a grazing wound on his arm.

Me: Sorry.

I teleported and went at Ironmonger.

Me: You'll like this!

I pressed a button on my device and donned an awesome new IRON MAN SUIT OF MY OWN! I HAD RED AND ORANGE COLORS AND RED WINGS AND MULTITUDES OF WEAPONS!

Me: Say hello to My own version of Iron Man. I am IRON PHOENIX!

Nico: WHOA!

Qin: That is so cool!

Iron Man: Me and Cameron built it for him.

Nico: WOW! This is gonna be awesome!

Lego Grodd: I understand your reluctance to fight Solovar. So leave him to me.

Lego Count Vertigo: And me as well. My powers probably won't work on Stane in his suit.

Shockwave: Your reasons are logical.

Me: I agree there. Okay then.

I was ready for Ironmonger.

Ironmonger: That suit is amazing!

Me: Thanks. Cameron, Double D, Nazz, Kevin, War Machine, Tony and Pepper all have one. So now I do too.

Nico: SO SUPER BADASS!

Qin: YEAH!

Me: Now the opportunity has come to test it.

I fired waves of energy blasts and blasted him all over the place.

I fired missiles and lasers and blasted him all over!

Gameface: (to Sportsmaster) Let's show him some game time!

Sportsmaster: LEts do it!

They fired puck bombs and basketball bombs and blasted Stane all over!

Lego Grodd punched Solovar.

Lego Grodd: Kneel before Grodd!

Stone Man: I bet you've always wanted to say that

Lego Grodd: You bet

I fired lasers and blasted Stane all over

Drakkon: (to Slipknot) Go ahead and attack. God only knows you've waited long enough to do something important

Slipknot: With pleasure!

He fired waves of energy and blasted Stane all over.

Me: Stane, this world isn't big enough for the both of us!

Ironmonger: You got that right!

Lego Count Vertigo charged at Solovar and fired a vertigo ray and made him dizzy!

He threw up all over!

He puked out bricks.

YUCK!

Qin: I often wondered how Lego versions of everyone throw up.

Lego Reverse Flash: Try and catch me!

Iron Monger: My pleasure.

He fired a missile at Lego Reverse Flash but he ran out of the way, leaving the missile to hit Solovar

It hit him and exploded!

OOPS!

Ironmonger: Aw damn!

Qin: Ouch!

Rainbow Dash: Nasty!

Me: No kidding!

Qin: YEAH

Me: Tony I hope you put in built in air conditioning in your suit.

Iron Man: Don't worry I did.

Me: Good. This has it too. It gets hot in here.

Qin: I was going to say. It must get really hot in that.

Iron Monger then turned to see Negative Ultimate Humungousaur staring at him. The two former teammates stood in silence for a few minutes.

Negative Ultimate Humungousaur: Hello, old friend.

Iron Monger: Dammit, Albedo. Why are you making me do this?

Negative Ultimate Humungousaur: Because what you're doing to becoming a true hero is wrong.

Me: Albedo left you guys because you are doing the hero business wrong.

Negative Ultimate Humungousaur: Stane, I know we're on opposite sides right now. But surely, you realize that the rest of your Team Buktu teammates are starting to lose it.

Me: I agree with him. Have you noticed how they are starting to go insane?

He started thinking about it and began realizing that we were right.

He had thoughts about his teammates.

Negative Ultimate Humungousaur: But first, is it true that Tim caused a zombie vampire outbreak?

Iron Monger: I wasn't there for all of it. But yes. But the only thing I contributed was helping to kill those...things!

Me: Geez!

Qin: YIKES!

Laney: Scary!

Ironmonger: And I'm REALLY Getting sick and tired of Evil Sasuke calling J.D. a motherfucking cur!

Me: That I can agree on.

Iron Monger: Okay. So maybe my teammates have been going insane. But the Crime Syndicate hasn't. And look at where I am now. Everyone loves us!

He then fired a missile at War Machine but he dodged it.

Iron Monger: And not to interrupt the talk a little but if I can't fight Tony, I can fight you instead.

War Machine: Always wanted a shot at you anyway. And here's the truth. They only love you guys because we told them to. In truth, everyone hates Team Buktu. They're still wary about the Crime Syndicate because they're not as vile here.

Me: Yeah no kidding! Everything about Team Buktu is a lie.

Camie: They are ruining heroes good names.

Iron Monger:...even after everything, Tony, you really think we can go back to how we were?

Iron Man: Not really. But it can always be better. But for now, how about you be a spy through the tracer Ragdoll will put on you?

Me: Hmm. Like a Team Dark Phoenix Storm spy.

Iron Monger: Hmm. That's an interesting idea.

Me: No conditions or anything before you reply?

Iron Monger: Make sure me and the rest of Team Buktu go down on Wood Head's day. For blondie's day, you may not kill Evil Sasuke but you can rant the Hell out of him

Me: Don't worry we already agreed to all that and have everything set for Jonny's day.

Jonny 2X4: It's true. Plank is ready for it too.

Qin: Yep

Iron Monger: Good.

War Machine: Lets continue this then.

He fired missiles and blasted him all over.

Iron Monger fired his own missiles.

Iron Monger: By the way, Lex...

He fired a missile at Lego Luthor but he dodged it,

Iron Monger: Your bald head's exposed. That's a weak point.

Lego Luthor: Well, we all can't have helmets.

Me: True.

I fired lasers and blasted him

Stith fired skulls and bashed Ironmonger's head!

Jewel formed crystals and blasted him with rainbow light.

Camie: Nice one!

Rufina: Have some cheese!

She fired cheese blasts and blasted him.

Bronzor charged at him and bashed him all over the place!

Me: WHEW! Even though this has air conditioning I'm toasty.

I got out of my suit and it went back into my device.

Me: Ahh! Much better.

I blasted Ironmonger with fire blasts.

Iron Monger: Seriously? You were doing a good job with it

Me: Well you should know the feeling because it gets hot in there. Also I wanted to test it out.

Iron Monger: Okay you have a point.

I fired lightning blasts and electrocuted him.

Suddenly, the magic circle appeared in the skies as the spirits of the Clow Cards appeared. Then, he went after Ironmonger and he fired extremely powerful blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels at him, and he whacked him on the head with his staff and used the powers of The Clow Cards and mangled him.

Lincoln went wild on Ironmonger as he punched, kicked, and slashed at him like a wild beast, and he left scars on him, and I also did the same as well.

Then, Lincoln held out his left hand and fired ten massive balls of fire at Ironmonger, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben

10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT IRONMONGER AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HIM AND HE GOT BURNED!

Lincoln and I went at Ironmonger and we began brutally smashing him all over the place with our massive godly superhuman strength, and it was even more brutal than ever. Then, we punched him hard in the face and kicked him in the stomach and we sent her flying into a wall, he got back up and Lincoln and I fired massive elemental energy balls and beams of light at him and he really got scorched and burned.

Ed Cowart punched Ironmonger's armor super hard and the armor had broken instantly, then he wedgied Obadiah Stane and pulled his underwear over his head.

Ed Cowart: WEDGIE!

Then, Ed Cowart dressed Stane in a pink leotard with tutu, then he fired a mountain of exploding oranges at him which explode covering him with orange juice and pulp then he finished by firing cherry juice at him then pineapple juice, watermelon juice, and lastly lemon juice!

Rufina was surprised as her body started trembling. She yelled out in surprise as her body started expanding. Same with the others.

Rufina: NO! We control the power! It doesn't control us.

Rufina, Jewel, Celicalla and Stith concentrated and reigned in the powers of Mega Chandelure, Mega Brambleghast, Ratbat and Mega Cresselia and they transformed and blasted Ironmonger all over the place!

Iron Monger: And is it true that Zero ripped off the first fight I had with Tony?

Dark Spicer: Okay I walked right into that one!

Me: Ouch! We've been getting hit with everything but the kitchen sink lately.

?: I can tell you have.

A figure came out and it was GENERAL TYNAMON From Ninja Steel!

At some point, Tynamon, a tiny monster, either received or constructed a robotic body for himself to hide his lacking size. He went on to become the manager of famous fighter Brax, though not even the fighter would come to learn his "little" secret.

Some time after the demise of the Galactic Ninjas and the failure of her deal with the ruler of the Antiverse Lord Draven, Madame Odius was approached by Tynamon with a deal. The general and Brax would help Odius in destroying the Rangers and obtaining the Ninja Power Stars, and in return, Odius would grant him the size he so desired.

Tynamon arrives on the Warrior Dome with Brax joining Odius' crew, telling her that they have a plan. He then gets annoyed at Badonna for trying to get Brax's attention. She tells him that she knows his secret and that he'd better watch out or she will tell the whole universe. He then introduces Brax to the Power Rangers, the warrior pretending to be weak to trick the Rangers. He then watches Brax's progress against the Rangers from the ship.

After Voltipede is destroyed, he finds the Ninja Fusion Star and brings it to Madame Odius.

Tynamon explains his plan to Odius, to use her hammer with the Ninja Fusion Star to create a Mega Monster by fusing 6 Skullgators to destroy the Rangers and get their

Power Stars. Odius is impressed but tells him that the Power Stars obey respond to the owner's voice, so Tynamon decides to steal a Ranger's voice. He steals Levi's voice and retreats. Later, he confronts the five others Rangers and uses Levi's voice with Odius's hammer and the Ninja Fusion Star to fuse 6 Skullgators to create Megamauler, who fights and defeats the Rangers but they succeed to escape. A furious Tynamon insults Megamauler, who tries to crush him, but the general shrinks him. Tired of being beaten and insulted, Megamauler fled, withTynamon chasing after him. He retrieves him in the Warrior Dome Ship, but realizes that his voice has returned. Megamauler tells him that the Rangers have broken his spell. No longer able to use the Ninja Fusion Star, Tynamon succeeded in persuading Megamauler to fight the Rangers with him. However, Megamauler was destroyed by Levi using his new Super Star mode, and Tynamon fights the Rangers. Levi uses his final attack on him, while Tynamon survives but loses the Ninja Fusion Star. Levi takes it and returns it to Brody. Tynamon says that he will have his revenge and retreats.

Tynamon storms into Odius' room and tells her she must fulfill her part of the deal. She tells him that he is not one to bargain and exposes his small size to Brax and Badonna. Badonna then takes this chance to insult him. Odius then tells him to capture Mick for her using his size in exchange to make him giant. Brax battles the Rangers to keep them busy while he brainwashes Mick. He then battles the Rangers.

When his face is shot, his tiny form is revealed and he calls for the Gigantify Ray. Odius decides to let Cosmo gigantify him, which he does. Now giant, his wish has come true, making him very happy. He blocks the Ninja Fusion Zord's Master Slash and uses his staff to bash the Megazord on the ground. They then form the Ninja Steel Ultrazord and blast him, weakening him. He is destroyed by the Ninja Steel Ultrazord Blast with him using his final moments to curse his bad luck. Madame Odius then tells Badonna that she never needed 'that tiny twit Tynamon' anyway because now she has Mick under her control

---

Brody: Tynamon!

General Tynamon: Been a while rangers.

Me: I remember you! You helped Odius in getting the power stars after the Galactic Ninjas failed!

General Tynamon: That's right. Good memory.

Me: Yep.

William: Is your true form really that tiny?

He opened his face and revealed himself.

General Tynamon: See for yourself.

William: WHOA!

Me: I remember seeing that.

Nico: Yeah.

Dark Spicer: I have 2 new aliens for you all to see

Me: Lay them on us.

He turned into a Klingon with angel wings and had purple blood drops swirling around his arms.

Kronosstar: I call this one Kronosstar!

Poromon: Is that a Klingon?

Kronosstar: It sure is! (charges at him)

He formed a blood scythe and I clashed with him.

Me: Impressive.

Shanan: A Klingon hybrid. Awesome!

I kicked him and knocked him down.

Me: Nice one.

Dark Spicer: And here's number 2.

Maria: First before I forget. (TURNS DIAL) TRAPDOOR CRAB FORCE!

She summoned Trapdoor Crab (Skull Island), Psycho Pirate, Burning Leo, Rocky (Looney Tunes), Bankumashroom and Jerk Turkey (Tex Avery).

Me: Oh cool!

Then he turned into a Species 8472 creature with water wings and Bubbles of acid around his arms.

Undinndie: This is Undinndie!

Poliwag: That's a Species 8472.

Undinndie: Actually, they're called Undine. (Charges at him)

I blocked him and grabbed his arms.

Me: I remember those guys! They were ugly! Also they blew up the Borg Home Planet.

Undinndie: That's right! But this was long after us.

Me: I know.

Shanan: An Undine Hybrid! Cool! And I'm not talking about the Water Elementals either.

I fired waves of energy and blasted him down.

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Bertrand, Babs Bunny, RD Girl Jordan, Ruth Lincoln, Hexe Trude, Number 83: Galaxy Queen, Rose Paladin, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Miranda and Raythor VS Roman Goodwin, SHS Carnage, Terminus, Dorodoros, Duke of Trump, Palm Tree Bouma, Spider Sketch Monster and SHS Carnage (Theme including Babs Bunny) - Nico's rescue was on one of the Forbidden Planets and we met the queen of the Hamburger Planet and battled Patrick's Akuma as a burger monster

---

Roman Goodwin was first.

Roman (to Bertrand): Nico's rescue was on one of the Forbidden Planets. He met the queen of the Hamburger Planet and battled Patrick's Akuma as a burger monster.

Bertrand: Yeah that was a really cool one! We went to the planet Cheeseburgairaira and it was amazing. It was a burger planet which was fully covered in burgers and toppings and more.

Roman: Oh wow!

Bertrand: I know! Also Lincoln got fully purified by Princess Ankhstarena and saved from a horrible path!

Babs Bunny: We found out that it was a last ditch contingency plan made by Dark Chase Young 8 weeks before we killed him for the prophecy. We learned that if Dark Chase Young's plans to fulfill the prophecy failed, his last ditch plan was to have Nathaniel Michaelson implant dark magic made by Dark Chase Young into Lincoln to get him to go bad should Team Buktu ever return! Look.

She showed a recording of it on her phone.

Nathaniel Michaelson: I SECRETLY PLOTTED TO BREAK YOU STUPID TEAM LOUD PHOENIX STORM FOREVER! AND ON TOP OF THAT, I HAVE ALWAYS HATED YOU FROM THE VERY BEGINNING, LINCOLN! YOU HAVE A FAMILY, A HAREM OF FUTURE WIVES, CHILDREN, PARENTS WHO LOVE EACH OTHER WITH ALL THEIR HEARTS, FRIENDS, AND EVERYTHING! AND WHAT DO I GET?! NOTHING BUT THIRTY-FIVE YEARS OF AGONY AND PAIN! THE SUPPORT OF YOUR GRANDPARENTS, MY PARENTS, ALEX, THAT DIDN'T HELP ME AT ALL! MY HEART WOULD NEVER RECOVER AND IT LED TO MY DEATH! AND THAT DAY WHEN CARRIE CHEESBURGAIRAIRA WAS MURDERED BY MY COLD-HEARTED BITCH OF A WIFE, THE THIRTY-FIVE YEARS OF PAIN AND ABUSE I SUFFERED FROM THAT BITCH CAME BACK TO ME!

Nathaniel Michaelson got out his massive darkness greatsword and pointed it at Cammy Cheeseburgairaira.

Nathaniel Michaelson: AND YOU! YOU GOT SO ANGRY AT ME, YOU DECIDED TO CUT TIES WITH ME FOR GOOD, YOU DESTROYED THAT LAST SHRED OF HUMANITY I HAD IN ME! AND I CAME TO REALIZE THAT LIFE IS WORTHLESS AND CHEAP!

He had a deranged and evil grin on his face!

Nathaniel Michaelson: So, yes, I plotted to break you all up, and seeing Lincoln's descent was indeed my masterpiece! The most powerful team in the universe broken by this act! It would've been so fucking glorious! NOTHING BUT MINDLESS GLORIOUS CHAOS! (CACKLING MALICIOUSLY)

WE WERE ABSOLUTELY DISGUSTED!

Me: YOU FUCKED-UP TWO-FACED COLD-BLOODED BLACKHEARTED WORTHLESS EVIL SADISTIC VILE BASTARD!

Nico: BECAUSE OF YOU, WE ALMOST LOST LINCOLN! YOU HEARTLESS BASTARD!

When it was done they were disgusted!

Roman: THAT GUY IS A FUCKING PSYCHO!

Terminus: And Dark Chase Young! That fucking demon! He did all this! Even in death and from beyond the black abyss he just continues to piss us off!

Babs Bunny: I know! What a monster! But thankfully this is the last time we ever have to deal with him forever! We're free!

THEY CHEERED WILDLY!

Roman: HALLELUJAH!

Babs Bunny: That was what we said too!

RD Girl Jordan: I know! Also this was Patrick's 2nd Akuma we faced! He was made because of Patrick suffering from Krabby Patty Withdrawal and Mr. Krabs banning him from ever eating Krabby Patties ever again! And because of that he turned into that and vowed to eat everything and everyone!

Roman Goodwin: GEEZ!

Twilight Sparkle: We were shocked too!

Stellar Sparkle: Yeah no kidding! Lily said Patrick came in like that with no money and Lily covered him. Mr. Krabs thought that was a nice thing she did.

Harmony Sparkle: She didn't need that money there thankfully.

Starshine Sparkle: Yeah no kidding.

Spyro: It sure was awesome.

Roman: I'm just glad we never have to deal with Dark Chase Young ever again! Lets do it!

Bertrand used Roman's ring and they fired waves of red fire and magic and smashed them down.

Misty: (to Persephone) Today was the Next Skylanders Adventure. Who went this time?

Persephone: Taranee, Tecna, The Pipsqueaks, Flare Firestar, Hot Head, Blast Zone, Fire Kraken, Fryno, Flame Mammoth and Fire Man. We went after Shrednaught and battled him on Zig and Sharko's island. He was cutting down trees and it was terrible.

Feedback: Lana and Sharko were smashing Zig's face in and making sure he doesn't get to Marina.

Hex: Seashell, Glory and Peach Fizz showed amazing combos with their legacies, the Cutie Mark Crusaders and it was really cool.

Rarity: It was really amazing seeing them in action like that.

Misty Tredwell: I can tell they had a lot of fun. Seashell and her friends are the legacies of your sister and her friends.

Rarity: Indeed they are.

Erica Tala: I'm proud of Aunt Sweetie Belle for that.

Sapphire Ocean: That is for sure.

Rarity (G5): That was cool too.

Dioptase Angel Belle: It sure was!

Sweetie Belle: We sure had fun on that.

Gill Grunt: Yeah no kidding and Sunset Shimmer trapped Shrednaught with ease.

Misty Tredwell: Awesome! Lets do it!

Persephone used Misty's ring and they fired waves of green fire and waves of water, ice, jewels and lightning and smashed them down.

LOUD NASTY AND HORRIBLE FART!

Fire blasted Kalin in his face.

May: (Offscreen) Excuse me!

Morpheus: These were burritos made by the mascots. They were full of beans and chicken with ghost pepper pepperjack cheese and made with spices and had Carolina Reaper pepper sauce chicken and covered in J.D.'s deadliest ever hot sauce called the APOCALYPTIC FURY DEATH NUCLEAR FIRESAUCE!

THEY GASPED!

Sid the Squid: THAT'S INSANE! NO ONE CAN SURVIVE THAT MUCH HEAT!

LOUD NASTY AND HORRIBLE FIERY FART!

Fire blasted Superfriends Giganta in her face!

May: Pardon me!

Luke Cage: Well they won and man it was good! Like Jaime said, Eating contests to Coop are lunch.

Giganta: Yeah the guy always is hungry.

Rainbow Dash: It was intense and awesome! There were lots of other guys that couldn't handle the intense heat made by J.D.'s sauce!

Comet Thunder: They bursted into intense flames after 75 minutes into the contest after eating 190 burritos!

THEY LAUGHED HYSTERICALLY!

Kalin: BOY These guys really knew how to handle that much heat!

Sprite Thunder: Yeah no kidding! It was awesome!

Thunder Rainbow Zoom: But in the end, J.D., May and Coop tied at 1,000 burritos!

LOUD NASTY HORRIBLE AND FIERY FART!

A blast of intense fire hit Kalin in his face!

May: SORRY!

Scootaloo: And May is REALLY Farting up a storm from all that heat!

---

Rex Goodwin was next.

Rex: (to Brittney) Iron Monger is next in Gorilla City. I'm guessing Gorilla City doesn't get the news that well compared to human cities.

Brittney: No they don't. Gorilla City is a place that prefers to be locked in total secrecy and seclusion and avoid all kinds of contact with the outside world. And they like living in total isolation where no one can find them. Grodd mentioned it a few times before and it said it's located somewhere in Africa. We never went to the Prime Universe version of it.

Herald: It's a totally new place for us in our world. But I heard that one time that Grodd tried to blow up Gorilla City with nuclear missiles.

Amber: Yeah that was intense!

Pinkie Pie: No kidding and Grodd was not even in either the Legion of Doom or the M.O.E. Back then.

Maud Pie: (Monotonously) I heard that Gorilla City is a place where Gorilla's use all kinds of super advanced and powerful technology that is thousands of years ahead of humanity.

Citrine Pie: That is really amazing!

Eddy: Well as you can see he is a REALLY HUGE and cool Ghost Battleship. He is a massive battleship Akuma. His name is the King James Revenge.

Boomer Kuwanger: He's not a pirate ship, he is a Ghost Battleship mixed with a cruise ship and a ghost ship.

Daughter: He is a fully loaded ship too.

Starlight Glimmer: He sure is and he is a really powerful ship too! He was made because of Ironmonger ruining Tony Stark's life and vowed to unleash the fury of a thousand battleships on him!

Moonlight Glimmer: Not only that but it looks like he came out of the Bermuda Triangle.

Starlight Glimmer (G5): Really intense.

Cozy Glow: It sure is!

Edd: That is a most intriguing development.

Wood Man: It sure is! Ironmonger like Albedo has honor whereas the rest don't.

Rei: This shows that Ironmonger is perfect for you guys.

Princess Celestia: That is for sure there.

Dawn Eclipse: I agree too.

Princess Celestia (G5): Yeah no kidding. Also so far everything is going as good as we planned.

King Solar: Now that Lincoln is no longer infected with Dark Chase Young's essence and is purified we can get all this done without any interruptions.

Solar Eclipsa: I agree there too.

Amber Morning: You said it.

Spotlight: Yeah no kidding!

Zs'Skayr: That is for sure. Lets do it!

Hinata and he danced!

Hinata: I love that song!

General Tynamon: He is a good guy to be there for his friends. Lets do it!

Nico teleported and opened his safe and got a bunch of weapons called the Destroyers of Ironmonger, they're a massive collection of holy greatswords, blasters, spellbooks, and magic rings infused by holy magic and the powers of The Gods and Goddesses of The Ancient World and the power of God, The Angels, and Archangels of Heaven that'll really hurt that guy.

Right about now, as you saw, Darkseid decided that your life was indeed worthless and that you were to be killed, and your unhinged buddies of Team Buktu also decided that your life is also worthless and they also sided with Darkseid to kill you. But, you at least have honor, and Albedo at least got along with you.

Albedo walked up to Ironmonger.

Albedo: He's right, Stane. If you stay on the side of our former friends who are now unhinged lunatics along with Darkseid, you're going to be killed.

Ironmonger thought about everything Lincoln and Albedo said, and he realized they were right: he was wrong to have trusted Darkseid, and Scott, Evil Jimmy Neutron, Evil Sasuke, and Tim Buktu had backstabbed him big time and tried to have him killed, and they were nothing more than unhinged lunatics.

Iromonger: You're right..., I should've never trusted Darkseid, and my former friends are nothing but unhinged lunatics who backstabbed me and tried to kill me. It looks like my days in Team Buktu are finally done.

Finally, Ironmonger grasped Lincoln's left hand, and Lincoln helped him up, and then, Lincoln had him sent to Vypra who arrived, and she guided him to The M.O.E. We cheered as we holstered our weapons and powered down.

But Ironmonger will join the M.O.E. Later.

Lego Grodd: Go back to Team Buktu and the Crime Syndicate. Tell them they are no longer welcome in Gorilla City

Me: That is for sure.

Ironmonger: Okay.

He went back.

Nico: Oh man, Lincoln, that was really impressive! You really talked sense into Stane.

Me: Indeed, what you said was true.

Lincoln: That's right. Darkseid was never to be trusted at all, even Anti-Monitor knew it would be a temporary alliance, and Scott, Evil Jimmy Neutron, Evil Sasuke, and Tim Buktu decided to backstab Stane and kill him. It will not be long before we face those unhinged monsters: all of them when Jonny's day to shine comes. Now, there's one last thing to do and one last loose end to tie up: Kyknos.

We then turned our attention to Kyknos who's still trying to get out, but couldn't.

Kyknos: YOU! WHEN I GET OUT OF THIS, I WILL DESTROY YOU ALL!

Lincoln blasted Kyknos with rainbow, white, golden yellow, and blue energy blasts and elemental forces and fired Omega Beams at him as well.

Melanie Malevolence: Okay, that's it, I've had it up to hear with you! Now, it's time for you to pay.

Suddenly, Melanie Malevolence's red eyes turned neon red, and she was surrounded by a black and red, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, phoenixes, and angels, and as she approached Kyknos, she left black and red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, darkness, phoenixes, and angels with every step.

Melanie Malevolence: I will never forgive you for what you've done, Kyknos, you caused a lot of pain in your desire to kill your father and take over as God of War, this is unforgiveable, and now, this is where you die.

Suddenly, Melanie Malevolence was surrounded by a massive vortex of black and red, white, golden yellow, and blue energy with stars, aura energy, white and blue heavenly flames, and darkness surrounding the vortex, there are phoenixes, angels, and Orichalcos Malevolence flying around the vortex, and in the vortex is a black phoenix with the Orichalcos symbol on its stomach and blood red eyes glaring at Kyknos: the blood red eyes of eternal death, eternal damnation, and eternal judgement, and we saw heavenly lights shining down on the vortex.

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death. Kyknos, Son of Ares, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Lincoln did one final powerful energy slash that hit Kyknos hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Kyknos was on his last legs.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into Kyknos' chest and he began absorbing him and assimilated Kyknos' Brute Superhuman Strength, Superhuman Durability, Superhumanly Dense Tissue, and Expert Combatant Skills, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of Kyknos and he also sucked out all the energy remaining in his soul and Kyknos was sent to The Black Abyss and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and Melanie Malevolence's new body, clothes, weapons, jewelry, Third Eye, 100 massive and long black wolf tails, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded red gems behind the gold rings behind her head, one-hundred large black and red planets orbiting around her legs, one-hundred smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and red planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Melanie Malevolence: It's over for you, Kyknos, and to this we say good riddance. Thanks for helping me get rid of Kyknos, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Melanie.

Me and Nico: Our pleasure, Melanie.

Suddenly, Melanie Malevolence wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Melanie Malevolence's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Melanie Malevolence sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Melanie Malevolence: And that's it for Kyknos.

Me: That's for sure, and that's pissed Alecto Slytherin of even more. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Lavalval Salamander.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Lavalval Salamander.

Adara Vulcania: There's only one person who fits this: Anala Vulcania, Avatar and Gene-Slammer of Lavalval Salamander, and you guys are going to love meeting her, Anala Vulcania, Avatar and Gene-Slammer of Lavalval Salamander, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Salamander. She's The Volcanic Lava Salamander Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Anala Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Salamander, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Salamander, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Anala Vulcania hates Chandler with a burning passion, and she swore if she ever saw Lincoln in a bad condition because of him, she was gonna burn that asshole big time and she even got back at Chandler by firing blasts of fire at him and his cronies, Artie and Trent, which burned their clothes to ashes even their underwear and left them butt naked in front of the school!

Nico: She did what to Chandler?! Oh man! That was really embarrassing!

Me: Oh, I remember that all too well. Everyone was laughing at them big time and they had to run out of there, but their shame was caught on camera forever!

Lincoln: And they also got arrested for indecent exposure and had to spend time in jail, but they had that one coming, and Anala saved the video of that on her phone in case Artie and Trent along with Chandler tried to get revenge.

Nico: (GASPS) A classic Lola Loud blackmail?!

Me: Yep, she was a clever girl, she knew they'd try to get revenge, so she kept the video and swore to upload it to the internet if they tried anything.

Lego Grodd: I thank you for your help today.

Lego Luthor: It's not what I was expecting. But I'll take it.

Me: Me too.

Misty Tredwell: At least this version of Gorilla City is safe

Me: Someday we'll visit the prime universe version of it.

Greiger: Team Buktu has no idea of the mole in their ranks.

Rex Goodwin: No, they don't.

Me: Nope. We'll be ready for them.

Lego Grodd: I take we'll find new recruits?

Zs'Skayr: Maybe tomorrow.

Number 7: For today, good job,

Nico: I was going to say. Great job today everyone.

LOUD NASTY HORRIBLE FIERY FART!

May: Excuse me!

Manaphy: Lets get mama home.

Me: Yeah.

Donkey Kong: (To the viewers) This was a crazy and fun adventure.

Me: It was.

We went back home.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, we defeated Ironmonger and Linky got him to defect to Vypra's side.

Anna Anyanova: And we are so glad Princess Ankhstarena saved him! I still can't believe Dark Chase Young did that, even from beyond The Black Abyss, he pisses us off. But, Linky's finally been purified permanently, and this time, for good and he'd also transformed. But, it'll be a long time before we ever forgive Alexander and Rebecca's dad, sure he died fifteen years ago because of Ravenna, but when he was resurrected, he was turned evil. I just hope time heals those wounds.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Move Card, but tomorrow, I got a feeling we're going to take on the dark version of The Fight Card, this thing caused a lot of trouble for Sakura, but we're ready for it.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on, and so was the big war against Team Buktu and Darkseid, and we'll make sure those monsters pay for their crimes with their lives.

TO BE CONTINUED...

See you all next time.

DC SUPERVILLAINS PART 4

Part 4: Planet Oa

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a red and pink planet of intense love, intense passion, intense lovemaking, and intense sex in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only, but had immense powers over love, passion, lovemaking, virility for males, fertility for females, and sex, and were given even more incredible powers, immortality, and invincibility by the deities they've worshipped, and the ability to grow even stronger and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. The males who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it which drives many females wild and the females had the beautiful looks of the Goddesses of ancient times and the voluptuous busty bodies to prove it which drives many males wild. But, they'd been defeated by The Infernairans eons ago and they imprisoned themselves inside a well where their souls remain imprisoned to this day, but they had a vision: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of their male warrior angels imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix.

Lincoln woke up, but he had a nosebleed when he saw the females.

Lincoln: Holy cow, what on Earth was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Eroticaira, a red and pink planet of intense love, intense passion, intense lovemaking, and intense sex in The Forbidden Zone that was inhabited by powerful warrior angels called The Eroticairans, the males were not only natural born fighters, but had immense powers over love, passion, lovemaking, virility for males, fertility for females, and sex, and were given even more incredible powers, immortality, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Eroticairans, and they were among the most advanced civilization in The Forbidden Zone. The male Eroticairans who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it which drives many females wild and the female Eroticairans had the beautiful looks of the Goddesses of ancient times and the voluptuous busty bodies to prove it which drives many males wild. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: Whoa! Oh man! If J.D. 2 shows everyone tomorrow, it's gonna be Nosebleed City Mayhem.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Eroticaira once inhabited by The Eroticairans, but were defeated by The Infernairans eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun is infinite-times hotter and brighter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet and his rainbow energy aura exploded as he grew stronger.

Lincoln: Wow! So, this is Planet Eroticaira!

Suddenly, Lincoln's body started feeling even hotter than ever!

Lincoln: Oh whoa, I'm starting to feel the sudden urge to have sex with my harem yet again!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Eroticaira has that kind of effect on both males and females, the aphrodisiac air of the planet makes them full of lust and sexual hunger as the males feel like they're in permanent rutting season and the females feel like they're in permanent heat, and this place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Eroticaira and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a red and pink gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of red and pink souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Eroticaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Eroticaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their immense superhuman strength, immense power over intense love, intense passion, intense lovemaking, seduction, intense sex, and the intense flames of passion, superhuman durability, superhuman speed, superhuman endurance, and excessive virility, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and incredible godly powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and red and pink aura surrounding him and the rainbow, white, golden yellow, and blue protective aura and holy white aura as well was like a raging fire as he pounded his chest like a gorilla and he felt even more wilder than ever.

Lincoln: Whoa, oh man, all of their immense superhuman strength, immense power over intense love, intense passion, intense lovemaking, seduction, intense sex, the intense flames of passion, superhuman durability, superhuman speed, superhuman endurance, and excessive virility, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and incredible godly powers along with their spirits and lives have merged with my body. (Flexes his massive muscles as his massive biceps bulged even more with veins forming) RRGH! I also feel even more wilder than ever!

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience, and wait until you get back home to go wild on them. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Eroticaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at more than 999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Eroticaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Eroticaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Eroticaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) Now, my harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the effects of the aphrodisiac air of Planet Eroticaira.

Then, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we.

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another one The Infernairans terrorized! Damn.

J.D. 2: Oh my God, I remembered Eroticaira! I never thought you'd be crazy to go back there again! (GULPS) And here's what the male Eroticairans and female Eroticairans looked like.

J.D. 2 made a viewing window, and we saw what the male Eroticairans and female Eroticairans looked like: The male Eroticairans who'd spent their lives fighting and proved their manly virile dominance were really tall godlike manly virile men and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies which drove many females wild and the female Eroticairans had the beautiful looks of the Goddesses of ancient times and voluptuous busty bodies to which drove many males wild.

SUDDENLY, IT WAS NOSEBLEED LAUNCH MAYHEM TIMES INFINITY FOR BOTH FEMALES AND MALES!

Maria: HOLY SWEET MOTHER OF ALL THINGS HOT AND STEAMY!

May: HOT DAMN! SO THAT'S WHAT THE MALE EROTICAIRANS LOOKED LIKE!

Me: ALONG WITH THE FEMALE EROTICAIRANS!

Nico shook his head.

Nico: Oh man, I remembered hearing about that planet! But, why did you say Lincoln 2 was crazy to go back there again?

J.D. 2: Because Eroticaira has that kind of effect on both males and females, the aphrodisiac air of the planet makes them full of lust and sexual hunger as the males feel like they're in permanent rutting season and the females feel like they're in permanent heat.

Lincoln: Lincoln 2 told me about it especially when I felt my body become even hotter and started feeling the sudden urge to mate with my harem yet again.

J.D. 2: Oh man! This reminded me of what happened 250 trillion years ago when I recruited Lincoln from my universe and he went to Eroticaira, and...!

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) Don't even think about telling him, J.D.! Wait, is Nicole awake?!

I looked and saw she was still sleeping, but then, I tiptoed to her bed, and when I removed her blanket, there was a training dummy of her!

Me: IT'S A DECOY! She found out!

Everyone screamed!

Lincoln: Okay, hold it!

We stopped.

Lincoln: Look, all I need to do is suck in all the blood into my body and Nicole won't find out, but we need to keep this secret, got it.

But, Nicole was right behind Lincoln.

Nicole: I already know about it, Lincoln.

WE SCREAMED!

Nico: Nicole?!

Nicole: But, I had a feeling it was about this. Last night, your barrier became infinite-times stronger when you came back, Lincoln. I was still sleeping, and you guys know what happens around me, but you know I wouldn't kill my own father, nor you, Lincoln, or any of our teammates.

We breathed a sigh of relief.

Jimmy woke up to see Fletchling staring at him

Fletchling: (CHIRPS) Morning Jimmy!

Jimmy: Oh good morning Fletchling!

Fletchling: It's time for breakfast!

Jimmy: OH BOY!

He went and got dressed and went to the table.

Jimmy was singing.

Sarah: Morning Jimmy!

Jimmy: Morning Sarah!

Me: Morning Jimmy!

I made him pancakes and fruit salad.

Me: You sure woke up happy as always.

Jimmy: I sure did.

Suddenly, Lincoln's phone went off.

Lincoln: Hello?

Vambre: (British Accent) Linky, it's Vambre, we got trouble in Lyvsheria and you are not going to like this. Old Man Oldman is at it again and he has an evil toupee and is pulverizing us ferociously!

WE GASPED IN SHOCK!

Lincoln: What?! Again?! Vambre, we'll be right there.

Lincoln hung up.

Brynja Heringsdötir: (Norwegian Accent) What the?! Ooh, I warned that old coot big time and I gave him a hard warning last time that I will show no mercy on him if he did so again! Now, it's personal.

Lincoln: Save room for me, Brynja, you know Vambre is my future wife, and I'm not gonna let that old coot get away with hurting my future wife and her brother like that and trying to get away with it.

Me: Yeah, who does he think he is?!

Nico: A rotten old geezer with a habitual laziness streak and penchant for causing trouble, that's who he is!

Lincoln then stepped into the dining room, and he sucked in all of the blood from the nosebleed mayhem.

Lincoln: Ah, now that was good. (To Maria) Uh, Maria, did you have some of my Dad's Lynnsagna last night along with his garlic bread?

William: Wait, how did...?! Oh, right!

Maria: Dang it...! He caught me! What are ya gonna do about it, copper?!

Lincoln: (Smirks) Hey Babs! WE GOT A RUNNER!

Babs Bunny: (Spin Changes into a cop) What, a runner?!

Babs Bunny blows on a whistle!

Babs Bunny: HALT! STOP IN THE NAME OF THE LAW!

Maria: Oh, no you didn't! Dang it, Lincoln! YOU'LL NEVER TAKE ME ALIVE, COPPERS!

But, Lincoln flew at and pinned Maria to the ground, we didn't even see him move. Then, he helped her up.

Maria: What the?! I didn't even see him move!

William: Yikes...! He moved so fast, time seemed to slow down!

STOMACH RUMBLES!

Lincoln: Okay, now let's finish breakfast and head to Lyvsheria.

Nico: Right, we can't fight Old Man Oldman on an empty stomach.

We finished our breakfast and headed to Lyvsheria to help Vambre and Proyhas out and help Nightmare Moon unlock her Rainbow Power and take down Old Man Oldman.

We went in and saw the place still clean.

Me: Well so far things are in order here.

We saw a LOT OF PIZZA on the floor too!

Nico: Looks like the Warriors have been using the Pizza Magisword again.

Xenia: Yeah.

Ymir: What a mess!

Nico: I'll clean it up.

Nico got to eating and ate it all clean.

Nico: Ahh! (WACKO BELCH)

WE LAUGHED!

Camie: Excuse you!

Nico: Sorry.

Grup: Thanks guys. Oh Prohyas and Vambre went to Old Man Oldman's house.

Me: Thanks Grup. Just want to make sure things are okay here.

We were off to there.

Nico: Bomb Man: I want to thank you, Armored Armadillo, and your teams for coming.

Bomb Man: No problem Nico. I want this to be fun.

Harlia Megiddo: I'm excited for this too.

Qin: Me too Harlia.

Nico: Harlia, remember when we first met?

Harlia Megiddo: I sure do. You found me on the streets and I got really pissed about not attending school. You saw me blow the entire building up.

Nico: I know. That was intense.

Ymir: She can do that?

Me: She has a weird power. Whenever She gets angry, she causes buildings and places to explode.

Ymir: WHOA MAN!

Camie: I know. We were shocked too.

Lola: Yeah.

Nico: Yep. Also I saved her from mad scientists in Russia that were going to experiment on her and turn her into a weapon. I promised to be there for her.

Harlia Megiddo: Yeah but Team Rocket turned me into Megidramon.

Me: Yeah.

Ymir: Oh man. And she can destroy the entire planet in an instant.

Harlia Megiddo: Yeah it's a nasty story.

Me: Yeah.

Poromon: If she wanted to.

Harlia Megiddo: I know.

Ymir: Oh man. Dangerous.

Harlia Megiddo: But thanks to all of you guys I can now fully control my power and my temper.

Camie: Awesome.

Lola: Good.

Nico: I know and now you are part of my harem as well.

Harlia Megiddo: I sure am.

Me: Yep. Man yesterday was one SHITASS crazy day!

Lincoln: I know! But I just can't believe it was Dark Chase Young's evil essence that was making me like that and wanting to be a villain! Nico I'm so sorry I was like that to you. Can you all ever forgive me?

Nico: Apology accepted. Now you understand that being a villain is temporary here

Lincoln: Yes I do. And I'm glad that I realize that.

Me: Good. At least we will never have to deal with that monster ever again.

Lincoln: Also that was the first time we've been to one of the Forbidden Planets. What did you guys think?

Me: It was really cool!

May: And those burgers were really delicious.

Cammy Cheeseburgairaira: (LAUGHS) I'm glad you guys liked my home planet.

Qin: We sure did.

Me: Yep. Also we saw Gorilla City in the Lego World. It was really something.

Donkey Kong: It sure was!

Me: I bet the Prime Universe version is just as cool and amazing.

Flash: I can show you sometime

Me: COOL! But trying to find it wasn't easy. Their technology was that amazingly advanced.

Nico: I know! That was awesome though. And we battled Ironmonger too.

Iron Man: He put up a really good fight and he was impressed that Double D and Zero did a perfect copy of our first fight.

Me: That is for sure Tony. That was very coincidental and cool that they replicated it perfectly.

Iron Man: It sure was.

War Machine: I agree there. And seeing my Akuma was awesome!

Me: Your Akuma was a MASSIVE Battleship! That was really amazing!

Captain America: Makes you wonder what an Akumatized Iron Man looks like.

Me: I have a feeling it will be awesome Steve. I hope Tony's is a Starship.

Qin: I agree there.

Nico: Lets not jinx it.

Lola: Yeah.

Me: Oh guys.

I pulled out some plans.

Me: I just came up with a battle plan on October 2nd. I'll show it all to you after we're done helping Prohyas and Vambre.

Nico: Good idea.

Poromon: Against Ozai, right?

Me: Yep.

Poromon: Cool!

Nico: Looking forward to it.

Me: For now lets focus on the task at hand.

Nico: Right.

Lincoln: Okay, guys, we're in for an awesome battle, we're here in Lyvsheria to help Vambre and Proyhas out and help Nightmare Moon unlock her Rainbow Power and take down Old Man Oldman.

We had all of TLPS and The MOE with us.

Scootaloo heard a Pokemon cry.

Scootaloo: Hey guys look at this!

She picked up an Alolan Vulpix!

Me: Whoa an Alolan Vulpix!

Lillie: Aww cute! Snowy has a little playmate.

Alolan Vulpix: I have been eating nothing but broccoli here. (LOUD FART) Oops sorry!

She farted icicles and they hit a bunch of trees.

Me: WHOA! Sharp and deadly.

WE LAUGHED!

Me: That is funny.

Alolan Vulpix: Broccoli give really bad gas.

Poromon: Here let me help.

Poromon jumped on her belly.

Alolan Vulpix: Ooh that feels great!

LOUD FARTS!

Manaphy: Mama let us help you.

May: Sure!

The mascots jumped on May and she was FARTING BLUE FIRE!

LOUD FARTS OF ICE AND FIRE!

Me: May still has gas from those burritos.

Nico: Geez!

Horsea hopped on her.

We laughed.

THEY FARTED ALL OVER.

Me: Okay I think they are good.

They stopped.

Alolan Vulpix: Ahh. Much better.

Me: Good.

Scootaloo: Here.

She gave her apples.

Alolan Vulpix: Thanks.

She ate them.

Scootaloo: You're welcome. Want to come with me?

Alolan Vulpix: Sure!

Scootaloo: Awesome!

Rainbow Dash: Awesome!

Poromon: YAY!

Manaphy: What about you, Mama?

May: I'm... (STOMACH GRUMBLES) UH OH!

Me: DUCK AND COVER!

We did so! Then...

MASSIVELY EXPLOSIVELY LOUD FIERY FART OF EPIC PROPORTIONS!

SHE FARTED A MASSIVE BLAST OF BLUE FIRE AND IT SLAMMED INTO NICO AND BURNED HIM ALL OVER!

He was burned to a crisp!

Me: WHOA MAN!

Nico: (COUGHS) Ouch.

Manaphy: Mama?

May: Ahh! Now I feel better.

Me: Good.

Qin: Cool.

Zhuqiaomon: Uh oh guys! Look out!

We saw a little Stonebiter come!

Georgina: A Little Stonebiter!? Whoa!

Shanan: She's a little Sangurahuan Rockgolem.

2003 Mikey: She doesn't look like the Stonebiter we know.

She jumped on 2003 Mikey's head.

Ed: Is it my turn to jump on your head?

Eddy: Shut up Ed and smash her!

Ed turned into Edzilla!

Edzilla: ED SMASH LITTLE GOLEM!

He punched Mikey and smashed him into the ground and Stonebiter B jumped away!

Nico: She's definitely faster.

2003 Mikey got up and had a NASTY lump on his head.

Qin: Ouch!

I fired waves of energy and blasted her all over.

2003 Mikey screamed like a little girl!

Georgina: I'm joining in too!

She jumped in and blasted her with energy.

Me: CHAKRA CHAIN RESTRAINT!

I restrained her with Chakra Chains.

Edzilla and Georgna bashed her all over.

I then took a vial and injected her and she reverted back and she was a little girl with blue hair and blue eyes. She was no older than about 8 to 12 years old.

Me: (GASP) She's a little one.

Qin: Oh my gosh.

We wrapped her in a blanket and brought her over to us.

Edzilla: ED IS STRONGEST THERE IS!

Me: YEAH!

She woke up.

Girl: (Groans) What hit me?

Me: Are you okay?

Girl: I guess so. What happened?

Me: Well it's a long story. What's your name?

Rikki Vega: Rikki Vega.

Me: Pleasure to meet you.

Rikki Vega: Same here.

She revealed her story. She came from a dysfunctional family. She was dropped off at an orphanage and adapted quickly and got strong and powerful. Even going as far as to bring down bullies there. And she made awesome friends there. She is very gifted in art science.

WE GASPED!

Lisa Loud: Your family appeared to have some very toxic levels of hatred in them.

Qin: Yeah.

Horsea: Poor thing.

Me: A match made in hell.

Qin: Yep.

Me: Rikki we're sorry about what you went through. What was the last thing you remember before you were kidnapped?

Rikki Vega: Well the last thing I was doing was working on a powerful poison to be used to battle terrorists. I'm an advanced girl in science.

Lisa Loud: That is impressive.

Me: Yeah.

Rikki Vega: Then as I was about to add Nitroglycerin, everything went black.

Me: Oh man. The Shredder's footsoldiers got you. Also The High Mage is dead. Ugly story on that.

Lisa Loud: I can help you complete that.

Rikki Vega: I would be honored.

Me: By the way I know this is a sore subject but do you have any recollection of your family?

Rikki Vega: Yes I do. I saw them arguing and they were fighting over things like how to get away with a lot of money.

Me: You have a powerful brain and hearing. Also it looks like your family was involved in very nasty shady dealings.

Rikki Vega: That's what I thought myself.

Rarity: Oh poor thing. Lets get you some new clothes.

The Fashion Brigade gave her new red clothes and a hair bow.

Rikki Vega: Thanks! I look amazing.

Poromon: You sure do.

Qin: Yep.

Carly Atlas: I can agree there.

Then Carly and Misty's marks started glowing.

Carly Atlas: Our marks are reacting to something.

Misty Tredwell: Something is really close. Something powerful.

Me: Oh boy. Is it a Dark Signer?

Carly Atlas: I don't think so.

Poliwag: What is it then?

Lola: Wait I think it's from them!

We saw a Mega Sigilyph and Mega Spiritomb!

Me: WHOA! Mega Sigilyph and Mega Spiritomb!

Xenia: Oh boy!

Nico: Where did they come from?

Me: Must be 2 of Dark Gale's work!

Philip: Lets see.

He used Telepathy and gasped!

Philip: It's our sisters Nazca and Noctra!

Me: WHOA! This will be interesting!

We went over to help them.

Shotaro: Girls calm down! It's me and Philip.

Mega Spiritomb used Shadow Ball And fired it at me!

I deflected it and it exploded in the sky!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMM!

Qin: WHOA! Powerful!

Camie: Yeah!

Poromon: Amazing!

Mega Sigilyph used Charge Beam and fired a beam of lightning at me.

I deflected that back and smashed her down!

Qin: WHOA! Nice one!

Me: Thanks! Okay then!

I snapped my fingers and they reverted back!

Nazca was a girl with aqua green hair and blue eyes and black angel wings and had a symbol on her forehead that looked like the flag map of Peru with the Nazca Gaia

Memory with the W of Kamen Rider W and in a circle were the 20 Nazca Lines around it. And the same symbol on her arm. She also had Mega sigilyph too.

Noctra was a girl with black hair, red eyes, black angel wings and had Mega Spiritomb on her forehead and had the Terror Gaia Memory symbol and the W symbol on her arm.

We wrapped them in blankets and brought them over.

Me: Whoa! Intense!

I looked at Nazca's symbol.

Me: Hmm. Wow those are the Nazca Lines. I recognize them all except for these 2. They look like a Pelican and a Flower.

Nicole: Hmm. Must be 2 new ones recently discovered.

Lola: Yeah.

They woke up.

Nazca Hidari: (Groans) I feel like I got hit by Jun Kazu times 20.

Noctra Hidari: Me too.

Philip: You girls okay?

Shotaro: Yeah.

Nazca and Noctra: (Gasp) BROS!

They hugged them.

Shotaro: We're glad you're okay.

Me: You both were turned into Mega Sigilyph and Mega Spiritomb by Dark Gale.

Nazca Hidari: Oh man! We were battling Jun Kazu.

Noctra Hidari: Yeah we defeated him and sent him to prison.

Nuju: That is amazing!

Me: Too bad we didn't battle him on Nuju's big day 2 years ago.

Laney: Yeah no kidding.

Nuju: We actually did. And we'll do it again.

Me: Oh yeah. Its been a while that I forgot.

Nuju: No worries.

Nazca Hidari: I heard he is back thanks to Anti-Monitor.

Me: Yeah but we're going to be ready for him.

Nazca Hidari: Good.

Poromon: What are your rider names?

Nazca Hidari: I am Kamen Rider Nazca. I use the powers of the Nazca Lines and unleash the spirits of the Aztecs and Mayons on my enemies.

Me: Cool!

Seh formed the Hummingbird Line and formed a huge bunch of orange flaming hummingbirds.

Carly Atlas: That is just like what we can do!

Nazca Hidari: Wait Carly, Misty!? It is you girls! I'm glad you're well.

Misty Tredwell: Same here. Good to see you.

Nazca Hidari: Same here. I am good friends with the Dark Signers. Long story on that. But when I'm not a Kamen Rider I spend my time researching the Nazca Lines in Peru.

Me: It's amazing what the Satellites discovered there. It's also a massive mystery. Nobody knows how they even got there. Baffled archaeologists for years.

Nazca Hidari: I know.

Noctra Hidari: Yeah. I am Kamen Rider Terror. I have the power to bring your worst fears and nightmares and terrors to life. And I can even make people go insane.

Me: Brutal!

Nico: I know!

Rarity: Lets get you some new clothes darlings.

The Fashion Brigade gave them new clothes. Nazca's got blue and black and Noctra's was black. Nazca got a star sword and Noctra got a demonic scythe. They also got their Double Belts.

Nazca Hidari: We look awesome.

Noctra Hidari: We sure do.

Poromon: We're not done yet

Me: Now we got an Old Man to beat and talk down.

Lincoln: (Sensed for Old Man Oldman) AHA! Gotcha, you old geezer! I just spotted Old Man Oldman, he's 20 yards away.

Nico: Now, you're talking!

Lincoln had a premonition as well!

Lincoln: Whoa, and I also had a premonition as well. But, come on, we need to get to Vambre and Proyhas.

We took off to rescue Vambre and Proyhas and take down Old Man Oldman.

We were flying in the air and we saw Vambre and Proyhas being beaten to a bloody pulp by Old Man Oldman who has an evil toupee!

Lana: Not this again! We warned you big time, Oldman! Now, you're gonna get it!

Me: Apparently you didn't learn your lesson the last time. Now we're going to give you the worst buttkicking of all!

We saw Vambre and Prohyas and they were MERCILESSLY THRASHED INTO PULP!

Me: Oh good god!

Old Man Oldman: I WILL KILL YOU BEFORE YOU GET TO THEM! THEY ARE MINE TO DESTROY!

Me: Over my dead body!

Suddenly, we saw waves of elements heading right at Old Man Oldman, he and the evil toupee dodged it, and we got to Vambre and Proyhas.

Me: That wasn't me or Lincoln.

Nico: Then, who was...?

Lincoln: That's what I wanted to tell you guys, I just had a premonition of who's also here: Super Brother, my Good Akuma, and he's a truly omnipotent powerful force of good and powerful godly angel, he has all of my powers times infinity along with immortality, invincibility, omnipotent power, infinite godly superhuman strength, superhuman speed, superhuman agility, superhuman endurance, superhuman durability, superhuman senses, incredible combat skills, omnipotent powers of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and all the powers and abilities of all the animals in the world, mythical beasts, the immense divine powers of God, The Archangels, and The Angels of Heaven, purifying powers, and all the immense powers of The Ancient Gods and Goddesses of The Ancient World. He was created as part of his desire to protect those in need and punish those who are beyond any forms of redemption and are born pure evil to the core. Plus, he like me has a really massive harem, and he also has infinite virility and an infinitely massive sex drive and sexual stamina, and he also knows how to please the ladies in his harem and he's also a true gentleman, and his personality, noble heart, and rugged good looks and extremely ripped muscular body has gotten him tons of cat calls and wolf whistles from many teen girls.

Lincoln got out his sketchbook and we saw what he looked like: he looked like an adult version of Lincoln who was really tall at 9'11" in height with rugged good looks, he was shirtless showing off his extremely ripped muscular body with massive upper and lower body muscles and twelve-pack abs, and he was dressed in black pants, black boots, and he has massive white angel wings.

When the girls saw him, they did wolf whistles and cat calls!

?: (Strong Manly Voice) Nice cat calls and wolf whistles.

Suddenly, we saw our special guest arrive: Super Brother, The Good Akuma of Lincoln Loud.

Me: Whoa, Lincoln, is that you?

Super Brother: It's me, J.D.

Nebula Lanaia: Oh man, you look exactly like Lincoln when he was seventeen at the time! I still have the picture.

Lanaia got out the picture of Lincoln at seventeen at the time, and she was right.

Nico: Lincoln sent you that photo of him, right?

Nebula Lanaia: Yep, and he was also doing a fitness blog of his journey, and I saw how he'd changed and grown into the man we see him as today.

Lincoln: That's right.

Super Brother: Though you also grew into a 120'11" tall wolf man with those abnormally massive and powerful upper and lower body muscles and twelve-pack abs.

Me: Yep. And Lincoln said you have a harem like him too?

We then saw Super Brother's harem come out, and it's also just as massive as Lincoln's harem!

Anna Anyanova: Whoa!

Girl Jordan: Yep, you're definitely Lincoln alright. Plus, I also saw them dressed in two-piece bikinis.

Super Brother's Lily the Mermaid: Oh, we were swimming at Lake Michigan.

They snapped their fingers and they were now in two-piece colored bikinis with their own marks.

Super Brother's Girl Jordan: And these...are our usual bikinis. (Smirks) Plus, this always excites our man.

Lincoln: But, this'll excite you girls even more. (To Super Brother) Mind holding still?

Lincoln went up to Super Brother and he sank his fangs into his left trapezius and he injected him with his blood. Then, Lincoln released his fangs and Super Brother's marks sealed up and healed.

Super Brother: Wow, you sure got a strong bite along with strong fangs and teeth. (Suddenly felt his body grow even hotter)(GROWLS) RRGH! Oh man, my body feels like it's growing even hotter!

Suddenly, Lincoln was surrounded by an immense golden yellow aura with sunlight and light and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use The Atavism of The White Wolf of Amaterasu again!

Lincoln: (Speaking in Japanese) 太陽の光と天界に呼びかけ、この恐ろしい悪の忌まわしい存在を倒し、永遠の破滅の地へと送り届けます。祝福された者の魂が蘇り、地獄の民に永遠の罰を与え、彼らを永遠に冥界の闇へと送る強力な狼の姿をとりますように。私の歌が天界の審判をもたらし、この忌まわしい存在を永遠の安息の地へと送り届けますように。(I call upon the light of day and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send them to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and formed into white wolves with glowing golden yellow markings and they ran at Old Man Oldman and attacked him with fierce fury.
